**For Our Eyes Only** Lazarus, 2013-10-28 The material that you will find in this book is very interesting This is about everyday situations that a person might run into or who has already The author has done more living in the first 32 years of his life than most people do in their whole life I try to write in everyday language what a person might go through and feel in his emotions happy sad divorce military etc Some of my friends have had some of my writings and have liked them So I decided if readers like my writings then I will try to put them in the public's eye Let man decide or woman decide If he or she accepts my thoughts as they relate to his or her life then I will accomplish my goal I love writing and that's what I do best That way I only have to depend on myself *Encyclopedia of Television Series, Pilots and Specials* Vincent Terrace, 1985

Shakespeare Translated Herbert R. Coursen, 2005 Shakespeare's works are constantly being translated into new contexts a fact which demonstrates the vitality of his plots in contemporary settings Shakespeare Translated looks at the way certain plays particularly Romeo and Juliet Hamlet Othello and King Lear have been recontextualized into films like O and King of Texas or television shows such as The Gilmore Girls Cheers and Clueless This book illustrates how Romeo and Juliet is the most shamelessly appropriated of Shakespeare's scripts for contemporary use because its plot fits so neatly into the teenage culture that has burgeoned since the late 1950s Shakespeare Translated looks at what has happened to Shakespeare for better or more often for worse as the new millennium begins
