Getting In Touch With God:

The Vampire Path to God! My Desperate Plan to Contact God Spiro Hamilton, 2021-07-27 Don't you get exasperated furious even about why God is so confusing Why are there so many different religions and spiritual systems all saying completely different things How are we supposed to discover the truth of God Doesn't it drive you crazy Doesn't it make you desperate to get to the bottom of it all There must be a way to find the right answer It surely wasn't supposed to be this difficult Something's getting in the way blocking our path to God It's as if there's some kind of forcefield standing between God and us Maybe we could call it the Devil Field or the field of fake news and false information It takes something drastic to break on through to the other side but how on earth did I end up using vampires to talk to God You definitely can't get any more drastic and desperate than that My idea for getting the dope on God was in fact inspired by an episode of Buffy the Vampire Slayer hence why this is about the vampire route to God My plan was simple To extract God from the Bible by scanning it into my computer and then get God to answer my questions What could possibly go wrong with that *Getting in Touch with God* Jim Burns, 1986 This is a devotional book that will give you an uplifting challenge every day and contribute to the growth of your love for the Lord and your desire to follow Him *Touching God for Spiritual Breakthrough* Elmer Towns, 2020-08-24 Today you can touch God but more importantly God can touch you Some think that only people in the Bible encountered God that God met people long ago but He doesn't do it today That is not true Jesus is just alive today as when He encountered people in the Scriptures God can meet you today This book will guide **Daily Readings with George MacLeod** Ron Ferguson, 2001-06-01 Readings from the founder of the Iona Community a charismatic man of prayer and action who was ahead of his time These prayers and other extracts can be used to inspire personal or group reflection

Choose Life Rabbi James L Apple Th. D., 2022-01-25 To be a good preacher requires skill knowledge compassion humor and insight I was not a good preacher until I entered the US Navy in 1970 Once in the Navy I had the opportunity to listen to a variety of Christian chaplains preach The best preachers were the Methodists and the Southern Baptists I asked some of them to explain to me their preaching styles and how they prepared a sermon When you read my sermons you should be able to discover the influences that the Southern Baptists and Methodists had on me Choose Life should show you the Southern Baptist influence Never Again Lam Rot HaKol should show you the Methodist influence Enjoy and learn **It Took All of That to Get to This** Karen V. Johnson, 2010-11-16 But I have prayed for thee that thy faith fail not and when thou art converted strengthen thy brethren Luke 22:32 The purpose of this book is to help hurting women get some healing through my experiences There are a lot of hurting women in the world in and out of the church in different environments and situations Oftentimes these women are too busy taking care of the duties of the household their husbands helping their children with homework assignments their jobs and even church responsibilities They grow tired and worn out depressed feeling left out unnoticed and even at times abused and violated These women are hurting and struggling within trying to

break free from their past to make it to their wealthy place It Took All of That to Get To This **A Taste of Heaven** Larry R. Dick,2002 Does the Bible tell us specifically what heaven will be like What will the new earth and the capital city New Jerusalem be like Is heaven a real physical place or just some kind of spiritual realm unlike anything on earth What will people look like in heaven What will we do forever and ever Will there be buildings families nations in heaven What language will we speak Where is heaven Will we see God there Find answers to these and over 300 questions you ve always wanted to ask about Heaven This easy to read book is based on doctoral research but written for the layman to present a Biblical picture of what life in eternity will be like My hope is to bring new excitement and understanding to the average person in the pew as well as to the Bible scholar Perhaps it will even encourage those who do not believe everything in the Bible but do believe in a heaven Yes I believe the Bible tells us much about what Heaven will be like Eden the tabernacle the promised land the kingdom parables the millennial kingdom the church all paint a picture of eternity Many of the great themes and teachings of Scripture present at the very least a type or taste of what Heaven will be like Eye hath not seen nor ear heard neither have entered into the heart of man the things wick God hath prepared for the that love him But God hath revealed them unto us by his Spirit 1 Cor 2 9 10 Life is short and full of troubles The good things of this world are so temporary They are but a taste of better eternal things to come Only those things which last forever are real and worthwhile But how can you look forward to something you know little about I hope this book will fill in some of those blanks for you encourage you to read God s Word and give you a taste of heaven God The Cult Seth Kinstle,2020-09-15 People submit to religions and commit to several concepts of morality We decide who we like based on simple tastes The communities of humanity seem split in many diverse cultures Can we bridge the differences of our controversial preferences When does love become a cash grab When do forceful tendencies become psychologically unappealing These are a few of the questions I challenge in this perceptual take on what it means to have a sense of community *Listen to the Hunger* Elisabeth L.,1987 **How to Use God's Lifetime Warranty in Your Marriage** Dr. Amos Adeniyi,2014-08-28 The idea to write fictional letters to marital couples on how to use Gods lifetime warranty in their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the service her family thanked me and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of

