

Gospels And Jesus

Leo Tolstoy, Dustin Condren

Gospels And Jesus:

The Gospels and Jesus Graham Stanton, 2002-03-08 Jesus of Nazareth and the four New Testament gospels continue to fascinate people from many cultural and religious backgrounds Who was Jesus Are Christian claims about him supported by solid historical evidence How reliable are the evangelists portraits of Jesus which were written some fifty years after his crucifixion These questions can be explored only on the basis of a sound grasp of the intentions and methods of the four evangelists Professor Stanton insists that the evangelists are concerned with both the story and the significance of Jesus of Nazareth Part I of this book examines the distinctive emphases of all four evangelists and discusses the apocryphal gospels with special reference to the Gospel of Thomas Part II deals with the ways of assessing the evidence for Jesus and explores his teaching intentions and the reasons for his downfall This book pays particular attention to appropriate methods for careful study of the gospels and the historical Jesus to provide an excellent textbook and a penetrating study for the general reader NEW TO THIS EDITION Every chapter updated to take account of recent scholarly developments Fuller discussion of literary criticism chapter 2 the Gospel of Thomas chapter 7 archaeological evidence chapter 8 and methods for reconstructing the teaching of Jesus chapter 9 Bibliography is extended updated and partly annotated New cross references added to increase usability Map now included Material within some chapters and sub sections has been reorganised to increase accessibility Biblical quotations are now taken from the NRSV text New larger format and text design Jesus and the Gospels Craig L. Blomberg, 2009 This second edition of Jesus and the Gospels prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Craig Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries The original 1997 book won a Gold Medallion Award from the Evangelical Christian Publishers Association and this updated version factoring in new scholarship debate critical methods and the ongoing quest of the historical Jesus ensures the work will remain a top tool for exploring the life of Christ through the first four books of the New Testament Jesus and Gospel Graham Stanton, 2004-07-08 Publisher Description *The Past of Jesus in the Gospels* Eugene E. Lemcio, 2005-08-22 The aim of this study is to show that the Evangelists to an extent hitherto unrecognized wrote narratives which set out to distinguish Jesus's time from their own Such an effort Professor Lemcio explains went beyond their merely putting verbs in past tenses and dividing their accounts into pre and post resurrection periods Rather they took care that terminology appropriate to the Easter appearances did not appear beforehand and that vocabulary used prior to Easter fell by the wayside afterwards The author shows that words common to both eras bear a different nuance in each and that the idiom used is seen to suit the time These are not routine or incidental expressions but reveal what Jesus the protagonist and the Evangelists as narrators believed about the Gospel the Christ the messianic task and the nature of salvation This much becomes apparent from a study of the internal evidence and by next turning to data outside the Gospels the author attempts to show how biographical and historical writings of the

ancient world may prove useful in separate efforts to reconstruct the course of Jesus's life Lemcio shows how expectations for idiomatic and linguistic verisimilitude in Graeco Roman historical and biographical writing were met and often exceeded by the Evangelists His study thus makes a valuable contribution towards our understanding of the literary art of the Gospel narratives and highlights a literary sensitivity on their writers part which has failed to receive the critical attention it deserves *The Many Gospels of Jesus* Philip Wesley Comfort, Jason Driesbach, 2008-03-16 In the wake of The DaVinci Code and the recent discovery of The Gospel of Judas there has been an increased interest in the ancient books commonly known as the Gnostic Gospels This volume compares the Gnostic Gospels with the four gospels in the Bible *Jesus, Paul, and the Gospels* James D.G. Dunn, 2011-05-03 This compact theological primer from a widely respected scholar offers a well integrated and illuminating approach to a variety of basic issues in the study of the New Testament Provided by publisher

