Fools And Children:

Back Over the Sexual Contract Lorenzo Rustighi,2021-12-27 Is patriarchy an illness of democratic societies or a structural problem To answer this dilemma Back Over the Sexual Contract A Hegelian Critique of Patriarchy examines the dilemma of patriarchy in modern European political theory by reopening the question of the sexual contract Through a study of the thought of Thomas Hobbes John Locke Jean Jacques Rousseau and Immanuel Kant Lorenzo Rustighi argues that the conceptual roots of male patriarchal entitlement should be sought in the logic of authorized power that underpins the modern understanding of both the state and the family Challenging the mainstream distinction between the private and the public Rustighi provocatively suggests that patriarchy is not something that undermines democracy as an alien threat but is rather inscribed in the intrinsically anti democratic effects of the concept of democracy construed by the modern rationale of the social contract He puts forward a Hegelian argument to propose an unconventional constitutional approach to feminist political theory that helps us rethink democracy beyond its inherent impasses *The Facts on File Dictionary of Proverbs* Martin H. Manser,Rosalind Fergusson,2007 Lists the meaning and origin of more than 1 700 traditional and contemporary English proverbs **Index to Short Stories** ,1929 **The Oxford Handbook of Philosophy in Early Modern Europe** Desmond M. Smith,2009-04-29 Guidelines for Living is a book you would want to read every day It motivates you to live a life filled with inner peace happiness and contentment no matter what your age or circumstances There are a variety of emotional physical and psychological uncertainties in life that can be answered if you know where to look This book can assist you to find your way For those who are searching for the proper path to your future this is the perfect guide for you **The Children's Crusade** G. insights overlap and connect to each other The volume is organized thematically into five sections metaphysics free will ethics religion and general interpretations of Hume s philosophy The collection also features a previously unpublished essay on Hume s atheism and an essay on Adam Smith s views on religion and ethics that has not been previously published in English Recasting Hume and Early Modern Philosophy presents the reader with Russell s substantial and significant set of interconnected observations and insights on the matters and figures of the greatest importance in early modern philosophy These essays not only provide different and original perspectives on the subject they also show that the various issues addressed are very relevant to each other as well as to a number of major topics in contemporary philosophy

Four Fools in the Age of Reason Dorinda Outram,2019-04-15 Unveiling the nearly lost world of the court fools of eighteenth century Germany Dorinda Outram shows that laughter was an essential instrument of power Whether jovial or cruel mirth altered social and political relations Outram takes us first to the court of Frederick William I of Prussia who emerges not only as an administrative reformer and notorious militarist but also as a master of fools a ruler who used fools to prop up his uncertain power The autobiography of the itinerant fool Peter Prosch affords a rare insider s view of the small courts in Catholic south Germany Austria and Bavaria Full of sharp observations of prelates and princes the autobiography also records episodes of the extraordinary cruelty for which the German princely courts were notorious Joseph Fr hlich court fool in Dresden presents more appealing facets of foolery A sharp salesman and hero of the Meissen factories he was deeply attached to the folk life of fooling The book ends by tying the growth of Enlightenment skepticism to the demise of court foolery around 1800 Outram s book is invaluable for giving us such a vivid depiction of the court fool and especially for revealing how this figure can shed new light on the wielding of power in Enlightenment Europe
