All the Year Round, 1872

Sometime in Sorrento David M. Addison, 2007-02-28

Blundering about Sorrento and its environs in search of culture, the author unwittingly resists his wife's never-ending attempts to civilise him. From the heights of Vesuvius to the ruins of Pompeii and Herculaneum, along the

beautiful Amalfi coast and of course not forgetting Sorrento itself the authors propensity to get himself into cringe making embarrassing situations reaches new heights and plunges even deeper depths as he embarks on the second week of his holiday to Italy and takes up from where the first book *An Italian Journey* stopped Ubiquitous Dutchmen domineering drivers pestilential teenage girls a mafioso maitre d not to mention a glamorous older woman these are just some of the colourful characters whom the gods send to cross the authors path and severely try his patience whilst his own bungling incompetencies result in an hilarious narrative as he attempts to extricate himself from yet another fine mess he has got himself into With a fine eye for detail and his penchant for the off beat and the peculiar the writer describes not only the people and events but also the places he visits You may have visited Sorrento before but youve never seen it quite like this

The History of the 12th (Bermondsey) Battalion East Surrey Regiment John Aston, L. M. Duggan, 2012-03-26 The 12th E Surreys were raised on 14th May 1915 by the Mayor and Borough of Bermondsey and in October the battalion joined 122nd Brigade 41st Division the last of the Kitchener divisions It remained in the same brigade throughout the war A year later May 1916 the division arrived in France where the battalion served until November 1917 when they were sent to Italy In March 1918 they returned to France where the battalion remained for the rest of the war The authors have made every effort to be accurate in their account but the main aim has been to provide a narrative not so much for the general reader as for the members of the Battalion Association and their friends In pursuit of this aim they have included plenty of yarns using the actual words of the individual narrator which they believe will prove the best part of the volume In fact this is the most anecdotal unit history I have yet come across Reading it today some ninety years later it is clear that these personal contributions add a great deal to the story bringing a feeling of reality to the scenes being described There are plenty of references to individuals references which are always welcome in what amounts to a family history telling the day to day story of a close knit battalion There is no doubt it will have brought to mind those who died and will have helped to recall incidents localities friendships and dangers shared The division was one selected for the Army of Occupation in Germany and the battalion ended its war service on garrison duty in the Rhine bridgehead 217 officers and 4 487 other ranks served with the battalion during the war and total casualties amounted to 128 officers and 2 675 other ranks of whom 38 and 683 respectively died The appendices contain a wealth of information of great help to the researcher There is the nominal roll of officers and men who served with the battalion there is a list of cemeteries in which the dead are buried each is numbered and keyed to the Roll of Honour so the place of burial can be checked and there is the list of honours and awards This is a very comprehensive history
