Riches,

Loss and Redemption: One Woman's Journey Marti Eicholz,2016-06-08 An educator from Indiana moves to California a new culture to start a new life She soon finds she is ill equipped for her new surroundings but rises like a storm to overcome or conceal any deficiencies She is arrogant and self confident becoming a high society lady hosting lavish events and outlandish parties She and her husband travel world wide They have multiple homes They care for their family They entertain their friends They give back to their community They support various charities They never ever discuss their own needs wants and providing for their future In all the excitement and pleasure they neglect themselves and the spiritual divine spark that brought them together This story is one of having wealth going through a calamitous downfall collapse and failure and coming out the other side with simplicity and contentment It is a life filled with abundance affluence some would say a life being lived in the lap of luxury It is a life filled with languish distress misery desperation wretchedness and dashed hopes It is a life filled with sorrow remorse penance sack cloth and ashes It is a life filled with recovery redemption atonement and satisfaction It is life filled with love praise and forgiveness

The Extended Hand Marti Eicholz,2018-06-05 The Extended Hand is a contemplative memoir that covers two seemingly separate lives When Robert answers the phone he has trouble understanding his neighbor s question What do you mean there s a notice in today s paper listing our condo for sale Through the kitchen windows he can see the ocean waves rolling in toward the Maui beach Surely there must be a mistake But when he calls his wife Marti on the eastside of Seattle he learns the truth Yes I filed for bankruptcy Once as a child Marti fell through an open manhole into a sewer and was rescued by the extended hand of a caring man Now even though her business mistakes have wiped out the assets of a thirty year marriage Marti Eicholz discovers that her husband is another man capable of extending a hand to someone in need The Extended Hand is the first person story of how I came to that point of having to tell the man I loved that I had lost all our worldly goods without giving him a warning Only in retrospect did I understand why I the daughter of a charismatic fundamentalist preacher with a need to control his family was driven to excel and perform perfectly As an adult I found it hard to love myself when my first marriage ended after ten years I was still a virgin and went into a web based business venture when the Internet was still a novelty unable to acknowledge that I was in an emotional black hole My story is also that of one preacher s daughter who learns to accept the extended hand of the living Jesus cleansed of the rules and exclusions imposed on it by a narrow fundamentalist view of the bible s truths My marriage is alive and thriving today because I have finally learned to accept the gifts that are yours when someone extends their hand in love and you accept it in humility and gratitude
