every story and while Moriarty may not always tread strictly on the side of the law he is also in these novels not quite about the person that Holmes and Watson made him out to be In Kurland's fictions about Moriarty the truth is finally revealed The Infernal Device A dangerous adversary seeking to topple the British monarchy places Moriarty in mortal jeopardy forcing him to collaborate with his nemesis Sherlock Holmes Death by Gaslight A serial killer is stalking the cream of England's aristocracy baffling both the police and Sherlock Holmes and leaving the powers in charge to play one last desperate card Professor Moriarty The Paradol Paradox The first new Moriarty story in almost twenty years it has never before appeared in print Brilliantly and vividly evoking late Victorian England in all its facets this first ever omnibus of the adventures of Professor James Moriarty will delight longtime fans as well as readers new to the milieu When the Song of the Angels Is Stilled A S Croyle, 2015-02-26 It is Spring 1874 and twenty year old Sherlock Holmes is a lonely mopey friendless Oxford student He attends classes and spends countless solitary hours conducting chemical experiments reading and playing his violin Suddenly his life changes because of a serendipitous moment on campus While walking on the grounds of the university and practicing fencing moves with his foil he encounters Victor Trevor and his sweetheart Poppy Stamford younger sister of the man who will one day introduce Sherlock to Dr John Watson Having just attended the final rowing contest of Eights Week Victor and Poppy are also walking with her bull terrier When the dog decides he doesn't like the looks of Sherlock he sinks his teeth into Sherlock's ankle This dog bite incident becomes a life changing event for all of them Through his new friendship with Victor Trevor and encouraged by Victor's father to use his genius for detective work Sherlock discovers his uncanny abilities and a constellation of unfamiliar emotions as he and Poppy are thrust not only into a dangerous investigation into England's notorious baby farming industry but into the perilous realm of young romance Be an eyewitness to the emergence of how Sherlock became the man and the legend we know today **The Poisoned Pawn** Richard T. Ryan, 2022-09-14 A quiet morning at Baker Street is thrown into turmoil by the arrival of Inspector Lestrade who informs Holmes a man's body has been discovered in the Tower Bridge which was then under construction That grisly event proves to be the opening salvo in a terrifying game of wits between Holmes and an unknown adversary Determined to make Sherlock Holmes suffer the ruthless foe launches a campaign of terror against the Great Detective However instead of striking at Holmes directly this nemesis targets those in the Great Detective's limited circle of friends and acquaintances Stymied Holmes must first ascertain why he has been targeted because he cannot retaliate until he discovers who is behind this persecution With moves and countermoves gambits declined and accepted the struggle soon evolves into a human chess game between Holmes and a grandmaster of evil where each move might have untold consequences on the lives and reputations of those on both sides **Film Adaptation and Its Discontents** Thomas Leitch, 2007-06-15 Most books on film adaptation the relation between films and their literary sources focus on a series of close one to one comparisons between specific films and canonical novels This volume identifies and investigates a far wider array of problems posed by the process

of adaptation Beginning with an examination of why adaptation study has so often supported the institution of literature rather than fostering the practice of literacy Thomas Leitch considers how the creators of short silent films attempted to give them the weight of literature what sorts of fidelity are possible in an adaptation of sacred scripture what it means for an adaptation to pose as an introduction to rather than a transcription of a literary classic and why and how some films have sought impossibly close fidelity to their sources After examining the surprisingly divergent fidelity claims made by three different kinds of canonical adaptations Leitch s analysis moves beyond literary sources to consider why a small number of adapters have risen to the status of auteurs and how illustrated books comic strips video games and true stories have been adapted to the screen The range of films studied from silent Shakespeare to Sherlock Holmes to The Lord of the Rings is as broad as the problems that come under review **Blood on the Stage, 1950-1975** Amnon Kabatchnik,2011-04-14
