Fear Failure And Flexibility:

Know When to Pivot Without Fear: Strategic Flexibility That Preserves Growth Simon Schroth, 2025-04-08

Pivoting is often necessary when the market shifts or a new opportunity arises but making a pivot can be intimidating. Know When to Pivot Without Fear teaches you how to identify the right moments for change and make strategic shifts that preserve your business's growth potential. This book outlines the signs that indicate when a pivot is necessary and how to make that transition smoothly without losing focus or resources. You'll learn how to assess risks, communicate changes to your team, and implement new strategies that align with your goals. The book also provides case studies of companies that successfully pivoted and came out stronger on the other side, giving you insights into how to execute your own pivot with confidence. If you're hesitant to make changes or unsure of how to pivot without risking your business, Know When to Pivot Without Fear gives you the tools to make strategic, well-timed adjustments that keep your business on the path to success.

Flexible Mindsets in Schools Julie Dunstan, Susannah Cole, 2021-11-29 *Flexible Mindsets in Schools* abandons painstaking evolution in favour of a bold transformative revolution. It blends research and easily implementable practice to drive solutions that give learners and educators the freedom to become self-directed, to unleash questioning, problem-solving, and creativity. This key text explores how to blend existing and new practices and unlock the potential of student agency as the pathway towards resilience and adaptation. The Flexible Mindsets Model fuses three components that rely on each other to drive self-directed learning: metacognition, I CAN mindset messages, and executive function processes. This book presents a roadmap for how to create an environment and culture where learners are aware of what works, when they feel safe to take learning-related risks, believe that they are capable, and have the tools they need to learn. *Flexible Mindsets*

in Schools will give educators hope that there is a way to revolutionise education to meet the needs of students during these uncertain times by taking small manageable steps
