*New American Commentary: Genesis 1-11:26* K. A. Mathews, 1995 **Commentary On Genesis 1:1-11:26** D.J. Letscher, 2020-01-28 As no part of the Bible is to be considered more important than any other part and there are no words of Scripture that we can do without the words of Genesis 1 11 26 are not considered any more or less important or noteworthy than another set of eleven chapters randomly found in Scripture These eleven chapters do however form the beginning of God's word to us and we are presented with history on a universal scale In my opinion it is the most sensible place to begin learning about our heavenly Father and about His eternal plan This approach will give a Bible student the fundamental knowledge that is essential to understanding all remaining Scripture This commentary will cover topics such as 1 The Creation of the Heaven and the Earth by God in Eternity Past Gen 1 1 and the Ruin in which they Ended Gen 1 2 2 The Six Days of Creation in Time Present Gen 1 2 31 Including the Sixth Day Creation of all mankind both male and female Gen 1 2 7 and the Blessing by God of the Seventh Day Gen 2 1 3 The Generations of the Heavens and of the Earth Gen 2 4 4 26 4 The Sixth Day Formation of Adam Gen 2 7 the Creation of Eve Gen 2 22 and Their Stay in the Garden of Eden 2 8 25 5 The Beguiling of Adam and Eve by Satan Gen 3 1 7 the Punishment Determined by God upon Satan Eve and Adam Gen 3 8 24 6 The Promise of a Savior Gen 3 15 7 The Birth of Cain and Abel the Murder of Abel by Cain and the Lineage of Cain Gen 4 1 24 8 The Lineage of Adam and the Antediluvian or Pre Flood Patriarchs Gen 5 1 31 9 The Fallen Angels and their Progeny the Giants Gen 6 1 7 10 Grace found only in Noah Gen 6 8 11 The Pedigree of Noah the Ark and the Flood Gen 6 9 9 29 12 The Generations of the Sons of Noah Gen 10 1 31 13 Nimrod and the Tower of Babel Gen 11 1 9 14 The Generations of Shem Gen 11 10 26 In addition below each verse of the eleven chapters covered selected words will be highlighted and both the equivalent Hebrew translation of the word as well as its definition will be given Definitions given are from The New Strong's Exhaustive Concordance of the Bible *Judgment and Salvation* Dustin G. Burlet, 2022-11-03 This book contends the text of the Noachian deluge narrative categorically underscores all God did to preserve life in spite of the disaster Despite the picture of devastation that the narrative depicts the prominent emphasis of the text is on deliverance and redemption i.e. salvation not judgment The focus of the Genesis flood is acutely bent towards God's salvific rather than punitive purposes

The arc of salvation within the flood narrative can be broken down into two main ideas Firstly God's intention for creation is not thwarted and secondly God commits himself to his intentions of creation God's intention for creation can be stated thus the establishment of order via covenant showing the sanctity of human life and the upholding of all life This involves in particular humanity as his image bearers including the lex talionis life for life principle

**The Exegesis of the Pentateuch** Jean Louis Ska, 2009 The studies collected in this book represent landmarks in the vast exegetical landscape of the Pentateuch In the first series of these studies Jean Louis Ska examines key texts from different perspectives and draws a map to show the way These texts are mainly the story of the flood Gen 6-9 the call of Abraham Gen 12-14 God's covenant with Abraham Gen 15 the Lord's apparition to Abraham in Mamre Gen 18 the sacrifice of Isaac Gen 22 the introduction to the Sinai covenant Exod 19-36 and the meal and the vision on the mountain Exod 24-9-11 Different methods are used according to the text or the topic treated literary criticism redaction criticism inner biblical exegesis and narrative analysis In the second part the author grapples with some basic issues in recent debates about exegetical methods the function of the narrator the validity of resorting to the category of redactor the nature and purpose of the biblical law collections and the legitimacy of a critical reading of the Old Testament The Pentateuch is a cantata with many voices and faithfulness to its nature means that the exegete has to use all the instruments at his or her disposal to make this old music be heard once again