Scripting Jesus L. Michael White, 2010-04-15 The acclaimed author of *From Jesus to Christianity* reveals how and why the gospels were written in this groundbreaking work of Biblical scholarship The greatest story ever told was honed like any good performance on the road in front of audiences In *Scripting Jesus* acclaimed scholar of early Christianity L Michael White demonstrates that the gospel stories of Jesus were never meant to be straightforward historical accounts but instead they were each crafted with particular theological agendas for the ears of particular listeners White challenges us to read the gospels as they were intended as performed stories of faith not factual accounts and illuminates the agendas that motivated each of their authors A fresh account of the gospels that have shaped centuries of Christian belief *Scripting Jesus* offers important insight into how we can understand Jesus's story today *Simulating Jesus* George Aichele, 2015-01-30 Can the different pictures of Jesus in the New Testament be reconciled Or are they simply simulations the products of a virtual Gospel *Simulating Jesus* argues that the gospels do not represent four versions of one Jesus story but rather four distinct narrative simulacra each of which is named Jesus The book explores the theory and evidence justifying this claim and discusses its practical and theological consequences The simulations of Jesus in each of the gospels are analysed and placed alongside Jesus simulacra elsewhere in the Bible and contemporary popular culture *Simulating Jesus* offers a radical understanding of Scripture that will be of interest to students and scholars of biblical studies *Four Portraits, One Jesus, 2nd Edition* Mark L. Strauss, 2020-03-24 A thorough introduction to the four biblical Gospels and their subject the life and person of Jesus Like different artists who render the same subject using unique styles and points of view the Gospels paint four distinctive portraits of the same Jesus of Nazareth To Christians worldwide he is the centerpiece of history the object of faith hope and worship Even those who do not follow him admit the vast influence of his life With clarity and insight biblical scholar Mark Strauss illuminates these four books addressing the following important areas The nature origin methods for study and historical religious and cultural backgrounds of each of the Gospels A closer study of the narratives and themes found in Matthew Mark Luke and John and their contribution to our understanding of Jesus A detailed examination of what the

Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels For anyone interested in knowing more about Jesus study of the four biblical Gospels is essential This fully updated textbook together with its workbook video lectures and laminated sheet gives students everything they need for a thorough and enriching study of Jesus and the Gospels *Jesus Tried and True* H. H. Drake Williams,2013-01-11 Are the gospels found within the New Testament superior to others Has the church unfairly chosen Matthew Mark Luke and John while leaving out many others Are there truly lost Christianities that would enrich our understanding of Jesus Would modern day seekers as well as followers of Jesus be better served by including gospels outside of the New Testament in their understanding of Jesus *Jesus Tried and True* answers these questions by examining the date source and reception of the canonical gospels of Matthew Mark Luke and John and then comparing this data with the other gospels It assesses this information by looking within these gospels and also evaluating early church history examining the writings of early church writers such as Papias Ignatius of Antioch Justin Martyr Irenaeus and Eusebius It then compares these findings with the date source and reception of the non canonical gospels that have received the most attention lately such as the Gospel of Thomas Gospel of Mary Gospel of Judas Gospel of Philip and Gospel of Peter There is also a brief survey of thirteen of the most important non canonical gospels The survey provides an opinion on the dependence of these upon the gospels within the New Testament *Jesus Tried and True* affirms the superiority of the New Testament gospels It concludes by addressing whether non canonical gospels are lost Christianities and also whether the designation apocryphal is appropriate for other gospels Discovering Jesus? T. Desmond Alexander,2010-11-03 If asked how Matthew s Gospel differs from Luke s or what aspects of Jesus personhood and ministry the Gospel of Mark focuses on compared to those of John how would you answer In *Discovering Jesus* T D Alexander sets out to help readers understand how each Gospel account is uniquely written and why all four are important for having a rich picture of the person of Jesus Christ Alexander guides readers to see how the Gospels display Jesus as the Son of David who establishes the kingdom of God the Son of God who suffers to ransom others the Savior of the world who seeks the lost and the Lamb of God who brings eternal life through a new exodus Each chapter ends with discussion questions for individual or group study **The Life and Ministry of Jesus** ,2007 *The Life and Ministry of Jesus* takes a chronological look at Christ s life by blending the Gospels into a single story Covers Matthew through John Written in the style of the popular Standard Lesson Commentary the Standard Reference Library provides a thorough yet concise look at the Bible from Genesis to Revelation With three Old Testament volumes and two New Testament the Standard Reference Library is ideal for lay Bible teachers small group leaders or any student of the Bible who wants to combine solid exposition of the Scripture text with practical application for today The Jesus of the Gospels Andreas Köstenberger,2020-03-31 A reader friendly guide to the life and teachings of the Jesus of the Gospels *The Jesus of the Gospels* brings together the best elements of a survey of the Gospels and a commentary on the Gospels to help

readers know Jesus and understand the good news Drawing on decades of experience teaching and writing on the Gospels Andreas K stenberger presents a holistic portrait of Jesus by leading readers through an in depth study of Matthew Mark Luke and John Each chapter explores one gospel account beginning with a short introduction that highlights the gospel s individual distinctives followed by an outline of the book K stenberger breaks each gospel into short sections explaining the meaning and how it sheds light on Jesus and His mission Numerous sidebars maps and diagrams highlight supplemental information and regular Recap sections summarize key points For those interested in further study footnotes point to useful resources In addition to helping readers follow the storyline and theology of each gospel K stenberger also emphasizes practical application showing readers how to apply what they re learning to their lives Ideal for those who are new to the study of the Gospels and for instructors looking for an accessible introduction based on solid scholarship The Jesus of the Gospels offers readers and students to the riches of the Gospels and a deeper knowledge of Jesus and the good news

