Goodbye Mr President:

Time Briton Hadden, Henry Robinson Luce, 1928 Reels for 1973 include Time index 1973 **Stranger Than Fantasy** George J. Mauro, 2009-03 Fantasy is a phenomenon that affects all of us more than we consciously recognize Are we not constantly daydreaming or dreaming of the future pondering our wishes and desires Or do too many people accept things as they are readily to concede all appearances as gospel Stranger Than Fantasy is a collection of forty fantasy short stories Each story should be taken for what it is for the most part an entertaining excursion of fiction that challenges one's thoughts one's acceptance of reality Hopefully after reading my stories the readers will look at their lives their life situations a little differently and finally stand up and exclaim That which is is not and that which is not is And if that happens then I think the world will be a little bit better off today than it was yesterday George Mauro American Foreign Policy Current Documents, 1983 *The JFK Report* Trevor Holman, 2019-03-29 On November 22nd 1963 U S President John Fitzgerald Kennedy was assassinated as he was riding with his wife Jackie alongside him in an open top motorcade along Dealey Plaza in Dallas Texas According to the Warren Commission's Report JFK had been shot and killed by lone gunman Lee Harvey Oswald The majority of people around the world found the final conclusions of the Warren Commission's Report completely incredulous and quite frankly totally unbelievable In fact the report was soon dubbed the greatest work of fiction ever published and to this day there has never been a definitive explanation of what happened on Dealey Plaza that day that has managed to satisfy everyone John Fitzgerald Kennedy was the first last and only Roman Catholic ever to hold the office of President of the United States and most people looking on would have thought that a Roman Catholic President in the White House would be wonderful news for the Church of Rome But in the Vatican the current incumbent Pope John XXIII was not at all pleased by the news and he saw JFK with his numerous illicit affairs and sexual dalliances as a massive threat to the good name teachings reputation and above all the moral guidance of the worldwide Roman Catholic Church Pope John XXIII made his decision *The Outcome* John Coleman II, 2022-08-01 Daniel G Harvey a common man becomes the fortyaEURfifth president of the United States Using the power of the truth he returns control over government back to the people Politicians declare his acts devastating but have no way to stop the change Through it all this outspoken nonpolitician swears his actions are right for the country but is he correct Chief Justice Brown leans in So you don't contest that your actions have caused this Revolution Daniel slowed his words Sir if you are asking are we seeking a World Revolution yes I believe we are The United States is in the midst of a Second Revolution Today we carry the torch but soon our actions will become the establishment for the rest of the world Chief Justice shouts Mr Harvey how can you be so sure Daniel laughs I suggest the establishment does not get in the people's way This is a story about one man's journey to make a difference The Outcome delves deep into the philosophical role of government and tasks its readers to ask if Daniel's actions can work in today's United States Written to spawn thought and debate it further answers the question if people can be trusted to govern themselves *The*

Eighteen-Day Running Mate Joshua M. Glasser, 2012-07-31 No skeletons were rattling in his closet Thomas Eagleton assured George McGovern's political director But only eighteen days later after a series of damaging public revelations and feverish behind the scenes maneuverings McGovern rescinded his endorsement of his Democratic vice presidential running mate and Eagleton withdrew from the ticket This fascinating book is the first to uncover the full story behind Eagleton's rise and precipitous fall as a national candidate Within days of Eagleton's nomination a pair of anonymous phone calls brought to light his history of hospitalizations for nervous exhaustion and depression and past treatment with electroshock therapy The revelation rattled the campaign and placed McGovern's organization under intense public and media scrutiny Joshua M Glasser investigates a campaign in disarray and explores the perspectives of the campaign's key players how decisions were made and who made them how cultural attitudes toward mental illness informed the crisis and how Eagleton's and McGovern's personal ambitions shaped the course of events Drawing on personal interviews with McGovern campaign manager Gary Hart political director Frank Mankiewicz and dozens of other participants inside and outside the McGovern and Eagleton camps as well as extensive unpublished campaign records Glasser captures the political and human drama of Eagleton's brief candidacy Glasser also offers sharp insights into the America of 1972 mired in war and anxious about the economy a time with striking similarities to our own

Dog Day Rage Prince Alpha Dominion, 2015-01-31 Follow Montana Otonovo a crack Secret Service Agent and his Red Team as they battle insurgencies from the Boko Haram and other clandestine terror groupings in Nigeria The story is double edged as it also involves Montana Otonovo a Christian engaging in a personal war of love to win and marry his heartthrob Zarina Turaki a Muslim against all odds When everything else failed it was love that prevailed Find out how Also find out how Montana Otonovo showed extraordinary gallantry in foiling the attempted assassination of a former sitting President of Nigeria Mr Bo Bella Johnson by the military and the dog day rage attack unleashed by an unknown terror group during the swearing in of the newly elected successor President Dan Kano Balewa How did Montana Otonovo do all of these and still lived to tell the story another day It is a compelling epic encounter skillfully crafted for your reading pleasure

