Thomas F. Gossett

Following The Color Line An Account of Negro Citizenship In The American Democracy:

Following the Color Line Ray Stannard Baker, 1908 *Following the Color Line* Ray Stannard Baker, 1908 The deeper one delves into the problem of race the humbler he becomes concerning his own views Ray Stannard Baker *Following the Color Line* 1908 In *Following the Color Line* 1908 Ray Stannard Baker draws on the insights he gained from traveling more than 20 000 miles over three years 1906 1908 in both the North and South for the purpose of studying the race issue in America Much of the same information was originally published in articles he prepared for *The American Magazine* His goal as he described it was to provide a clear statement of the exact present early 1900s conditions and relationships of the Negro in American life Covering such subjects as lynching and Jim Crow laws the book is considered the most significant piece of journalism of Baker's career **FOLLOWING THE COLOR LINE AN AC** Ray Stannard 1870-1946 Baker, 2016-08-26

Following the Color Line Ray Stannard Baker, 2015-07-13 Excerpt from *Following the Color Line An Account of Negro Citizenship in the American Democracy* My purpose in writing this book has been to make a clear statement of the exact present conditions and relationships of the Negro in American life I am not vain enough to imagine that I have seen all the truth nor that I have always placed the proper emphasis upon the facts that I here present Every investigator necessarily has his personal equation or point of view The best he can do is to set down the truth as he sees it without bating a jot or adding a tittle and this I have done I have endeavoured to see every problem not as a Northerner nor as a Southerner but as an American And I have looked at the Negro not merely as a menial as he is commonly regarded in the South nor as a curiosity as he is often seen in the North but as a plain human being animated with his own hopes depressed by his own fears meeting his own problems with failure or success I have accepted no statement of fact however generally made until I was fully persuaded from my own personal investigation that what I heard was really a fact and not a rumour Wherever I have ventured upon conclusions I claim for them neither infallibility nor originality They are offered frankly as my own latest and clearest thoughts upon the various subjects discussed If any man can give me better evidence for the error of my conclusions than I have for the truth of them I am prepared to go with him and gladly as far as he can prove his way And I have offered my conclusions not in a spirit of controversy nor in behalf of any party or section of the country but in the hope that by inspiring a broader outlook they may lead finally to other conclusions more nearly approximating the truth than mine About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **FOLLOWING THE COLOR LINE AN AC** Ray Stannard 1870-1946 Baker, 2016-08-26 This work has been

Gospel in Black and White Ralph E. Luker,2000-11-09 In a major revision of accepted wisdom this book originally published by UNC Press in 1991 demonstrates that American social Christianity played an important role in racial reform during the period between Emancipation and the civil rights movement As organizations created by the heirs of antislavery sentiment foundered in the mid 1890s Ralph Luker argues a new generation of black and white reformers many of them representatives of American social Christianity explored a variety of solutions to the problem of racial conflict Some of them helped to organize the Federal Council of Churches in 1909 while others returned to abolitionist and home missionary

strategies in organizing the NAACP in 1910 and the National Urban League in 1911. A half century later such organizations formed the institutional core of America's civil rights movement. Luker also shows that the black prophets of social Christianity who espoused theological personalism created an influential tradition that eventually produced Martin Luther King Jr.

The Challenge of Joseph H. Jackson Jared E. Alcántara, 2024-10-08 In The Challenge of Joseph H. Jackson Jared Alcántara offers a definitive biography of one of the most controversial, complex and eventually forgotten luminaries of the twentieth century. Alcántara chronicles Jackson's rise to power as pastor of the largest Black church in the United States, the 15,000 member Olivet Baptist in Chicago, and as the longest tenured president of the six million member National Baptist Convention at one time the nation's largest Black organization. Sociologist E. Franklin Frazier contended that holding an office like this was akin to being the president of a nation within a nation; the president of Black America. Nicknamed the Negro Pope, along with Silver Tongue, Jackson was known foremost for his oratorical talents. But his significance to twentieth century Black Christianity and U.S. history more broadly has not yet been fully understood. Alcántara here provides a compelling examination of Jackson's humble beginnings, rise to power and gradual fall from grace. The Challenge of Joseph H. Jackson examines Jackson's political alliances, describes his controversial views on race, catalogues his global ecumenical work, explains his fallout with the family of Dr. Martin Luther King Jr. and connects his eloquence to the maintenance of power in a tradition that prizes sacred oratory. Drawing on extensive archival material from the Chicago History Museum, Alcántara deftly chronicles the life and legacy of one of the most complex figures in African American history.

