to consider the foundations and tribal marking of organised religion especially of their own Devout Christians will find this book to be a very challenging read Calmly they each discard their belief that Christ was the only Son of God Christ s message however love Thy neighbour as Thyself is happily acknowledged as the only way of ensuring the continuing survival of the Human Race Weaving around this main theme are several honest if rather robust love stories At appropriate points the debilitating effect of loneliness is sympathetically portrayed and arguments against committing suicide are also presented Kirkus reviews An engaging tale The story is strong and the erotica is nicely balanced by the humanity of the characters
