Gorbachev's Economic Dilemma An Insiders View:

Gorbachev's Economic Dilemma Olimpiad Solomonovich Ioffe, 1989 Studies Gorbachev's recent economic reforms exploring which have the potential for genuine and lasting impact Explains how the Soviet economic system works and why Gorbachev's economic reforms are unfortunately but inevitably doomed by the realities of that system **Gorbachev's Economic Dilemma** Olimpiad Solomonovich Ioffe, David A. Rome, 1991-12-01 **Gorbachev's Economic Dilemma** Olimpiad Solomonovich Ioffe, 1989 Published by Merrill Magnus Publishing Corporation One Merrill Circle St Paul MN 55108 New views on the Soviet problems in reforming their economy and on the dilemma of reforming the state without destroying it Annotation copyrighted by Book News Inc Portland OR **1978-1989** Heinz-Dietrich Fischer, 2020-01-20 No detailed description available for 1978 1989 **The Revival of Private Law in Central and Eastern Europe** Donald D. Barry, George Ginsburgs, William B. Simons, 2023-12-18 This series critically examines issues of legal doctrine and practice in Central and Eastern Europe including studies on the harmonization of legal principles and rules the legal impact of the intertwining of domestic economies on the one hand with regional economies and the processes of international trade and investment on the other The series offers a forum for discussion of topical questions of public and private law from domestic regional and international perspectives Comparative research that provides insights in legal developments that can be communicated to those interested in questions not only of law but also of politics economics and of society of countries in the region also finds a home in the series For information about a related title visit the webpages of the Brill journal Review of Central and East European Law [Politics, Paradigms, and Intelligence Failures](#) Ofira Seliktar, 2015-05-20 Washington's failure to foresee the collapse of its superpower rival ranks high in the pantheon of predictive failures The question of who got what right or wrong has been intertwined with the deeper issue of who won the Cold War Like the disputes over who lost China and Iran this debate has been fought out along ideological and partisan lines with conservatives claiming credit for the Evil Empire's demise and liberals arguing that the causes were internal to the Soviet Union The intelligence community has come in for harsh criticism for overestimating Soviet strength and overlooking the symptoms of crisis the discipline of Sovietology has dissolved into acrimonious irrelevance Drawing on declassified documents interviews and careful analysis of contemporaneous literature this book offers the first systematic analysis of this predictive failure at the paradigmatic foreign policy and intelligence levels Although it is focused on the Soviet case it offers lessons that are both timely and necessary [New East Asian Economic Development: The Interaction of Capitalism and Socialism](#) Lily Xiao Hong Lee, 2016-09-16 This text documents the economic development of East Asian countries in order to highlight the beneficial techniques used to increase growth Socialist and capitalist structures are discussed complete with an analysis of the future extent of interaction between East Asian countries **Russian Leaders** Alexander Dragomiroff, 2002 Russian Leaders A Bibliography With Indexes *States And Markets* Guoli Liu, 2019-06-21 Initial excitement in the West over the reform of Soviet communism

under Gorbachev and then euphoria over the disintegration of the USSR have now been replaced by concern controversy and sometimes despair over prospects for democracy and a market economy in the countries of the former Soviet Union Despair is reflected in the popular joke that the transition from a communist centrally planned economy to a capitalist market economy is like the transition from fish soup to an aquarium Only time will tell if the aquarium analogy holds water Meanwhile as policy makers in Russia and elsewhere in the former Soviet Union grapple with strategies tactics and details scholars and policy advisors continue to debate questions of sequence timing and appropriate models

Russia and the Independent States Daniel C. Diller, 1993 Combines the sections on early Russian and Soviet history which appeared in the third edition of *The Soviet Union* CQ 1990 with material drafted anew in mid to late 1992 to place the revolution of 1991 1992 in historical context The chronological format of Part I topical arrangement of Part II and regional focus of Part III provide different perspectives on the continuum of Russian Soviet and post Soviet eras Annotation c Book News Inc Portland OR booknews com

Disruption Michael De Groot, 2024-03-15 In *Disruption* Michael De Groot argues that the global economic upheaval of the 1970s was decisive in ending the Cold War Both the West and the Soviet bloc struggled with the slowdown of economic growth chaos in the international monetary system inflation shocks in the commodities markets and the emergence of offshore financial markets The superpowers had previously disseminated resources to their allies to enhance their own national security but the disappearance of postwar conditions during the 1970s forced Washington and Moscow to choose between promoting their own economic interests and supporting their partners in Europe and Asia De Groot shows that new unexpected macroeconomic imbalances in global capitalism sustained the West during the following decade Rather than a creditor nation and net exporter as it had been during the postwar period the United States became a net importer of capital and goods during the 1980s that helped fund public spending stimulated economic activity and lubricated the private sector The United States could now live beyond its means and continue waging the Cold War and its allies benefited from access to the booming US market and the strengthened US military umbrella As *Disruption* demonstrates a new symbiotic economic architecture powered the West but the Eastern European regimes increasingly became a burden to the Soviet Union They were drowning in debt and the Kremlin no longer had the resources to rescue them

The American Bibliography of Slavic and East European Studies, 1990 **Loyola of Los Angeles international and comparative law journal**, 1994 **Sage Public Administration Abstracts**, 1990 *International Regulatory Competition and the Securities Laws*, 1992 Continuity, 1996
