## **Fatal Illusions Shredding A Dozen Unrealities That Can Keep Your Organization From Success:**

Fatal Illusions James Raymond Lucas, 2001-03 Why do our best efforts at change always seem to stall What stops us from moving forward Although we blame other things our own illusions are usually the true culprit When we harbor fatal illusions we base our behavior on what we wish to be true about our organization or the marketplace rather than on what really is true We treat symptoms while core problems fester unchecked But there is hope Fatal Illusions shows how to recognize and shred 12 major illusions with significant power to harm you and your organization These illusions involve too comfortable beliefs about mission statements teamwork incentives quality benchmarking communication and other big issues that soak up time and resources but fail to deliver lasting value Throughout the book self tests help you pinpoint the illusions lurking in your organization Then you ll learn proven specific techniques for uprooting these fallacies one by one You ll also learn how to deal with illusions in your own professional and even personal relationships Deeper and more far reaching than virtually any other management book Fatal Illusions is your guide to becoming unstuck in business and in life High-Performance Ethics Wes Cantrell, James R. Lucas, 2013-04-26 Do you have to lower your ethical standards in order to succeed at your job High Performance Ethics authors Wes Cantrell and James Lucas say that the answer is no The authors outline ways to make ethical decisions based on the Ten Commandments that lead to highly successful business practices High Performance Ethics includes tips on how to lead a team with integrity practical tools for resisting the pressure to compromise workplace standards and encouragement for workers who want to see strong businesses and strong values thrive 10 Principles First Things Only priorities Ditch the Distractions Align with Reality never claim support for a bad cause Find Symmetry Respect the Wise Protecct the Souls Commit to the Relationships Spread the Wealth Speak the Truth Limit Your Desires

**Psychoanalytic Insights into Social, Political, and Organizational Dynamics** Seth Allcorn, Howard Stein, 2021-08-16 This fascinating interdisciplinary work explores U S politics since 2015 and offers psychodynamic insights into the unconscious undercurrents of contemporary culture and politics in the United States Allcorn and Stein expertly lead readers up the steep learning curve of understanding the Trump era by exploring seven key elements of recent political dynamics Using the complementary psychodynamic models of object relations Group Relations and Karen Horney s tripartite theory this book makes sense of the Age of Trump and its chaotic world of alternate facts conspiracy theories reality TV politics hoax pandemics and the sweeping chaos of life in the United States This sense making relies on two triangulations The first represents the complex systemic political scene The second uses three psychoanalytic theories to understand social political and organizational dynamics This book is a key resource for helping readers know and understand ourselves our fellow citizens colleagues family friends and what Trump and his followers call them such as liberals and foreign immigrants as well as both the larger polarized social and political context in the United States today The book also provides concrete examples of how these discoveries can be operationalized both in organizations and at the level of national government and

leadership This book is an essential reading for students in organizational behavior including leadership and how governments operate as well as behavioral health professionals consulting or offering therapy to organizations

**Knowing the Unknowable God** James R. Lucas, 2010-05-19 Meet the God Who Is Greater Than Your Biggest Questions The Bible never shies away from seeming contradictions We are told both to resist our enemies and to love them and that our all knowing God can sometimes forget Unable to reconcile such biblical paradoxes some people abandon Christianity while others pretend that the seeming contradictions don't exist preferring to believe in an uncomplicated easy to comprehend God Yet countless others are hungry for new insight into the God behind the Bible's mysterious paradoxes Responding to this spiritual hunger James Lucas delves into the mysteries of Scripture demonstrating that biblical contradictions are actually exquisite paradoxes that enlarge our understanding of God With this book as your guide you can embrace the paradoxes of Scripture and pursue honest answers to your hardest questions The study of biblical paradox leads to greater devotion to the majestic God who makes himself known even while he surpasses human understanding Today you can begin Knowing the Unknowable God
