Saying Goodbye... J. Bennett Barr, 2009-08 Each of us deals with the difficult task of talking to children about death and funerals at some point in our lives Children are aware of far more than many people give them credit for and this book is designed to help both parent and child deal with the loss of a loved one This uniquely written book from a child's perspective gives simple yet concise explanations of the physical and spiritual aspects of death and the events surrounding a funeral The words speak for themselves with support from the child like drawings in an effort to demystify these events for children and allow parents an avenue for discussion during a difficult time for everyone involved The presentation page with a presented to in loving memory of and presented by section allows this to be a treasured keepsake for a child and a gift of love from the giver

Mindgarden Paul Galloway, 2008-02 Mindgarden Volume II is a continuing reflection of life's ultimate journeys by a poet who is not afraid to look candidly at some of the most troubling experiences humans encounter throughout their lifetimes The second in the seven volume Mindgarden series Paul A Galloway contemplates the human voyage through some of life's most tragic events the pain of the unexpected death of a loved one the disappointment of broken promises the fear of living in incarceration and the sting of abandonment by those once trusted Galloway openly shares the darkness of these times the evil witnessed the pain experienced and the new hope leading to recovery Galloway warns that your thoughts your deeds are all accountable and encourages us to catch the shadow of the past while you still can His poems illustrate that the injured human spirit can recover leading to enlightenment compassion and forgiveness In The Love You Give Galloway says Our body is one As our spirit is whole Now it's time to move on To God's loving arms hold Mindgarden Volume II sheds light on life's darkest corners experiences that once fully felt can result in a new world of personal mental and spiritual growth

**Blues Legacies and Black Feminism** Angela Y. Davis, 2011-10-05 From one of this country's most important intellectuals comes a brilliant analysis of the blues tradition that examines the careers of three crucial black women blues singers through a feminist lens Angela Davis provides the historical social and political contexts with which to reinterpret the performances and lyrics of Gertrude Ma Rainey Bessie Smith and Billie Holiday as powerful articulations of an alternative consciousness profoundly at odds with mainstream American culture The works of Rainey Smith and Holiday have been largely misunderstood by critics Overlooked Davis shows has been the way their candor and bravado laid the groundwork for an aesthetic that allowed for the celebration of social moral and sexual values outside the constraints imposed by middle class respectability Through meticulous transcriptions of all the extant lyrics of Rainey and Smith published here in their entirety for the first time Davis demonstrates how the roots of the blues extend beyond a musical tradition to serve as a consciousness raising vehicle for American social memory A stunning indispensable contribution to American history as boldly insightful as the women Davis praises Blues Legacies and Black Feminism is a triumph
