Diving to the Bottom of Your Eyes hierro blanco, 2014-02-21 *Diving to the Bottom of Your Eyes* is the love story between two young men It starts in Madrid in the early seventies during the last years of the very strict and conservative Franco regime and involves characters directly linked to the social and political establishment It has been a short pure explosive and at the same time dramatic relation that left

enduring memories and scars in the surviving partner It is written forty years later this means in the present time by the surviving partner in an utterly poetic and moving style As it is said in the text durable relations sometimes do not take a long time to consolidate they may well be quickly built in very robust terms and also quickly destroyed often all done by the same actors in absolute voluntary terms human nature is surely volatile or even very treacherous **Respect David**

Ritz,2024-09-24 This illuminating biography presents a remarkably complex portrait of Aretha Franklin s music and her tumultuous life Rolling Stone Aretha Franklin began life as the golden daughter of a progressive and promiscuous Baptist preacher Raised without her mother she was a gospel prodigy who gave birth to two sons in her teens and left them and her native Detroit for New York where she struggled to find her true voice It was not until 1967 when a white Jewish producer insisted she return to her gospel soul roots that fame and fortune finally came with a rapidfire string of hits including the immortal anthem Respect Aretha continued to evolve for decades amidst personal tragedy surprise Grammy performances and career reinventions Again and again Aretha stubbornly found a way to triumph over troubles even as they continued to build Her hold on the crown was tenacious and in Respect David Ritz gives us the definitive life of one of the greatest talents in all American culture *Catalog of Copyright Entries* Library of Congress.
