## Fatal Frames:

**Spinegrinder** Clive Davies,2015-03-06 First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer to peer capabilities With so many sources available today s fan of horror and exploitation movies isn t necessarily educated on paths well trodden Universal classics 1950s monster movies Hammer as once they were They may not even be born and bred on DAWN OF THE DEAD In fact anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing MYSTICS IN BALI and S S EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento In this world H G Lewis so called godfather of gore carries the same stripes as Alfred Hitchcock master of suspense SPINEGRINDER is one man s ambitious exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won t care to write about One opinion 8 000 reviews or thereabouts **The Zapruder Film** David R. Wrone,2003 David Wrone one of the nation s foremost authorities on the JFK assassination reexamines Zapruder s film with a fresh eye and a deep knowledge of the forensic evidence Murder from Within Fred T. Newcomb,Perry Adams,2011-11-03 Written in 1974 Murder From Within will show what actually happened to President Kennedy the consequences of his murder and what action Americans can take to protect their institutions from further internal assault The problem of usurpation from within and illegitimate and bloody transfer of power is as old as political history itself Betrayal from within from the leaders own inner circle dates all the way back to Julius Caesar and Jesus Christ Centuries ago several Roman Emperors were killed by their own Praetorian guards This plot which involved only a handful of high officials and a few Secret Service Agents called for President Kennedy to be maneuvered to Dallas and executed in public His body was then forcibly removed from the control of the Dallas Coroner and flown to Washington D C to a military hospital There autopsy findings were supervised to foil a later investigation and implicate a scapegoat The plot required a high probability of success Therefore it was self contained carefully recruited members of the Secret Service the Presidents guards murdered him The portability of a motorcade allowed the assassins to escape and the evidence to remain under their control With their obvious cover as guards the Secret Service could ensure that the planning would result in the replacement of one chief executive with another who now had the power to cover the crime up The scapegoat for the crime was placed near the motorcade by being told to look for work at locations on one of two likely parade routes Once he had a job the motorcade was planned to pass in front of where he worked In this way it would appear that he had found his position by accident To plan the route first and then place the scapegoat in position would raise serious questions in an investigation about his prior knowledge Seven years in the making Murder From Within shows exactly and in detail how a small high level group within Kennedys own Cabinet betrayed him and killed him to benefit an ambitious Vice President determined to become President no matter what Italian Horror Film Directors Louis Paul,2015-06-08 There is no cinema with such effect as that of the hallucinatory

Italian horror film From Riccardo Freda's *I Vampiri* in 1956 to *Il Cartaio* in 2004 this work recounts the origins of the genre celebrates at length ten of its auteurs and discusses the noteworthy films of many others associated with the genre The directors discussed in detail are Dario Argento Lamberto Bava Mario Bava Ruggero Deodato Lucio Fulci Umberto Lenzi Antonio Margheriti Aristide Massaccesi Bruno Mattei and Michele Soavi Each chapter includes a biography a detailed career account discussion of influences both literary and cinematic commentary on the films with plots and production details and an exhaustive filmography A second section contains short discussions and selected filmographies of other important horror directors The work concludes with a chapter on the future of Italian horror and an appendix of important horror films by directors other than the 50 profiled Stills posters and behind the scenes shots illustrate the book [More Giants of the Genre](#) Whitley Strieber, Laurell K. Kenyon, 2016-02-16 *FRAN AIS France Images Messages* une nouvelle collection de photographies en couleurs est une expansion la fois en taille et en portée de *Metro Portraits* et *Metro Messages* publiés en 2012 Contrairement la disposition horizontale le format carré de ce livre facilite la publication de clichés verticaux et panoramiques Les images ont été réalisées en France entre 1998 et 2015 avec plusieurs appareils photographiques argentiques et numériques Ce recueil se compose de sept groupes de clichés ainsi que d'un polyptyque et d'un envoi Aux portraits graffitis et art trouvé des affiches d'enseignes construites comme dans les albums précédents s'ajoutent des photos de plaques de rue de portes de fenêtres et des hommages des

artistes de rue français Cette collection de photographies dépeint une France ambiguë absurde et pleine de humour et parfois mélancolique Annotations et traductions anglaises en annexe **ENGLISH France Images Messages** a new collection of color photographs is an expansion both in size and scope of *Metro Portraits* and *Metro Messages* published in 2012 Instead of the horizontal layout the square size of this book facilitates the inclusion of vertical and panoramic photographs The pictures were taken in France between 1998 and 2015 with both film and digital cameras The collection is composed of seven groups of illustrations as well as a polyptych and an envoi In addition to portraits graffiti and found art from deconstructed posters as documented in the previous albums there are sections illustrating street signs doors and windows and tributes to French street artists The photographs in the collection portray a France that is ambiguous absurd and ephemeral and often wistful and humorous English translations and annotations included in an appendix **The Giallo**

