The Mafia Nate Hendley, 2013-08-27 Based on original sources and research not legends and myth this book presents a lively in depth analysis of how the American Mafia epitomizes organized crime Whether it s supplying illicit drugs alcohol during Prohibition gambling prostitution or even loans to those with bad credit the Mafia has established itself as a part of the fabric of American society politics and economics for over a century The Mafia continues to exist not only because of their immense power that allows their criminal organization to defy law enforcement but because demand remains strong for what they offer This book utilizes verifiable information about the Mafia based on newspaper and magazine accounts police and FBI documents court records and the author s own original research to offer a deeper analysis of the Mob that

provides historical social economic and cultural context Fascinating biographical sketches that profile well known Mafiosi such as Charles Lucky Luciano and John Gotti are also presented **This Thing of Ours** David Lavery,2002 In a first season episode of The Sopranos Tony Soprano is once again in conflict with his uncle Carrado Junior Soprano Tony is in no mood for conciliation but neither is Junior who warns his nephew not to return unless he is armed Come heavy he insists or not at all As a work of popular culture a ground breaking television series and a cultural phenomenon The Sopranos always comes heavy not just with weaponry but with significance The cultures of the United States Great Britain and Canada Australia and even Italy where it premiered in the spring of 2001 have come under its influence and contributed to the cultural conversation about it Talk discourse about The Sopranos has migrated far beyond the water cooler and not all of it has been praise David Chase s The Sopranos has also received starkly contradictory critical assessments In the eyes of Ellen Willis whose seminal essay in The Nation is reprinted in this volume for example the HBO series is the richest and most compelling piece of television no of popular culture that I ve encountered in the past twenty years a meditation on the nature of morality the possibility of redemption and the legacy of Freud Others have condemned it for racial and sexist stereotypes excessive violence and profanity These eighteen essays consider many facets of The Sopranos its creation and reception the conflicting roles of men and women the inner lives of the characters obesity North Jersey the role of music and even how food contributes to the story Philadelphia's Black Mafia S.P. Griffin,2005-12-08 Philadelphia s Black Mafia could be used as primary reading in deviance and organized crime courses Academicians in the fields of criminology sociology history political science and African American Studies will find the book compelling and important This book provides the first sociological analysis to date of Philadelphia s infamous Black Mafia which has organized crime with varying degrees of success in predominantly African American sections of the city dating back to the late 1960 s Philadelphia s Black Mafia is a first step in developing both data and sophisticated theoretical propositions germane to the ongoing study of organized crime uses primary source documents including confidential law enforcement files court transcripts and interviews explores the group s activities in detail depicting some of the most notorious crimes in Philadelphia s history thoroughly examines the organization of the Black Mafia and the group s alliances conspiracies and conflicts challenges many of the current historical and theoretical assumptions regarding organized crime Doctor Dealer George Anastasia,Ralph Cipriano,2021-10-26 Dr James Kauffman and his wife April were the perfect couple a respected endocrinologist and a beautiful radio host But under the surface lurked a world of drugs sex and biker gangs A world Dr Kauffman would kill to keep secret In May 2012 April Kauffman a well known local radio personality and staunch advocate of military veterans rights was found shot to death in the bedroom of the home she shared with her husband Dr James Kauffman Six years later in the fall of 2018 Freddy Augello a leader of the notorious motorcycle gang the Pagans went on trial for drug dealing and murder He was charged with arranging the death of April Kauffman in exchange for 50 000 from her husband who in addition to practicing medicine was

