Canada and the Idea of North Sherrill E Grace, 2002-04-15 Canada and the Idea of North examines the ways in which Canadians have defined themselves as a northern people in their literature art music drama history geography politics and popular culture From the Franklin Mystery to the comic book superheroine Nelvana Glenn Gould s documentaries the paintings of Lawren Harris and Molson beer ads the idea of the north has been central to the Canadian imagination Sherrill Grace argues that Canadians have always used ideas of Canada as North to promote a distinct national identity and national unity In a penultimate chapter The North Writes Back Grace presents newly emerging northern voices and shows how they view the long tradition of representing the North by southern activists artists and scholars With the recent creation of Nunavut increasing concern about northern ecosystems and social challenges and renewed attention to Canada s role as a circumpolar nation Canada and the Idea of North shows that nordicity still plays an urgent and central role in Canada at the start of the twenty first century

Inventing Tom Thomson Sherrill Grace, 2004-11-04 Since his drowning in 1917 Tom Thomson has been recreated by poets playwrights novelists filmmakers biographers and other artists as a legendary figure synonymous with Canada and its northern identity Touted as a great artist cut off in his prime his mysterious death in Canoe Lake Algonquin Park and the controversy about his final resting place fired the popular imagination and raised him to the status of a national hero In

Inventing Tom Thomson Sherrill Grace examines many of the ways in which the figure of Thomson has been imagined by Canadians Even people who do not know his paintings well will recognize The Jack Pine and know his legend through the marketing of Thomson memorabilia on the Web in museums and in stores Grace suggests that the figure we have come to recognize as Tom Thomson is inextricably associated with many of the qualities that we believe characterize Canadian culture love of the wilderness northern purity solitary independence and a masculine ability to canoe camp fish and rough it in the bush Inventing Tom Thomson is about those artists who have felt compelled to imagine their own Tom Thomsons and about what the man has come to represent to the culture at large it is about us and how the stories about this exceptional painter have shaped our sense of who we are as a nation Accounting for Genocide Dean Neu, Richard

Therrien, 2020-05-27T00:00:00Z Accounting for Genocide is an original and controversial book that retells the history of the subjugation and ongoing economic marginalization of Canada's Indigenous peoples Its authors demonstrate the ways in which successive Canadian governments have combined accounting techniques and economic rationalizations with bureaucratic mechanisms soft technologies to deprive Native peoples of their land and natural resources and to control the minutiae of their daily economic and social lives Particularly shocking is the evidence that federal and provincial governments are today still prepared to use legislative and fiscal devices in order to facilitate the continuing exploitation and damage of Indigenous people's lands *Catalogue of Chamber Music* Canadian Music Centre, 1967 **Creative Canada**, 1972-12-15 Did he ever play Hamlet Has she worked in television What was the title of his first novel Under whom did she study How many children has he Answers to such questions about contemporary Canadian artists have often been difficult even impossible to find This series has been created to provide the answers it covers creative and performing artists who have contributed as individuals to the culture of Canada in the twentieth century Each volume in the series presents a cross section of many different kinds of artists authors of imaginative works artists and sculptors musicians performers composers conductors and directors and performing artists in ballet modern dance radio theatre television and motion pictures directors designers and producers in theatre cinema radio television and the dance choreographers and for cinema cartoonists and animators Within each category of art is included a selection of those who have achieved national and international recognition those who have been recognized locally and some now deceased who markedly influenced their contemporaries locally nationally or internationally This is not a critical compilation rather it is an objective and factual reference work for those interested in contemporary Canadian culture Information was collected by painstaking research in a wide variety of sources and wherever possible it has been verified by the artist to make each entry as accurate and comprehensive as possible **Poet and the Critic** Robert L. McDougall, 1983-01-15 These letters give a unique glimpse into publishing history in Canada and tell a human story of two Canadian men of letters one in his prime the other at the end of his life