To Build Our Lives Together Allison Dorsey, 2004 After Reconstruction, against considerable odds, African Americans in Atlanta went about such self-interested pursuits as finding work and housing. They also built community, says Allison Dorsey. To Build Our Lives Together chronicles the emergence of the network of churches, fraternal organizations and social clubs through which black Atlantans pursued the goals of adequate schooling, more influence in local politics and greater access to municipal services. Underpinning these efforts were the notions of racial solidarity and uplift. Yet as Atlanta's black population grew from two thousand in 1860 to forty thousand at the turn of the century, its community had to struggle not only with the dangers and caprices of white laws and customs but also with internal divisions of status and class. Among other topics, Dorsey discusses the boomtown atmosphere of post-Civil War Atlanta that lent itself so well to black community formation; the diversity of black church life in the city; the role of Atlanta's black colleges in facilitating economic prosperity and upward mobility; and the ways that white political retrenchment across Georgia played itself out in Atlanta. Throughout, Dorsey shows how black Atlantans adapted the culture's traditions and survival mechanisms of slavery to the new circumstances of freedom. Although white public opinion endorsed racial uplift, whites inevitably resented black Atlantans who achieved some measure of success. The Atlanta race riot of 1906, which marks the end of this study, was no aberration, Dorsey argues, but the inevitable outcome of years of accumulated white apprehensions about black strivings for social equality and economic success. Denied the

benefits of full citizenship the black elite refocused on building an Atlanta of their own within a sphere of racial exclusion that would remain in force for much of the twentieth century Traveling Black Mia Bay,2021-03-23 What was it like to travel while Black under Jim Crow Mia Bay brings this dramatic history to life With gripping stories and a close eye on the rail bus and airline operators who implemented segregation she shows why access to unrestricted mobility has been central to the Black freedom struggle since Reconstruction and remains so today The New Abolition Gary Dorrien,2015-09-29 The black social gospel emerged from the trauma of Reconstruction to ask what a new abolition would require in American society It became an important tradition of religious thought and resistance helping to create an alternative public sphere of excluded voices and providing the intellectual underpinnings of the civil rights movement This tradition has been seriously overlooked despite its immense legacy In this groundbreaking work Gary Dorrien describes the early history of the black social gospel from its nineteenth century founding to its close association in the twentieth century with W E B Du Bois He offers a new perspective on modern Christianity and the civil rights era by delineating the tradition of social justice theology and activism that led to Martin Luther King Jr **Race** Thomas F. Gossett,1997 When Thomas Gossett s *Race The History of an Idea in America* appeared in 1963 it explored the impact of race theory on American letters in a way that anticipated the investigation of race and culture being conducted today Here reprinted without change is Gossett s classic study making available to a new generation of scholars a lucid accessibly written volume that ranges from colonial race theory and its European antecedents through eighteenth and nineteenth century race psuedoscience to the racist dimension of American thought and literature emerging against backgrounds such as Anglo Saxonism westward expansion Social Darwinism xenophobia World War I and modern racial theory Featuring a new preface by the author a foreword by series editors Shelley Fisher Fishkin and Arnold Rampersad and a bibliographic essay by Maghan Keita this indispensable book whose first edition helped change the way scholars discussed race will richly reward scholars of American Studies American Literature and African American Studies From publisher s description *The Allure of Blackness Among Mixed-Race Americans, 1862-1916* Ingrid Dineen-Wimberly,2019-01-01 In *The Allure of Blackness among Mixed Race Americans 1862 1916* Ingrid Dineen Wimberly examines generations of mixed race African Americans after the Civil War and into the Progressive Era skillfully tracking the rise of a leadership class in Black America made up largely of individuals who had complex racial ancestries many of whom therefore enjoyed racial options to identity as either Black or White Although these people might have chosen to pass as White to avoid the racial violence and exclusion associated with the dominant racial ideology of the time they instead chose to identify as Black Americans a decision that provided upward mobility in social political and economic terms Dineen Wimberly highlights African American economic and political leaders and educators such as P B S Pinchback Theophile T Allain Booker T Washington and Frederick Douglass as well as women such as Josephine B Willson Bruce and E Azalia Hackley who were prominent clubwomen lecturers educators and settlement house founders In their

quest for leadership within the African American community these leaders drew on the concept of Blackness as a source of opportunities and power to transform their communities in the long struggle for Black equality *The Allure of Blackness among Mixed Race Americans 1862-1916* confounds much of the conventional wisdom about racially complicated people and details the manner in which they chose their racial identity and ultimately overturns the passing trope that has dominated so much Americanist scholarship and social thought about the relationship between race and social and political transformation in the nineteenth and twentieth centuries

