**Will They Stand** Ken Ham, 2020-11-16 Our children are facing cultural giants that previous generations could never have imagined Secularism depravity immorality and apathy taunt Christians with a barrage of hate and intolerance Will our children be equipped to stand strong against these giants or will they be overcome That is the question Christian parents are asking In this book Ken Ham gives us a powerful message about the importance of raising strong believers who can stand in the face of a world that will challenge disparage and seek to eliminate their faith He also helps prepare parents to equip the next generation to thrive in the face of cultural adversity and emerge as tomorrow s Christian leaders

The Armenian Massacres of 1915-1916 a Hundred Years Later Flavia Lattanzi, Emanuela Pistoia, 2018-05-30 This peer reviewed book features essays on the Armenian massacres of 1915 1916 It aims to cast light upon the various questions of international law raised by the matter The answers may help improve international relations in the region In 1915 1916 roughly a million and a half Armenians were murdered in the territory of the Ottoman Empire which had been home to them for centuries Ever since a dispute between Armenians and Turkey has been ongoing over the qualification of the massacres The contributors to this volume examine the legal nature and consequences of this event Their investigation strives to be completely neutral and technical The essays also look at the broader issue of denial For instance in Turkey public speech on the matter can still trigger criminal prosecution whereas in other European States denial of genocide war crimes and crimes against humanity is criminalized However the European Court of Human Rights views criminal prosecution of denial of the Armenian massacres as unlawful In addition one essay considers a state s obligation to remember by looking at lessons learnt from the Inter American Court of Human Rights Another contributor looks at a collective right to remember and some ideas to move forward towards a solution Moreover the

book explores the way the Armenian massacres have affected the relationship between Turkey and the European Union

*Family Firms and Institutional Contexts* Giorgia Maria D'Allura, Andrea Colli, Sanjay Goel, Family firms represent over 90 per cent of businesses globally and play a significant role in the economies of many nations This innovative book takes an interdisciplinary cross national approach to the study of family firms as institutions as well as the relationship between family firms and external institutions In doing so it demonstrates the impact of these interactions both on the firms and institutions themselves and on the wider economic context Featuring in depth analysis of original research chapters take both theoretical and empirical approaches to explore the family firm as an organization and include several key case studies At a micro level the social and cultural unit of the family and its behaviour is investigated and at a macro level external institutional contexts are examined to explain and theorise firms behaviours and strategies covering areas such as innovation competitiveness and reputation The book provides important conceptual insights and critical empirical research as well as ideas for future research agendas *Family Firms and Institutional Contexts* will be a critical read for scholars and doctoral students in business and management particularly those with an interest in family firms Policymakers and practitioners in these areas will also find its insights of practical relevance
