Cats Academy Hemda Gila,2014-05-14 **Trends in Immigrant and Native Employment** Steven A.

Camarota,2009-09 This report finds that immigrants have been hit somewhat harder by the current recession than have native born Americans Immigrants legal and illegal now have significantly higher unemployment than natives This represents a change from the recent past when native born Americans typically had higher unemployment rates The picture is complex with the least and most educated immigrants experiencing the largest increases in unemployment relative to natives

However the least educated immigrants still have a lower unemployment rate than their native born counter parts Tables and graphs **YAQUI MYTHS AND LEGENDS - 61 illustrated Yaqui Myths and Legends** Anon E. Mouse,2018-09-27 AS

LATE AS the 1950 s no thorough collection or study has been made of Yaqui folklore At this time only about a score of Yaqui stories were to be found in published form The 61 Yaqui folk and fairy tales and 90 pen and ink drawings in this comprehensive volume go quite a way to correcting this HEREIN you will find stories like Yomumuli And The Little Surem People The Ku Bird The Wise Deer Tasi o Sewa Yuku When Badger Named The Sun Mochomo The Walking Stone The Stick That Sang Cho oko Baso plus many more YAQUI FOLK literature also expresses the tribe s sense of the sacred and material value of their territory and the antiquity and distinctiveness of their customs As such you will also find stories of War Between The Yaquis And The Pimas and The Wars Against The Mexicans For most of the 19th C the Mexican government baited the Yaquis captured and sold them off as indentured workers then confiscated their land and moved settlers in But the Yaquis fought back There is also the story of the Peace At Pitahaya which was signed in 1909 STORY TELLING among the Yaquis is quite informal There is no socially determined time or place for relating the myths or tales except in the case of pascola stories which are told at fiestas Nor are there special persons who are supposed to tell the myths or tales Yaquis say that stories are most often told by men or women in the evenings when a group happens to be gathered in the ramada or in the house by the fire They also tell stories when working in the fields However some of the older Yaquis indicate that story telling used to be more formalised in the time of their parents or in their own youth The more the pity as there is no better way of keeping a culture alive than through story telling WE INVITE YOU to curl up in front of your hearth with the fire crackling and spitting Then open this this unique sliver of Yaqui culture not seen in print for many a year and immerse yourself in the tales and fables of the ancient American South West KEYWORDS TAGS fairy tales folklore myths legends children s stories children s stories bygone era fairydom fairy land classic stories children s bedtime stories fables cultural setting Arizona Mexico South Western USA storytelling narrators yomumuli little surem people ku bird wise deer tasi o sewa yuku badger named the sun mochomo wax monkey false beggar stick that sang two bears walking stone sun moon five friends takochai man buzzard snake people omteme juan sin miedo boy became king kaiman big bird wars against the Mexicans war between the yaquis and the pimas peace at pitahaya malinero okai first deer hunter death kutam tawi flood