**Adam: First and the Last** Simon Turpin, 2023-07-28 Are you prepared to defend the biblical account of Adam as a living man formed by God Many theologians pastors and philosophers now teach that the Adam we find in Genesis was a myth story or parable In Adam First and the Last Simon Turpin Ex Director of Answers in Genesis UK Europe reveals why understanding Adam to have been the first man created is critical for a consistent theological understanding of the biblical message of creation the fall and redemption If you deny the First Adam not only do you deny the sufficiency of Scripture and undermine its authority but you ultimately attack the life teaching and person of the Last Adam our Lord Jesus Christ Ken Ham CEO of The Ark Encounter Creation Museum Answers in Genesis The very teachings of Jesus regarding creation and the flood are being attacked on the basis that because of His human nature there was error in some of His teaching The theory of biological evolution though lacking evidence is why many reject Adam as a historical individual or see him as anything other than the originating head of the human race The church is facing a crisis because too few of her people and leaders understand the consequences of combining the Bible and evolution Sadly today more and more evangelical Christian scholars are having to redefine passages of Scripture because they have adopted the idea of evolution and millions of years into their thinking These questions may be the biggest doctrinal issues facing our generation and the church's attitude toward them could be a defining moment in Christianity Adam First and the Last will prepare you your family and your church to stand against today's false teachers and strengthen your faith in the infallible Word of God Turpin offers a true biblical apologetic that will be used for decades and even centuries to help the Body of Christ hold fast to their confession of faith without

*Human Dignity in Bioethics and Law* Charles Foster,2011-09-01 Dignity is often denounced as hopelessly amorphous or incurably theological as feel good philosophical window dressing or as the name given to whatever principles give you the answer that you think is right This is wrong says Charles Foster dignity is not only an essential principle in bioethics and law it is really the only principle In this ambitious paradigm shattering but highly readable book he argues that dignity is the only sustainable Theory of Everything in bioethics For most problems in contemporary bioethics existing principles such as autonomy beneficence non maleficence justice and professional probity can do a reasonably workmanlike job if they are all allowed to contribute appropriately But these are second order principles each of which traces its origins back to dignity And when one gets to the frontiers of bioethics such as human enhancement dignity is the only conceivable language with which to describe and analyse the strange conceptual creatures found there Drawing on clinical anthropological philosophical and legal insights Foster provides a new lexicon and grammar of that language which is essential reading for anyone wanting to travel in the outlandish territories of bioethics and strongly recommended for anyone wanting to travel comfortably anywhere in bioethics or medical law

Keeping Faith in an Age of Reason Dr. Jason Lisle,2017-09-20 Critics often claim that the Bible cannot be true because it has contradictions Other critics hear this claim and repeat it But few bother to check to see if it is really true A popular list of 439 alleged Bible contradictions has been circulating on the Internet for years Many critics refer to this list as the definitive proof that the Bible is flawed But apparently none of them bothered to actually check Interestingly not one of these 439 claims is a genuine contradiction This shows that critics generally do not perform careful scholarship When critics allege that the Bible has contradictions Christians should be ready and able to provide an intelligent answer The idea that people reject the Bible for good intellectual reasons is a myth and it needs to be exposed as such In the process of researching the biblical text we learn more about God and His sovereignty throughout human history The Bible really is supremely accurate and self consistent critics of the Bible are not Although there are a handful of Christian resources for answering alleged Bible contradictions none are so expansive in so short a volume Each answer is as concise as possible so that the book is not overly cumbersome Many Christians have heard the claim that the Bible has contradictions and they would like to be better equipped to answer the critic This book is for them      **Portraying Violence in the**

**Living in the Flesh by the Spirit** Brian H. Thomas, 2020-02-05 What does Paul mean by the flesh There is a great deal of confusion among laymen and disagreement among scholars on this issue Christians know that we are supposed to walk by the Spirit so that they will not gratify the desires of the flesh but it is not entirely clear what these expressions mean Furthermore Paul can also be confusing when he addresses the Christian's relationship to the flesh are we in the flesh or not This book clarifies these issues for us by exploring the different meanings of flesh throughout the Bible and analyzing the influence both of Old Testament conceptions of flesh as well as new salvation historical realities on Paul's thinking especially in the context of the controversy over circumcision in Galatians By carefully following Paul's thought we will also gain greater insight into other Pauline themes that intersect with his theology of the flesh new creation and his view of this age and the one to come Most importantly we will discover Paul's own program for our spiritual transformation so that we may live a life of Christlike love and service despite the moral weakness of our flesh

