Educational Administration An Introduction 2nd Ed:

Introduction to Educational Administration Douglas J. Fiore, 2009 First Published in 2009 Routledge is an imprint of Taylor Francis an informa company The School Superintendent Theodore J. Kowalski, 2006 The School Superintendent Theory Practice and Cases is both a textbook and reference for practitioners **School Leadership and Administration** Allan Walker, Clive Dimmock, 2012-11-12 This text calls for a broader approach to comparative educational administration one which uses culture as the principle means of analysis The articles collected by Allan Walker and Clive Dimmock detail the educational practices and outcomes of other systems while taking into account the mediating influence of culture In this way these essays stress the specific aspects of the cultures studied and map out common ground for the study of administrators values beliefs and actions *The School Principal* Theodore J. Kowalski, 2010-08-14 Over the past two decades efforts to improve schools have significantly modified role expectations for principals Today school level administrators are expected to be both visionary leaders and competent managers Based on the conviction that administration is an amalgam of leadership and management The School Principal emphasizes the need for practitioners to apply conceptual skills to make what to do decisions to apply technical skills to make how to do decisions and to apply relational skills to engage in democratic decision making Kowalski frames the book with a discussion of the nature of schools the roles of principals and their need to improve schools The book then provides a balanced treatment of leadership and management covering issues of personal behavior instructional leadership relationship building issues finances facilities personnel management pupil services and maintaining safe schools The text closes with discussion of the vital aspects of practice for contemporary principals addressing problem solving collaborative change strategies and personal commitment to being a principal Special Features Vignettes introduce the subject matter in the context of common challenges faced by practitioners Knowledge Based Questions and Skill Based Activities prompt readers to engage with and reflect on the chapter content The School Principal aligns with the Educational Leadership Consortium Council ELCC Standards Treating principals as concurrently visionary leaders and competent managers this excellent text addresses the needs of aspiring and practicing principals providing the tools to build effective and efficient schools *Handbook of Education Politics and Policy* Bruce S. Cooper, James G. Cibulka, Lance D. Fusarelli, 2014-11-10 This revised edition of the Handbook of Education Politics and Policy presents the latest research and theory on the most important topics within the field of the politics of education Well known scholars in the fields of school leadership politics policy law finance and educational reform examine the institutional backdrop to our educational system the political behaviors and cultural influences operating within schools and the ideological and philosophical positions that frame discussions of educational equity and reform In its second edition this comprehensive handbook has been updated to capture recent developments in the politics of education including Race to the Top and the Common Core State Standards and to address the changing role politics play in shaping and influencing school policy and reform Detailed discussions of key

topics touch upon important themes in educational politics helping leaders understand issues of innovation teacher evaluation tensions between state and federal lawmakers over new reforms and testing and how to increase student achievement Chapter authors also provide suggestions for improving the political behaviors of key educational groups and individuals with the hope that an understanding of political goals governance processes and policy outcomes may contribute to ongoing school reform