Daily Life of African Americans in Primary Documents Herbert C. Covey, Dwight Eissach, 2020-11-24 *Daily Life of African Americans in Primary Documents* takes readers on an insightful journey through the life experiences of African Americans over the centuries capturing African American experiences challenges accomplishments and daily lives often in their own words This two volume set provides readers with a balanced collection of materials that captures the wide ranging experiences of African American people over the history of North America Volume 1 begins with the enslavement and transportation of slaves to North America and ends with the Civil War Volume 2 continues with the beginning of Reconstruction through the election of Barack Obama to the U S presidency Each volume provides a chronology of major events a historic overview and sections devoted to domestic material economic intellectual political leisure and religious life of African Americans for the respective time spans Volume 1 covers a wide variety of topics from a multitude of perspectives in such areas as enslavement life during the Civil War common foods housing clothing political opinions and similar topics Volume 2 addresses the civil rights movement court cases life under Jim Crow Reconstruction housing segregation and more Each volume includes 100-110 primary sources with suggested readings from government publications court testimony census data interviews newspaper accounts period appropriate letters Works Progress Administration interviews sermons laws diaries and reports

The Life and Music of Graham Jackson David Cason, 2023-08-15 This book is the first biography of Graham Jackson a virtuosic musician whose life story displays the

complexities of being a Black professional in the segregated South **Democracy's Detectives** James Hamilton, 2016-10-10
Winner of the Goldsmith Book Prize Shorenstein Center on Media Politics and Public Policy at the Harvard Kennedy School of Government Winner of the Tankard Book Award Association for Education in Journalism and Mass Communication Winner of the Frank Luther Mott Kappa Tau Alpha Journalism Mass Communication Research Award In democratic societies investigative journalism holds government and private institutions accountable to the public From firings and resignations to changes in budgets and laws the impact of this reporting can be significant but so too are the costs As newspapers confront shrinking subscriptions and advertising revenue who is footing the bill for journalists to carry out their essential work Democracy's Detectives puts investigative journalism under a magnifying glass to clarify the challenges and opportunities facing news organizations today Hamilton's book presents a thoughtful and detailed case for the indispensability of investigative journalism and just at the time when we needed it Now more than ever reporters can play an essential role as society's watchdogs working to expose corruption greed and injustice of the years to come For this reason Democracy's Detectives should be taken as both a call to arms and a bracing reminder for readers and journalists alike of the importance of the profession Anya Schiffrin The Nation A highly original look at exactly what the subtitle promises Has this topic ever been more important than this year Tyler Cowen Marginal Revolution *Mastering Emotions* Erin Austin Dwyer, 2021-10-21
Emotions were central to the ways that slaveholders perpetuated slavery as well as to the ways that enslaved people survived and challenged bondage and experienced freedom Mastering Emotions examines the interactions between slaveholders and enslaved people and between White people and free Black people to expose how emotions such as love terror happiness and trust functioned as social and economic capital for slaveholders and enslaved people alike The daily interactions that occurred between slaveholders and enslaved people around emotions in conjunction with larger debates about race and freedom form the backbone of what Erin Austin Dwyer calls the emotional politics of slavery Race and status determined which emotions were permissible or punishable which should be restrained and by whom As a result mastering emotions one's ability to control one's own feelings and those of others was paramount for slaveholders and enslaved The emotional politics of slavery were thus fashioned by enslaved people and slaveholders together through the crucible of slavery Emancipation was a seismic shift in the affective landscape of the antebellum South Though the end of the Civil War rendered moot the debate over how to emotionally maintain slavery the lingering conflict over whether the emotional strictures governing the South would be based on race or free status had serious repercussions particularly for free Black people The postwar rise of legal and extralegal attempts to affectively control free Black people underscored the commitment of elite White Southerners to preserving the power dynamics of the emotional politics of slavery by any means necessary Mastering Emotions concludes by detailing how the long term legacy of those emotional politics reverberated through Reconstruction and the Jim Crow eras Writings on American History ,1910

Following The Color Line An Accountof Negro Citizenship In The American Democracy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Following The Color Line An Accountof Negro Citizenship In The American Democracy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Following The Color Line An Accountof Negro Citizenship In The American Democracy has opened up a world of possibilities. Downloading Following The Color Line An Accountof Negro Citizenship In The American Democracy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Following The Color Line An Accountof Negro Citizenship In The American Democracy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By

offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Following The Color Line An Accountof Negro Citizenship In The American Democracy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Following The Color Line An Accountof Negro Citizenship In The American Democracy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Following The Color Line An Accountof Negro Citizenship In The American Democracy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Following The Color Line An Accountof Negro Citizenship In The American Democracy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Following The Color Line An Accountof Negro Citizenship In The American Democracy Books

What is a Following The Color Line An Accountof Negro Citizenship In The American Democracy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Following The Color Line An Accountof Negro Citizenship In The American Democracy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file

instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Following The Color Line An Account of Negro Citizenship In The American Democracy PDF?

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Following The Color Line An Account of Negro Citizenship In The American Democracy PDF to another file format?

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Following The Color Line An Account of Negro Citizenship In The American Democracy PDF?

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