one of the area's most prolific drug traffickers Told by two accomplished reporters and authors with exclusive insights and details provided by two principal players this is the story about one man's descent into evil and the people he took with him It is a story about a doctor who helped flood the streets with opioids about a husband who hid dark secrets from his wives and about a man so consumed with greed and arrogance that he thought he could get away with murder *The Complete Idiot's Guide to the Mafia* Jerry Capeci,2005-01-04 Offers a comprehensive overview of the world's most notorious criminal organization tracing the history of the Mafia changes in the ranks and power following the conviction of key members and their diverse roles in cities across the United States **The Last Gangster** George Anastasia,2005-03-01 It's over You'd have to be Ray Charles not to see it former New Jersey capo Ron Preville on the mob today As a cop Ron Preville was corrupt As a mobster he was brutal And in his final role as a confidential informant to the FBI Preville was deadly The Last Gangster is his story the story of the last days of the Philadelphia Mob and of the clash of generations that brought it down once and for all For 35 years Ron Preville roamed the underworld A six foot 300 pound capo in the Philadelphia South Jersey crime family he ran every mob scam and gambit from drug trafficking and prostitution to the extortion of millions from Atlantic City In his own words Every day was a different felony By the 1990s Preville an old school workhorse found himself answering to younger mob bosses like Skinny Joe Merlino who seemed increasingly spoiled cocky and careless Convinced that the honor of the business was gone he became the FBI's secret weapon in an intense and highly personalized war on the Philadelphia mob Operating with the same guile wit and stone cold bravado that had made him a force in the underworld and armed with only a wiretap secured to his crotch Preville recorded it all the murder the mayhem and even the story of mob boss Ralph Natale's affair with his youngest daughter's best friend Preville and his FBI cronies eventually prevailed securing the convictions of his nemeses Skinny Joey Merlino and Ralph Natale **Screening the Mafia** George S. Larke-Walsh,2010-04-20 The post classic era of American gangster films began in 1967 with the release of *Bonnie and Clyde* achieving a milestone five years later with the popular and highly influential *The Godfather* This historical study explores the structure myths and intertextual narratives found in the gangster films produced since *The Godfather* The intense relationship between masculinity and ethnicity in the gangster film especially within the movie generated mythology of the Mafia is carefully analyzed and the book tracks the trends in the genre up to and including the landmark HBO television series *The Sopranos* 1999-2007 A selected filmography is included Instructors considering this book for use in a course may request an examination copy here *The Messenger* Karl Evanzz,2011-09-07 Here eagerly anticipated is the definitive biography of Elijah Muhammad n Eliza Poole a sharecropper's son with a fourth grade education who became one of the most controversial Americans of the twentieth century the founder and Prophet of the Nation of Islam a movement dedicated to black separatism and self empowerment Though Muhammad's main argument that white people were innately evil devils he called them ran counter to the precepts of orthodox Islam he was the chief influence in the conversion of nearly four million African Americans to Islam touching in

the process the lives of figures ranging from Muhammad Ali and Jesse Jackson to Malcolm X and Louis Farrakhan But in his desperate grasp for power Muhammad also amassed a huge personal fortune at the expense of his followers He was a party to ritualistic homicides had illicit affairs galore and was quick to betray his friends and charges most notably Malcolm X In brief he violated every ideal and principle that he espoused With the cooperation of some of Elijah Muhammad's children and former apostles and with access to previously unreleased FBI files Karl Evanzz gives us an unprecedented account of the life of the man whose philosophy continues long after his death to shape race relations in America Homicide Investigation John J. Miletich, 2003 Professionals in law enforcement and those considering law enforcement as a career students of sociology psychology criminal justice and law and criminology courses and readers of true crime literature will find this book an engaging and informative reference BOOK JACKET *Being Oscar* Oscar Goodman, 2013-05-21 In *Being Oscar* one of America's most celebrated criminal defense attorneys recounts the stories and cases of his epic life The Mafia's go to defender he has tried an estimated 300 criminal cases and won most of them His roster of clients reads like a history of organized crime Meyer Lansky Nicky Scarfo and Lefty Rosenthal as well as Mike Tyson and boxing promoter Don King along with a midwife a dentist and a federal judge After thirty five years as a defender he ran for mayor of Las Vegas and America's greatest Mob lawyer became the mayor of its sexiest city He was so popular his image appeared on the 5 25 and 100 chips While mayor of Vegas he starred on the screen in *Rush Hour 2* and *CSI* He is as large a character in the history of organized crime as any of his clients and as legendary a figure in the history of Las Vegas as the entrepreneurs his friends and clients who built the city This is his astonishing story the truth the whole truth and nothing but the truth The Gilligan Tapes Jason O'Toole, 2023-09-04 John Gilligan is no altar boy by his own admission One of Ireland's most infamous criminals and drug lords and widely believed in the court of public opinion to have ordered the cold blooded murder of journalist Veronica Guerin he remains a defiant figure In this remarkable book the first of its kind journalist Jason O Toole distills hours of sensational face to face no holdsbarred interviews with the feared criminal into a fast paced and jaw dropping account of the Irish gangland scene And Gilligan doesn't mince his words I didn't believe in God but I know I'm going to hell Starting out as a petty thief in Dublin Gilligan rose to the status of crime lord earning 10 million from drugs within his first two years He mixed with serious criminals such as Martin the General Cahill Gerry The Monk Hutch Patrick Dutchy Holland and John Traynor He was deeply involved with money laundering miraculously survived an assassination attempt and it is said he has millions stashed away at a secret location O Toole demands answers from Gilligan for all the hard questions some of his responses will make readers shiver Gilligan knew that laying all his cards on the table could mean signing his own death warrant But he has done it here And with a cast of all the country's deadliest underworld figures this exposé is nothing short of explosive *Mobfiles* George Anastasia, 2008 A compilation of some of Philadelphia Inquirer reporter George Anastasia's best work told from street level and often based on insights provided by investigators prosecutors and the mobsters

