dream of becoming a commercial artist Ed Ruscha first came into prominence in the early 60s with his large word paintings and paintings of commercial icons such as Twentieth Century Fox and Standard Station that related in manner and style to the nascent Pop art movement Drawing on a variety of sources that also included his own drawings prints and artist s books Ruscha was often associated with the west coast cool style but ultimately his work confounded the art world with its sly and elusive sense of deadpan humor as seen in his series of bird paintings and in the liquid word paintings that rounded out the decade The Edward Ruscha Catalogue Raisonn of Paintings is a five volume series under the general editorship of the Gagosian Gallery and is a co publication between Gagosian Gallery and Steidl Verlag Volume One contains 137 paintings printed in full color from Ruscha s student period to the Pop and Conceptual inflected word paintings of the 60s The catalogue includes a comprehensive exhibition history bibliography and biographical chronology as well as an appreciation by former Menil Collection director Walter Hopps and an essay exploring Ruscha s pioneering use of language as a subject matter by art historian Yve Alain Bois of Harvard University Set in Franklin Book type and printed on acid free 170 gram Job Parilux paper each volume of the catalogue has a stitched binding and a cloth cover with silver colored embossing protected by an embossed slipcase Specifications for subsequent volumes are the same All reproductions were converted to digital form thanks to which process it has been possible to restore the reproductions of long lost paintings

Edward Ruscha Edward Ruscha,Rainers Crone,Petrus Schaesberg,2009-08-31 Ed Ruscha s drawings constitute as rich a body of work as his paintings and his books as the National Gallery of Art s Cotton Puffs Q tips Smoke and Mirrors show of 2005 amply demonstrated Authorized by the artist Volume 1 of the Edward Ruscha Catalogue Raisonne of Works on Paper 1956 1969 collects approximately 550 sketches studies and drawings each presented in chronological order with color reproduction As a definitive resource the catalogue provides title year medium and dimensions along with location origin exhibition history and a bibliography of the works This first volume collects Ruscha s earliest works from his apprenticeship years as an art student along with sketch ideas drafts of book covers studies for oil paintings and drawings of words often executed in such unusual materials as gunpowder vegetable juices petroleum jelly tobacco stain and sometimes even in graphite and pastels All of these works propose Ruscha as a profoundly premeditative artist for whom sketches are an essential first step on the way to a well executed final product They also expose Ruscha as an artist whose finished drawings always invoke their conceptual dimension particularly so when the materials are unusual paradoxically over their texture thus opening a breach between signifier and the word as icon As noted critic and art historian Dave Hickey observes The mystery of Ed Ruscha s drawings begins with drawing itself with its peculiar status in the history of Western art where it has always occupied an equivocal position between the realms of objects and ideas

Edward Ruscha Lisa Turvey,2022 This third volume of the catalogue raisonn of Ed Ruscha s works on paper documents more than 1 000 works created between 1998 and 2018 The third volume of this extraordinary catalogue raisonn project compiles the unique works on paper that celebrated American artist Edward

Waldie, Ed Ruscha, 2016-07-12

The renowned artist Ed Ruscha was born in Nebraska grew up in Oklahoma and has lived and worked in Southern California since the late 1950s Beginning in 1956 road trips across the American Southwest furnished a conceptual trove of themes and motifs that he mined throughout his career The everyday landscapes of the West especially as experienced from the automobile gas stations billboards building facades parking lots and long stretches of roadway are the primary motifs of his often deadpan and instantly recognizable paintings and works on paper as well as his influential artist books such as *Twentysix Gasoline Stations* and *All the Buildings on the Sunset Strip* His iconic word images declaring *Adios Rodeo* *Wheels over Indian Trails* and *Honey I Twisted through More Damn Traffic to Get Here* further underscore a contemporary Western sensibility Ruscha's interest in what the real West has become and Hollywood's version of it plays out across his oeuvre The cinematic sources of his subject matter can be seen in his silhouette pictures which often appear to be grainy stills from old Hollywood movies They feature images of the contemporary West such as parking lots and swimming pools but also of its historical past covered wagons buffalo teepees and howling coyotes Featuring essays by Karin Breuer and D J Waldie plus a fascinating interview with the artist conducted by Kerry Brougher this stunning catalogue produced in close collaboration

with the Ruscha studio offers the first full exploration of the painter's lifelong fascination with the romantic concept and modern reality of the evolving American West Published in association with the Fine Arts Museums of San Francisco
