Sexual Practices of the Druids Jon G. Hughes, 2013-09-21 A step by step guide to the ancient tradition of sex magic as practiced by generations of Celtic Druids. Details a wide range of sex magic rituals that may be used by couples, groups and solitary practitioners. Explains how to channel, intensify and project your sexual energy for magical purposes. Provides instructions for crafting the necessary ritual tools including wands, chalices, cauldrons and attire and for brewing the potions that accompany these rites. One of the Druid's most powerful tools, sex magic harnesses and projects the immense natural energy produced by orgasm to liberate your consciousness from everyday awareness and influence reality at will. With more than 50 years in the Druidic tradition, Jon Hughes reveals the fundamentals of Celtic sex magic passed down secretly from generation to generation. He explains how to channel, intensify and project your sexual energy for magical purposes and offers authentic instructions for a wide range of sex magic rituals that may be used by couples, groups and solitary practitioners. In addition to the steps of preparation and closure for each ritual, he describes the workings of the 9 stages of the sex magic ritual: Awakening, Augmentation, Intensification, Quickening, Orgasm, and Projection, Continuance, Relaxation, Scattering and Gift. Hughes provides detailed instructions for crafting and consecrating the necessary ritual tools including wands, chalices and cauldrons and for brewing the potions that accompany these rites.