themselves *Drugging the Poor* Merrill Singer, 2007-08-10 Singer offers a fresh set of ideas for understanding how the global socioeconomic system insures that massive quantities of psychotropic drugs reach the poorest sectors of American society *Drugging the Poor* provides a unified theoretical framework to assess how all drugs including tobacco heroin alcohol cocaine and diverted pharmaceuticals contribute to maintaining social inequality among the wealthier and poorer social classes in American society Singers analysis rejects conventional approaches that see tobacco or alcohol manufacturers and distributors on the one hand and drug cartels and mafias on the other as completely different entities Instead he shows how legal and illegal drug corporations share key features and follow the same economic principles He also emphasizes that mixing legal and illegal drugs to self medicate against social discrimination poverty and structural violence offers short term relief but in the long run it functions to maintain an unjust and oppressive system *Drugging the Poor* actively challenges the assumption that how things are is how they always have been or how they need to be *True Crime, New Jersey* Patricia A. Martinelli, 2007 The history of criminal offense in New Jersey is documented in this book beginning with a general survey of crime in the state and then focusing on its headline cases including the Lindbergh baby kidnapping the John List killings the mob activities that inspired *The Sopranos* and the murder that led to Megan s Law *The Complete Idiot's Guide to the Mafia, 2nd Edition* Jerry Capeci, 2005-01-04 You never go against the family Here is the most comprehensive introduction to and explanation of the most infamous crime organization in history Completely updated with more than 70 pages of new material and photographs it includes information about the shifts in power and tightening of ranks of different families after convictions of their key members new inside information on the role of the families in Chicago Boston Las Vegas Rochester and even Montreal and updates on the DeCavalcante family who bragged they were the real *Sopranos* on FBI wiretaps More than 70 pages of new material Full of dramatic anecdotes and photos about everything from Capone to Gotti and beyond Written by acclaimed expert author and reporter of all things Mafia in his weekly online column Gang Land ganglandnews.com **The Prediction and Control of Organized Crime** Jennifer Schrock, 2017-10-24 Like most former Soviet republics Ukraine has experienced a formidable proliferation of crime and corruption as it struggles with economic reform and the establishment of democracy During the early 90s Ukraine became one of the primary recipients of foreign assistance from the United States and its crime and corruption situation was increasingly seen as an impediment to economic transition and achieving a more democratic way of life Thus in 1998 as part of a larger U S law enforcement assistance effort in Ukraine the idea for a research partnership between criminologists and legal scholars in the two countries was born in this volume The original research papers contained are the products of this ambitious research project The realities of crime in post Soviet Ukraine as well as divergent methodological approaches and communication problems presented the research partners with enormous challenges This volume represents the culmination of that collaborative effort and provides a singular look into the current crime situation in Ukraine and into the potential global threat presented by Ukrainian organized crime Contributions

include analyses of the prediction and control of organized crime trafficking in women and children for sexual exploitation international money laundering the transnational political criminal nexus of trafficking in women countermeasures against economic crime and corruption heroin trafficking business victimization by organized crime and understanding and combating organized crime The Prediction and Control of Organized Crime will be critical reading for security planners policymakers and criminal justice officials as well as comparative criminologists legal scholars and political scientists interested in organized crime and political corruption More Like Brothers Raymond Lombard,
