Footfalls In Memory:

Footfalls in Memory Anthony Griffin, 1998 **Footfalls in Memory** Terry Waite, 1995 A book of readings from the former hostage in Lebanon *When the Eternal Can Be Met* Corey Latta, 2014-04-14 When the Eternal Can Be Met excavates the philosophy behind the theology of the twentieth century's most prominent Christian writers C S Lewis T S Eliot and W H Auden These three literary giants converted to Christianity within little more than a decade of one another and interestingly all three theological authors turned to the theme of time All three authors also came to remarkably similar conclusions about time positing that the temporal present moment allowed one to meet the eternal Decades before Lewis Eliot and Auden sought to creatively construct a fictive or poetic theology of time the prominent philosopher Henri Bergson wrote about time's power to transform an individual's emotional and spiritual state a theory well known by Lewis Eliot and Auden When the Eternal Can Be Met argues that one cannot fully understand Lewis Eliot and Auden's theology of time without understanding Bergson's theories From the secular philosophy of Bergson dawned the most important works of literary theology and treatments of time of the twentieth century and in the Bergson influenced literary constructs of Lewis Eliot and Auden a common theological articulation sounds out time present is where humans meet God Beckett's Voices / Voicing Beckett , 2021-08-16 Beckett's Voices Voicing Beckett uses voice as a prism to investigate Samuel Beckett's work across a range of texts genres and performance cultures Twenty one contributors all members of the Samuel Beckett Working Group of the International Federation for Theatre Research discuss the musicality of Beckett's voices the voice as absent other the voices of the vulnerable the cinematic voice and enacted voices in performance and media The volume engages not only with Beckett's history and legacy but also with many of the central theoretical issues in theatre studies as a whole Featuring testimonies from Beckett practitioners as well as emerging and established scholars it is emblematic of the thriving and diverse community that is twenty first century Beckett Studies Contributors Svetlana Antropova Linda Ben Zvi Jonathan Bignell Llewellyn Brown Julie Campbell Thirthankar Chakraborty Laurens De Vos Everett C Frost S E Gontarski Mariko Hori Tanaka Nicholas E Johnson Kumiko Kiuchi Anna McMullan Melissa Nolan Cathal Quinn Arthur Rose Teresa Rosell Nicol's Jrgen Siess Anna Sigg Yoshiko Takebe Michiko Tsushima The Spirituality Revolution David John Tacey, 2004 The Spirituality Revolution addresses the major social issue of spirituality which requires immediate attention if we are to creatively respond to spiralling outbreaks of depression suicide addiction and psychological suffering *Footfalls Echo in the Memory* J. W. Naeff, 1986 *Samuel Beckett's Plays on Film and Television* G. Herren, 2016-04-30 This is the first book devoted Beckett's innovative work for the big and small screens Herren examines each of Beckett's film and television plays in depth emphasizing the central role that memory plays in these haunting works Desire and the Ascetic Ideal Edward Upton, 2023-09-26 The Hindu words Shantih shantih shantih provide the closing of The Waste Land perhaps the most famous poem of the twentieth century This is just one example among many of T S Eliot's immersion in Sanskrit and