the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples dont take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriages divorce rate ranges from 41 50% second marriages divorce rate is between 60 67% and third marriages is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybodys name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories vii instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to whats in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Dont fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able

The Secrets to Getting Your Miracle Bill Vincent, 2023-03-01 I ve witnessed the Church in desperate need of miracles Although I believe the price has been paid there are still a great number of people who have been affected You are about to learn that it is God s will for you to be healed and that God does not afflict His people with illness This book will begin with repentance and progress to God s love providing health Every believer will benefit from the latter two chapters Why don t miracles happen and some evidence appears in your life Church and even family to address this critical issue Also what is it that causes miracles to happen for some people but not for others This is a compact book that contains everything you ll need to receive your miracle

Face to Face with God Bill Johnson, 2015 This expanded edition of Bill Johnson s popular book has questions for reflection and a prayer at the end of each chapter This new material will encourage the reader to take what he has read and apply it in his own life Bill Johnson pastors a church where supernatural encounters with God happen regularly miracles are common and the congregation has an infectious passion for spiritual growth How does he do it It s simple he makes experiencing a deep intimate relationship with God a priority for himself and the rest of his congregation In Face to Face With God Bill Johnson helps you pursue God for greater measures of His presence in your own life sharing the principles he has learned as well as real life stories from his church and ministry

You will learn How to set up an ambush for God rather than just waiting on God What it means to enter the favor of His face and how it changes history How to deal with distractions that enter the mind during prayer meditation time The reward of keeping your eyes on the Blessor while reaching for His blessings What happens when God speaks directly as a result of obedience How to move beyond the spiritual plateaus to ride the coming wave of revival *Interior*, 1923 Too Blessed to Be Cursed Agwanihu Obinna Fabian, 2011-09-09 To excel in life you have to function and operate from the position of power authority and dominion God created man with power and called man to dominate but in the lives of many Christians the reverse seems to be the case this is because they are living out of the position that God has destined for them Most Christians live their lives from the opposite direction trying to live from the earth to the heavenlies The right position should be to live from the heavenlies to the earth When you operate from the angle of power and fully realize who you are then you will truly know that you are too blessed to be cursed You are made in the image of God and you are here to reign on earth When you operate kingdom secret seek ye first the kingdom of heaven and its righteousness and every other thing will be added unto you then you will realize that you are too gifted and too talented to fail that is the secret When you live in contrast to the above secret you discover that you will be pursuing the things that are supposed to come to you naturally Jesus came into the world to redeem you and me and take us back to our positions Christianity is about getting back to the place where you were before the fall of man The bible said that for the joy that was set before Him He endured the cross He left his position in heaven came to earth died for us and redeemed us to restore us to our position That is why Apostle Paul said we were crucified with Him buried with Him and when He rose from the dead we rose with Him and where He is there we are The bible said we are sitteth in heavenly places with Christ Jesus far above every principality and power Far above every curse far above every failure far above every limitation far above every sickness far above every disappointment etc your position is with Jesus Bible said we are complete in Him who is the head of all principalities and powers I want you to know that if you are out of position the power will not move in your condition but if you are in position the power will move in your condition so if you are favored in your position then you are favored in your condition I pray that this book will help you in your quest to get back to your position Like I said it is you that is called to dominion and not the devil to dominate you

Believing God Day by Day Beth Moore, 2008-10-01 Among Beth Moore's very best selling books to date is *Believing God* a powerful study of Isaiah 43 and Hebrews 11 that centers on one simple yet bold question do you believe God or merely believe in Him Moore explains how God's plan is for the believer's life to really work so all will know His promises are entirely true When we begin to take God at His Word the result is a fresh contagious explosion of faith And now the enduring favorite is available in a convenient day by day reading format reminding us time and again that God is bigger than we can imagine and faithful to be who He says He is do what He says He can do and help us be who He says we are Believe it