**Canvas** Alexandra Heller-Nicholas, 2021-01-22 Beloved among cult horror devotees for its signature excesses of sex and violence Italian giallo cinema is marked by switchblades mysterious killers whisky bottles and poetically overinflated titles A growing field of English language giallo studies has focused on aspects of production distribution and reception This volume explores an overlooked yet prevalent element in some of the best known gialli an obsession with art and artists in creative production with a particular focus on painting The author explores the appearance and significance of art objects across the masterworks of such filmmakers as Dario Argento Lucio Fulci Sergio Martino Umberto Lenzi Michele Soavi Mario Bava and his son Lamberto **Lethal Repetition** Richard Dyer, 2019-07-25 Serial killing is an extremely rare phenomenon in reality that is nonetheless remarkably widespread in the cultural imagination Moreover despite its rarity it is also taken to be an expression of characteristic aspects of humanity masculinity or our times Richard Dyer investigates this paradox focusing on the notion at its heart seriality He considers the aesthetics of the repetition of nastiness and how this relates to the perceptions and anxieties that images of serial killing highlight in the societies that produce them Shifting the focus away from the US which is often seen as the home of the serial killer *Lethal Repetition* instead examines serial killing in European culture and cinema ranging from Scandinavia to the Mediterranean and from Britain to Romania Spanning all brows of cinema including avant garde art mainstream and trash Dyer provides case studies on Jack the Ripper the equation of Nazism with serial killing and the Italian giallo film to explore what this marginal and uncommon crime is being made to mean on European screens *Manuscript Miscellanies in Early Modern England* Joshua Eckhardt, Daniel Starza

Smith, 2016-05-13 Perhaps more than any other kind of book manuscript miscellanies require a complex and material reading strategy This collection of essays engages the renewed and expanding interest in early modern English miscellanies anthologies and other compilations *Manuscript Miscellanies in Early Modern England* models and refines the study of these complicated collections Several of its contributors question and redefine the terms we use to describe miscellanies and anthologies Two senior scholars correct the misidentification of a scribe and in so doing uncover evidence of a Catholic

probably Jesuit priest and community in a trio of manuscripts Additional contributors show compilers interpreting attributing and arranging texts as well as passively accepting others editorial decisions While manuscript verse miscellanies remain appropriately central to the collection several essays also involve print and prose ranging from letters to sermons and even political prophecies Using extensive textual and bibliographical evidence the collection offers stimulating new readings of literature politics and religion in the early modern period and promises to make important interventions in academic studies of the history of the book *Investigation of the Assassination of President John F. Laws of Nature Xiaoping Hu, 2023-03-30 This Book provides new foundations for modern physics and natural philosophy In the past 100 years modern physics has been based on Quantum Concept Einstein's Relativity Theory and three equations Schroedinger Equation Klein Gordon Equation and Dirac Equation Relativity Theory not only is melted into the bones of modern sciences it has also deeply infiltrated liberal arts and philosophical thoughts of several generations As such Einstein was regarded world's greatest scientist in human history While modern physics has splendid achievements in the past 100 years it is now at a dead pass unable to solve many fundamental problems like graviton strong force double slit experiments quantum entanglement etc Worse the latest astronomical discoveries by the Webb Telescope has brought strong evidences against the Big Bang Theory that is based on General Relativity As such the whole modern physics is at jeopardy Through lifetime pondering and research the author has found that modern physics is on many shaky grounds and finally rebuilt physics without them This book is the culmination of his lifetime work most of its contents are published for the first time Chapter 1 provides a brief history of human cognition and discusses the criteria for discerning truth and fallacy Chapter 2 rigorously invalidates both Special Relativity and General Relativity from four different grounds pulling down all existing evidences that were claimed to support Relativity Theory Chapter 3 reviews the fundamental concepts in physics and natural philosophy and makes necessary corrections Chapter 4 gives a new theory on gravity and gravitons Chapter 5 re studies electromagnetics provides a complex set of Maxwell Equations and a new theory on electromagnetic wave Chapter 6 provides a new photon theory which not only satisfies all existing knowledge about photon but solves the problems of double slit experiment and quantum entanglement successfully Chapter 7 derives Schroedinger Equation from two basic physics principles and prove that the Schroedinger Wave Function does not represent particle state probability but its complex electric and magnetic field energies Error prong modern physics methods are also criticized Chapter 8 provides a new particle theory which not only solves the mystery of proton and neutron but can successfully construct atoms of large atomic numbers The new theory also reveals the secrets of strong force and weak force as well as chemical bonds Chapter 9 also rebuilds the foundation of thermodynamics by redefining entropy explicitly so to greatly simplifies the basic thermodynamics

equations Many well known results in thermodynamic and statistical physics are invalidated Chapter 10 also rebuilds the foundation of astrophysics First the main cause of star s light spectrum redshift is finally discovered Second the basic pressure and temperature equations inside stars are corrected Third new theories about stars galaxies and universe are provided which are consistent with observations and new physics theories in this book Fourth the true energy source in nuclear fission and fusion is discovered Chapter 11 discusses a few important things about life Chapter 12 discusses a few things that face human in the near future Appendix provides a comprehensive discussion on redshifts of star light spectrum and finally prove that quantum loss redshift is the main cause of star light spectrum redshift Appendix B proves that if Special Relativity is correct then General Relativity is not It also provides a simple closed form solution for photon s motion in gravity field While the author cannot guarantee correctness of everything in the book the new theories overcome the contradictions of existing ones and explain many more things that existing ones could not The most important thing is all the theories in the book are mutually consistent and therefore re enforce each other As such the author thinks that the GUT and TOE problems that physicists have dreamed along are now closed

**Italian Gothic Horror Films, 1980-1989** Roberto Curti,2019-02-15 The Italian Gothic horror genre underwent many changes in the 1980s with masters such as Mario Bava and Riccardo Freda dying or retiring and young filmmakers such as Lamberto Bava Macabro Demons and Michele Soavi The Church surfacing Horror films proved commercially successful in the first half of the decade thanks to Dario Argento both as director and producer and Lucio Fulci but the rise of made for TV products has resulted in the gradual disappearance of genre products from the big screen This book examines all the Italian Gothic films of the 1980s It includes previously unpublished trivia and production data taken from official archive papers original scripts and interviews with filmmakers actors and scriptwriters The entries include a complete cast and crew list plot summary production history and analysis Two appendices list direct to video releases and made for TV films