Portraits of Jesus Michael R. Cosby, 1999-11-01 This book provides a learning by doing approach to the study of the Gospels It allows students to uncover literary patterns theological issues and interpretive problems through close readings of primary sources Questions are asked along the way that help readers understand the shape of the narrative and the themes important to each Gospel writer

The Gospel in Brief Leo Tolstoy, Dustin Condren, 2011-02-15 The greatest novelist of all time retells the greatest story ever told the life of Jesus Christ in The Gospel in Brief Leo Tolstoy s riveting novelistic integration of the four Gospels into a single twelve chapter narrative Virtually unknown to English readers until now Dustin Condren s groundbreaking translation from the Russian opens a precious new world of Tolstoy s masterful literary talent to fans of War and Peace and Anna Karenina

Jesus is the Christ: The Messianic Testimony of the Gospels Michael F Bird, 2012-06-01 Explains the importance of the title and role of Messiah in each of the Gospels and argues that Christianity was a messianic movement rooted in its Jewish context Michael Bird engages the subject of the messianism of the four Gospels While the title and role of Messiah ascribed to Jesus in the Gospels has long been regarded as a late add on a fabricated claim or an insignificant feature Bird argues in contrast that the messianic claims are the most significant for the portrayal of Jesus

Jesus and the Gospels Clive Marsh, Steve Moyise, 2015-09-24 This book offers an ideal introduction to the Gospels and explains why it is that scholars and lay people have such different understandings of the person of Jesus The first half of the book looks at the main sources for the life of Jesus principally the Gospels of Matthew Mark Luke and John but also the so called apocryphal Gospels The second half of the book begins with an examination of the criteria employed by scholars to determine the earliest and most reliable forms of the tradition The third edition interacts with developments in modern scholarship particularly the advance of memory studies With study questions at the end of each chapter updated reading lists and a new chapter bringing scholarship up to date the third edition of this classic text will provide a perfect companion for students coming to grips with academic study of Jesus and the Gospels

Four Gospels, One Christ Michael

John Hooton,2016-06-03 The four Gospels are the only books in the Bible to tell the same story from four different angles Together they show us not only what Jesus was like and how he lived but how his life can become the model for our own Four Gospels One Christ offers an overview of the three years of Jesus public ministry what he did and how he did it as seen through the eyes of Matthew Mark Luke and John And by exploring the themes that run through the four Gospels it invites us to reflect on what it really means to follow Jesus *Jesus and His Biographers* William Henry Furness,1838

Introducing Jesus Mark L. Strauss,2018-04-24 To Christians worldwide the man Jesus of Nazareth is the centerpiece of history the object of faith hope and worship Even those who do not follow him admit the vast influence of his life For anyone interested in knowing more about Jesus study of the four biblical Gospels is essential An abridged edition of the bestselling textbook *Four Portraits One Jesus* by Mark Strauss this simple easy to understand guide introduces the four biblical Gospels and their subject the life and person of Jesus Like different artists rendering the same subject using different styles and points of view the Gospels paint four distinctive portraits of the same remarkable Jesus With clarity and insight Mark Strauss addresses questions that surround the study of Jesus and the Gospels What are the Gospels are they history theology biography Where did they come from What do we know about their context What does each Gospel uniquely teach us about Jesus Finally he pulls it all together illuminating what the Gospels together teach about Jesus ministry message death and resurrection and how do we know we can trust their witness Including questions at the end of each chapter for group discussion or personal reflection *Introducing Jesus* makes the words history and context of the Gospels come alive for readers

Whispering the Strategies of Language: An Emotional Journey through **Gospels And Jesus**

In a digitally-driven earth where monitors reign great and quick conversation drowns out the subtleties of language, the profound secrets and emotional subtleties concealed within words usually move unheard.