**Who Is My Neighbor?** Adam C. Sikorski, 2023-05-23 The cultural climate in America today presents polarizing subject matter manifested as societal pressures that divide communities and impact families and churches One of the main divisive issues is the topic of race and racism To effectively minister to diverse people in American communities people must increase in cultural competency unfortunately many people do not know what steps to take to fulfill the quest This book is about cultural competency More specifically addressing how a person can increase their cultural competency to minister more effectively within diverse American cities While many people desire to bridge the racial divide within their communities they basically do not know what to do which results in avoidance of the issue Utilizing Scripture culminating with the story of The Good Samaritan Jesus emphasizes a key principle within the conversation of racial reconciliation and cultural competency Jesus commanded the expert in the law to go and do Jesus's mandate is a call to action for church communities However to effectively engage one's neighbor particularly a neighbor that is different requires a certain level of cultural competency Therefore increasing one's cultural competency becomes a means to move from discussion towards action

**Defining the New Testament Logia on Divorce and Remarriage in a Pluralistic Context** Yordan Kalev Zhekov, 2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B Hays Moral Vision of the New Testament The author establishes the proper contextual grounds for the NT study through

formulation of the Old Testament perspective on marriage as covenant The relevant NT passages are examined through historical critical and narrative critical methods A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both Christian communities and the larger society within its legislative system     **An Almanack for the Year of Our Lord ...** Joseph Whitaker,1913     **The Fall Reconsidered** Igal

German,2016-05-27 The sin narratives of Genesis 3 and 4 have been scrutinized by biblical interpreters throughout the centuries Some exegetical traditions have separated the story of Cain Abel from the preceding Edenic narrative thus undermining the unity of the Primeval History The book synthesizes the sin narratives of Adam Eve and Cain Abel and examines a wide range of premodern biblical interpretations attesting to their literary and theological unity This study makes a case for reading these primordial narratives as one familial saga that conveys to the reader the origins of human defiance against God     **Exploring the Old Testament in Asia** Jerry Hwang,Angukali Rotokha,2022-11-07 Exploring the Old

Testament in Asia is the first evangelical Old Testament textbook written both from and for an Asian cultural context Rooted in the theological conviction that God still speaks through the Old Testament in all its fullness the twelve essays in this book address key theological issues pertinent to the diverse cultures and contexts of Asia Touching on topics from polytheism and kinship bonds to Scripture translation and the biblical conception of wisdom the writers position themselves in conversation with Asia s rich spiritual cultural and literary heritage The result is a theological contribution that is both contextually relevant and biblically faithful     *40 Questions About Creation and Evolution* Kenneth D. Keathley,Mark F. Rooker

,2014-10-10 Biblically and scientifically informed answers to pressing questions about the creation evolution debate This accessible volume evenly addresses the issues of modern science and the scriptural texts The conservative evangelical authors are well informed on contemporary scientific views of the universe and also carefully exegete the biblical texts that pertain to creation They irenically consider the various angles of the debate and make constructive suggestions to reconcile science and the Bible Those who are curious about the origins of life and the universe will want to read this book Seminary students and serious college students will find this information critical as an understanding of creation is vital to an effective apologetic in sharing the faith     **The Blessing of Abraham, the Spirit, and Justification in Galatians** Chee-Chiew

Lee,2013-08-12 What has the Spirit to do with the blessing of Abraham and justification This book challenges the common assumption that the Abrahamic blessing and the Spirit are equated in Gal 3 14 and points out how an accurate understanding of the relationship between these two motifs contributes significantly to appreciating Paul s overall argument in Galatians and his theology of justification Even though Paul does not cite Old Testament passages on the promise of the Spirit in Gal 3 1 14 his arguments are nonetheless deeply influenced by the whole prophetic tradition about the Spirit Most current discussions on the present and future aspects of justification have yet to consider the Spirit s role in the latter Given the

renewed interest in Pauline justification this book contributes to this important aspect of the Spirit's role in future justification which needs to be developed further in Pauline and New Testament theology