Indian philosophy and of how this fascination strongly influenced his work Centering on Eliot's study of sources from ancient India this new book offers a rereading of the poet's work analyzing his unpublished graduate school notebooks on Indian philosophy and exploring Eliot's connection with Buddhist thought Eliot was crucially influenced by his early engagement with Indian texts and when analyzed through this lens his poems reveal a criticism of the attachments of human desire and the suggestion that asceticism might hold out the possibility that desire can be cultivated toward a metaphysical absolute Full of such insights Upton's book represents an important intervention in modernist studies A History of Solitude David Vincent, 2020-05-06 Solitude has always had an ambivalent status the capacity to enjoy being alone can make sociability bearable but those predisposed to solitude are often viewed with suspicion or pity Drawing on a wide array of literary and historical sources David Vincent explores how people have conducted themselves in the absence of company over the last three centuries He argues that the ambivalent nature of solitude became a prominent concern in the modern era For intellectuals in the romantic age solitude gave respite to citizens living in ever more complex modern societies But while the search for solitude was seen as a symptom of modern life it was also viewed as a dangerous pathology a perceived renunciation of the world which could lead to psychological disorder and anti social behaviour Vincent explores the successive attempts of religious authorities and political institutions to manage solitude taking readers from the monastery to the prisoner's cell and explains how western society's increasing secularism urbanization and prosperity led to the development of new solitary pastimes at the same time as it made traditional forms of solitary communion with God and with a pristine nature impossible At the dawn of the digital age solitude has taken on new meanings as physical isolation and intense sociability have become possible as never before With the advent of a so called loneliness epidemic a proper historical understanding of the natural human desire to disengage from the world is more important than ever The first full length account of its subject *A History of Solitude* will appeal to a wide general readership *Metaphysical Symbolism in T.S. Eliot's Four Quartets* Ronald Moore, 1965 Theatricality and Performativity Teemu Paavolainen, 2018-04-06 This book defines theatricality and performativity through metaphors of texture and weaving drawn mainly from anthropologist Tim Ingold and philosopher Stephen C Pepper Tracing the two concepts various relations to practices of seeing and doing but also to conflicting values of novelty and normativity the study proceeds in a series of intertwining threads from the theatrical to the performative Antitheatrical Plato the Baroque Michael Fried Pro theatrical directors Wagner Fuchs Meyerhold Brecht and Brook Dramatic weaving memory in Shaffer's *Amadeus* and Beckett's *Footfalls* Efficient from modernist machines for living in to the smart home Activist knit graffiti clown patrols and the Anthropocene An approach is developed in which performativity names the way we tacitly weave worlds and identities variously concealed or clarified by the step aside tactics of theatricality Edinburgh Companion to Samuel Beckett and the Arts S E (Florida State University) Gontarski, 2014-02-28 The 35 new and original chapters in this Companion capture the continued vitality of Beckett studies in

drama music and the visual arts and establish rich and varied cultural contexts for Beckett's work world wide As well as considering topics such as Beckett and science historiography geocriticism and philosophy the volume focuses on the post centenary impetus within Beckett studies emphasising a return to primary sources amid letters drafts and other documents Major Beckett critics such as Steven Connor David Lloyd Andrew Gibson John Pilling Jean Michel Rabat r and Mark Nixon as well as emerging researchers present the latest critical thinking in 9 key areas Art Fictions European Context Irish Context Film Radio Language Writing Philosophies Theatre Global Beckett Edited by eminent Beckett scholar S E Gontarski the Companion draws on the most vital ground breaking research to outline the nature of Beckett studies for the next generation

Going Down for Air Derek Sayer, Charles C. Lemert, 2015-11-17 What is hidden in the taste of a madeleine or in snatches of Bob Dylan songs operatic arias and the remembered sting of a rattan cane An exploration of memory *Going Down for Air* artfully combines two very different yet connected texts A Memoir is richly evocative not only of times past but also of a very English imperial queerly masculine subjectivity caught on the cusp of the extinction of the world in and of which it made sense Derek Sayer's allusive writing succeeds as few have done before in capturing the leaps and bounds of memory itself Rich in its detail unstinting in its honesty this beautifully written memoir is a considerable literary achievement The memoir is complemented by Sayer's provocative theoretical essay on memory and social identity Drawing on linguistic and psychoanalytic theory photographic images and literary texts *In Search of a Subject* argues that it is memory above all that maintains the imagined identities upon which society rests *Going Down for Air* is a bold and strikingly successful literary and sociological experiment which makes a major contribution to understanding how our memories work and gives them social meaning far beyond

Writing Jewish Ruth Gilbert, 2013-12-04 British Jewish writers are increasingly addressing challenging questions about what it means to be both British and Jewish in the twenty first century *Writing Jewish* provides a lively and accessible introduction to the key issues in contemporary British Jewish fiction memoirs and journalism and explores how Jewishness exists alongside a range of other different identities in Britain today By interrogating myths and stereotypes and looking at themes of remembering and forgetting belonging and alienation location and dislocation Ruth Gilbert examines how these writers identify the particularity of their difference while acknowledging that this difference is neither fixed nor final but always open to re interpretation