Play It One More Time Jim Pickens, 2013-10-16 While 50 year old Jack Phillips a jazz trumpet player is driving to his gig at the Famous Door in New Orleans fantasizing about his favorite scenario If I had known then what I know now he has an accident and wakes up in the hospital 23 years in the past January 1968 He remembers what happened 1968 one of the most turbulent years in modern American history It was a terrible year the Korean capture of the Pueblo the Tet Offensive in Vietnam the assassinations of Martin Luther King and Robert Kennedy the Klan killings civil rights and anti war riots in the streets the Chicago riots at the Democratic convention What should he do Could he actually change history for the better Should he even try What about the unintended consequences of his actions How could he find someone in the government high enough to have access to the President Jack writes two of his predictions to his U S Senator John Stennis When Jack's second prediction comes true Senator Stennis begins to believe his story and

relays his information to the Attorney General because he doesn't trust J. Edgar Hoover. Hoover laments that a senator has information before the FBI does. He assigns two of his sociopathic special operatives to discover Stennis' source. Jack has a physical confrontation with one of them and makes the now crippled operative a lifelong enemy bent on revenge. Did he actually change any of the tragic events of 1968? Were there unintended consequences of his actions? This historical fiction is full of political intrigue, FBI corruption, the societal tumult in the streets, organized crime, and a true picture of the jazz music scene of New Orleans at the time. Artificially Intelligent Simon Allen Patterson, 2020-01-31. Imagine finding a spaceship just full of technology, several hundred years ahead of us. And there are no flight controls. It is piloted by a sentient, formally sapient artificial intelligence. It has powerful weapons that could destroy our planet and medical technology that promises immortality. Can we humans, with our biological intelligence, bridge the gap with this electronic artificial intelligence and survive? What's in it for Simon, the name of this tantalizing spacecraft? Citizens Militia David T. Maddox, 2018. For readers who love *Screw Tape Letters* and books by Joel Rosenberg like *The Copper Scroll*, a battle rages for the Soul of America. In the first pages, readers are placed amid a terrorist attack in Chicago and the planning of more attacks in the Homeland on a massive scale. Congress is ready to sell out and cave to terrorist demands. Threats from the sky are looming, and a strike on Israel is imminent. How will America deal with this new axis of evil? Will they suffer the same fate as Israel in the hands of the Romans? Are we on the brink of the apocalypse prophesied more than 2,500 years ago? In this celestial chess game, people with vastly different agendas plan their next move. One side seeks to control by cunning, passion, and deception. The other seeks to give people the Truth. An age-old spiritual war is taking physical dimensions. 7,000 miles from Washington, D.C. in Tehran, Iran, the vilest of terrorist attacks is in the final stages of preparation. The real battle rages for people's hearts and minds. Light versus dark, good versus evil, and no setting is more perfect than modern-day America. *Uncivil Servants* Ian R. Kelley, 2012-11. Tragedy strikes America when Air Force Two, the vice president's plane, goes missing somewhere over the Pacific. President Peter Stewart wants answers. How could this have happened? Furthermore, if it happened to Air Force Two, who's to say an attack on Air Force One won't happen during the president's trip to Asia? Special Agent Michael Forbes has sworn to keep the president safe. With the country on high alert, Michael must keep his eyes open for any incoming threats, especially when the president plans to attend Korean reunification talks in South Korea's capital city of Seoul. There are those in the region who hope to keep North and South Korea decidedly separate. Japan feels threatened by the possibility of a united Korea. The industrial might of one Korea could have devastating results on Japan's economy, and government leaders are willing to do anything to maintain the status quo, even kill. They have agents in Seoul, but they aren't prepared for Michael Forbes, who will stop at nothing to protect the president, preserve peace, and put violent terrorists in their place. *Ultimatum From Onus* Warren Bell, 2010-09-30. The book *Ultimatum From Onus*. They came in 2035 to prepare planet Earth for eventual colonization by their own citizens. These small beings had selected Earth many thousands of years before.

