For A Dream Cometh:

For a Dream Cometh Esther Boyce Corderman, Lily Barr, 1979-09-01 Turning Your Dreams into Realities Glenn Arekion, 2015-01-02 I'm living the dream is an expression that is often used but hardly ever experienced. Much has been said about the importance of dreams and visions for a fulfilled life. Yet there are more dissatisfied people today than ever. This is because without wisdom, strategies, and disciplines, visions remain grounded. Many have not reached the lofty positions that their dreams had for them due to a lack of these three fundamental forces. Solomon, the most successful entrepreneurial king, knew the keys to success. In Ecclesiastes, he said, "For a dream cometh through the multitude of business." Modern translations render this verse as "A dream comes through by much business, much activities, and painful efforts." This means merely having a dream without activities, strategies, and certain disciplines implemented in your life will not trigger your dream to materialize. In this book, you will learn YOU are the number one enterprise you need to build. How to destroy the excuses people use to abort their destiny. The values of goals and diversities of goals. How to manage your most precious resource, time. The ten characteristics of the diligent. The million-dollar habits you need to develop. Wisdom from the ants, the conies, the locusts, and the spiders. How to turn your dreams into actionable steps. You want to achieve something great in your life. That is how God wired you. God has given you the ability to dream in order to take you out of a small place into a wealthy place. Learn the necessary keys to change your life. **The Dreamer Cometh** William A. Carleton, 2020-04-06 Luther Rice was born on a small farm in Northborough, MA. He underwent a powerful religious conversion as a teenager in a time when spiritual revival was sweeping across New England. Sensing a call to missions, he and Adoniram Judson traveled to India with the Congregational mission agency. While on the ship during the long voyage, his study of Scripture led him to embrace a Baptist view of baptism. He was baptized by immersion upon reaching India and felt compelled to resign as a Congregationalist missionary since he could no longer represent their theology in good faith. He returned to America where he rallied Baptist churches to support missionaries. Though his intention was to return to the mission field, that never happened. Instead, he traveled the country extensively preaching on evangelism and missions and encouraging Baptists to organize themselves more formally so that missions could be supported more effectively. Many listened to his pleas, and Baptist mission societies sprang up around the nation. He also felt the need to train future pastors and missionaries, so he helped establish Baptist colleges across the nation. Not everyone agreed with his aggressive fundraising efforts or his constant promoting of missionary and educational efforts. Many accused him of only caring about money. But he gave 100 percent of himself to the Lord's work, having never married. He died while on a preaching tour of South Carolina. His legacy lives on today in the colleges he helped found, in numerous Baptist mission boards that trace their roots to his ministry, and in the Luther Rice Lodge, a training facility in Northborough, MA that occupies what was once the Rice family home, barn, and blacksmith shop. All proceeds from the sale of this book support the ministry of the Luther Rice Lodge. **Job, Proverbs,**