Current Opinion Edward Jewitt Wheeler, Frank Crane, 1921

T. S. Eliot Jewel Spears Brooker, 2004-05-10 Widely regarded as one of the most important and influential poets of the twentieth century T S Eliot was also extremely prolific T S Eliot *The Contemporary Reviews* is a testament to both these aspects of Eliot's work In it Jewel Spears Brooker presents the most comprehensive gathering of newspaper and magazine reviews of Eliot's work ever assembled It includes reviews from both American and British journals Brooker expands on the major themes of the reviews and shows how the reviews themselves influenced not only Eliot but also literary history in the twentieth century

Americanizing Britain Genevieve Abravanel, 2012-04-06 How did Great Britain which entered the

twentieth century as a dominant empire reinvent itself in reaction to its fears and fantasies about the United States Investigating the anxieties caused by the invasion of American culture from jazz to Ford motorcars to Hollywood films during the first half of the twentieth century Genevieve Abravanel theorizes the rise of the American Entertainment Empire as a new style of imperialism that threatened Britain's own In the early twentieth century the United States excited a range of utopian and dystopian energies in Britain Authors who might ordinarily seem to have little in common H G Wells Aldous Huxley and Virginia Woolf began to imagine Britain's future through America Abravanel explores how these novelists fashioned transatlantic fictions as a response to the encroaching presence of Uncle Sam She then turns her attention to the arrival of jazz after World War I showing how a range of writers from Elizabeth Bowen to W H Auden deployed the new music as a metaphor for the modernization of England The global phenomenon of Hollywood film proved even more menacing than the jazz craze prompting nostalgia for English folk culture and a lament for Britain's literary heritage Abravanel then refracts British debates about America through the writing of two key cultural critics F R Leavis and T S Eliot In so doing she demonstrates the interdependencies of some of the most cherished categories of literary study language nation and artistic value by situating the high low debates within a transatlantic framework **The Poetry of Anna Akhmatova** Alexandra Harrington, 2006-05-01 This book outlines a fresh and coherent framework for the apprehension of Akhmatova's oeuvre in its totality seeing her as a poet who moves beyond modernism in her later period The appeal to postmodernism which is in itself innovatory with regard to Akhmatova studies also allows exploration of a second problematic issue how to account for the shift in self presentation in the later verse and the different concept of poetic self which it advances This new account of Akhmatova's path to maturity challenges the conventional view of the early Akhmatova as poet in the classical Russian tradition and of the later Akhmatova as paradigmatically modernist Sins of the Fathers Susan Howatch, 2012-10-09 A New York Times bestselling grippingly readable tale of wealth greed and power in post WWII New York by the author of *The Rich Are Different* *The Sunday Times* Among the Wall Street elite no name inspires as much awe and envy as Van Zale The family's sprawling banking empire run by the determined and talented Cornelius Van Zale is thriving Their lifestyle glittering and luxurious is the epitome of the American Dream But behind the gilded perfection of their public persona the Van Zales hide dark secrets a world of complicated affairs bitter rivalries dangerous alliances and grasping corruption Vicky Van Zale caught between the maneuverings of her father Cornelius and the ambitions of her husband and lover finds herself a pawn in a vicious battle for control And they're all willing to pay any price to win no matter how deadly Author Susan Howatch renowned for her historical family sagas takes on the disturbing world of the American elite in this novel inspired by the bitter reigns of Julius Caesar Mark Antony and Octavian a classic tale of American avarice in the booming postwar years that still resonates today This ebook features an illustrated biography of Susan Howatch including rare photos and never before seen documents from the author's personal collection *Kalooki Nights* Howard Jacobson, 2008-04-22 Longlisted for the

2006 Man Booker Prize and hailed by The Times London as Ra work of genius S Jacobson s exquisitely written audaciously funny novel explores the countless questions of postwar Jewish identity