to become their new home when planet Onsus burned out They came in their huge sophisticated spacecraft and set up a base in Australia s outback They introduced a new culture to the whole world and insisted upon its adoption despite tremendous resistance from the human inhabitants The populace feared them The warmongers attacked them but they resisted all attempts to remove them In the end they forcibly imposed their will upon the citizens of the world and the whole world changed forever Impeachment Sandy Shanks,2002 Mr Shanks has written an excellent and exciting controversial novel of contemporary fiction in the style of Tom Clancy and Patrick Robinson with all its high tech and swift movement around the globe It is a political thriller a legal thriller and sophisticated warfare thriller all rolled into one It begins with a devastating attack on one of America s enemies But something went wrong Both the U S Congress and the World Court take exception and a young American President is in serious trouble impeachment before the House and serious charges against him in the World Court Toss in another attack caused by the first with its deadly consequences a Constitutional crisis involving the Air Force and a disaster in the Middle East and the reader will feel compelled to finish this one at the first sitting unable to put the book down **Conversations with Carter** Jimmy Carter,1998 Jimmy Carter participated in more than two hundred interviews between 1976 and 1996 In the twenty three conversations presented here highly regarded interviewers lead President Carter to clarify his public stands and private beliefs The dialogue created through these encounters demonstrates the growth of a principled man encapsulating the major debates and concerns of the last quarter of the American Century

VIETNAM: RIGHT? or WRONG? J. Randolph Maney Jr,2023-03-10 Edward R Morrow once said Anyone who isn t confused about Vietnam really doesn t understand the situation For many this quote is as true in 2023 on the 50th Anniversary of the war s end as it was when the war ended therefore it now seems timely to take another look at all this confusion The situation in Vietnam was to be sure confusing to many who wanted to know from the very beginning why the United States became involved in those foreign rice paddies some 7 000 miles away and it was equally confusing at the end to many who wanted to know why the United States after it lost so much blood and treasure abandoned its ally to communism in 1975 In an attempt to address these and other questions this account begins years before America became involved in Vietnam and ends years after it left The Vietnam War proved to be a watershed moment in American history and I have picked this anniversary year to look back in time through a geopolitical lens to try and better understand that era And a better understanding of that moment in time might also prove helpful to understanding current events because past could well become prologue when it comes to completing unfinished business in Afghanistan and when it comes to ending the war in Ukraine *A Panther's Father II* James Brown,2019-04-12 Granny Z or Zella Roosevelt a cherished and beloved 105 year old ancient storyteller continues telling her amazing children tales encompassing her family s history from within a blind alleyway in New York City to youngsters seeking life s acceptance and love And as always her rebellious grandson known as the Panther or JeanPaul follows life s challenging paths and is now a Most Wanted man in the dangerous world of

underground fight fighting Granny Z's son Ricky Roosevelt and Ricky's best friend Buster Brocks continue trying to protect Los Angeles as LAPD Supervisors Jean Paul's mother is now married to Terry Bradhearst who makes daily financial decisions that impacts the world God is in this book And Jesus And the Holy Spirit And God's Angels There is also Officer Oliver Colonel Bradley and General Reynolds And Victoria Roosevelt who is also known by her fellow US Marines as Vicious The President's Ladies Bernard F. Dick, 2014-04-14 Ronald Reagan a former actor and one of America's most popular presidents married not one but two Hollywood actresses This book is three biographies in one discovering fascinating connections among Jane Wyman 1917 2007 Ronald Reagan 1911 2004 and Nancy Davis b 1921 2016 Jane Wyman who married Reagan in 1940 and divorced him seven years later knew an early life of privation She gravitated to the movies and made her debut at fifteen as an unbilled member of the chorus then toiled as an extra for four years until she finally received billing She proved herself as a dramatic actress in *The Lost Weekend* and the following year she was nominated for an Oscar for *The Yearling* and soon won for her performance in *Johnny Belinda* in which she did not speak a single line Other Oscar nominations followed along with a Golden Globe for her portrayal of Angela Channing in *Falcon Crest* Conversely Nancy Davis led a relatively charmed life the daughter of an actress and the stepdaughter of a neurosurgeon Surrounded by her mother's friends Walter Huston Spencer Tracy Katharine Hepburn Lillian Gish and Alla Nazimova her godmother Davis started in the theater then moved on to Hollywood where she enjoyed modest success and finally began working in television When she married Reagan in 1952 she unwittingly married into politics eventually leaving acting to concentrate on being the wife of the governor of California and then the wife of the president of the United States In her way Davis played her greatest role as Reagan's friend confidante and adviser in life and in politics This book considers three actors who left an indelible mark on both popular and political culture for more than fifty years *Mr. President--* William Heller, 1980 **Confirmed or Denied** E. Leo Darby, 2009-09-28 From the conception of the U S Intelligence Community it has been challenged to produce high grade intelligence to support the President and other key policy makers It has done an excellent job Now the intelligence community is faced with a new challenge one it never had to face before although as critical to the United States as any in the past How would they apply their spy craft to this new unexpected crisis You be the judge as you read and analyze this incredible event Please note All statements of fact opinion or analysis expressed are those of the author and do not reflect the official positions or views of the CIA or any other U S Government agency Nothing in the contents should be construed as asserting or implying U S Government authentication of information or Agency endorsement of the author's views This material has been reviewed by the CIA to prevent the disclosure of classified information **Weekly Compilation of Presidential Documents** , 1994
