Lessons from Solomon Glen A. Blanscet, 2018-06-08 Everyone wants to be successful The problem though is that most people misunderstand what constitutes true success The world defines success in terms of our accomplishments the fame and fortune we achieve and the recognitions we receive all of which are fleeting and temporary successes at best True success however is based upon our character the relationship we have with God and the glory God receives from our lives So how do we achieve this level of success Lessons from Solomon answers this question by looking at the life of King Solomon a

man who not only achieved success by the world's standards but also had and lost true success that comes from knowing God
