Gun Control Restricting Rights Or Protecting People:

Gun Control Sandra M. Alters, 2009 A compilation of facts and statistics on gun control in the U S discussing the history of the right to bear arms firearms laws and regulations related court rulings guns and crime injuries and fatalities guns and youth public attitudes and gun control laws *Gun Control* Information Plus, 2003-05-30 **Gun Control**, 1992 **Gun Control** Suzanne B. Squyres, 1997 **The Politics of Gun Control** Robert J. Spitzer, 2025-08-28 Since its initial publication in 1995 this book has become the classic work on every important element of the tumultuous national gun debate in America This new edition brings together the latest developments and research in gun politics policy law history and criminology to provide a comprehensive and accessible source widely used by scholars journalists and in classrooms In this era of polarized politics this book provides a unique window into how and why that polarization drives our politics Among the new topics covered in this edition are the Supreme Court's new foray into applying history to evaluate modern gun laws the effects of political whipsawing between Democratic and Republican control of government and the consequences of that for gun laws violence and policy New to the Tenth Edition Analysis of the Supreme Court's *Rahimi* decision that for the first time implemented its controversial history based standard for judging the constitutionality of current gun laws Highlights the whiplash between the pro gun policy actions of the Biden administration and the second Trump administration's about face to roll back those initiatives Chronicles the rise and nearly cataclysmic implosion of the once vaunted National Rifle Association as self created problems brought it to the brink of disaster and as legal actions against the NRA finally came to an end Elucidates the scramble of other gun rights groups to replace the NRA as the nation's foremost anti gun law organization Presents new and updated statistical research on gun ownership in America gun related fatalities public opinion support of red flag laws and other gun control measures After a surge in gun violence and gun ownership both have receded to pre pandemic levels and the murder rate continues its decline after a short upsurge Includes new pedagogical features of chapter summaries and discussion questions in each chapter *The Changing Politics of Gun Control* John M. Bruce, Clyde Wilcox, 1998-05-14 In recent years political discourse about gun control and the Second Amendment has become increasingly volatile and this collection of original essays by top scholars illuminates the various reasons why Gun lobbies such as the National Rifle Association are more organized and aggressive and their issue agenda has evolved as new and more powerful weapons and militia appear On the other side of the debate the critical wounding of James Brady gave gun control advocates a visible martyr with strong ties to Republican conservatives In sum gun control and the right to bear arms have become hotly disputed issues where political alignments are constantly shifting The contributors chart these changes and explore how Congress the courts the President and individual states are currently addressing the issue of gun control This book which includes profiles and examinations of relevant interest groups the gun control coalition recent Supreme Court decisions and public opinion surveys will be of great interest to classes in political science American government law and

sociology *Politics of Gun Control* Robert J. Spitzer, 2015-11-17 The new edition of this classic text covers the latest developments in American gun policy including shooting incidents plaguing the American landscape especially Sandy Hook the Colorado theatre shootings and the tragic death of Trayvon Martin placing them in context with similar recent events The incidents described in the book sparked a wave of gun control legislation at local state and national levels some of which was successful some doomed and all controversial At the national level President Obama put his political capital on the line to push for new gun control measures only to see them shot down by Congress Robert J Spitzer has long been a recognised authority on gun control and gun policy His even handed treatment of the issue as both a member of the NRA and the Brady Center continues to compel national and international interest including interviews by the likes of Terry Gross Tom Ashbrook and Diane Rehm This sixth edition of *The Politics of Gun Control* provides the reader with up to date data and coverage of gun ownership gun deaths school shootings border patrols and new topics including social media stand your ground laws magazine regulation and shooting related mental health initiatives **Understanding America's Gun Culture** Lisa Fisher, Craig Hovey, 2021-08-20 *Understanding America's Gun Culture* focuses on building understanding of some of the issues associated with U S gun culture and the contemporary debate about the availability and use of guns This edited volume is unique in that it draws on a wide variety of disciplines and presents perspectives on both sides of the debate Contributors hail from the academic disciplines of history social work criminal justice sociology religion and theological ethics as well as policy agencies Some chapters examine the issues social psychologically to help readers better understand dynamics within the debate Others pose important ethical and philosophical questions about gun culture Still others address practical policy solutions for enhancing gun safety and minimizing gun violence even bringing in international perspectives This second edition includes literature published in the last two years and two new chapters one focusing on gender within gun culture and another that features a conversation between the editors and an ethnographic researcher with broad expertise in gun culture and research and policy trends Together the chapters create a thought provoking compilation that offers insightful findings considers theoretical and practical implications and invites further exploration of the topic **Gun Control** Carol D. Foster, Mark A. Siegel, Donna R. Plessner, 1987-04-01 **Gun Control** Laurie DiMauro, 2013-04-12 The latest information on the most important social issues in America today is the hallmark of this well established series for high school students Completely updated every two years the Information Plus Reference Series gives readers a clear and comprehensive summary of the most up to date research legislation and more on each subject all of which are vividly illustrated by numerous tables charts and graphs Ideal for class assignments reports and research projects the series has a distinct easy to understand style that students will appreciate The Information Plus Reference Series provides Up to date statistical information on the volume's subject that gives students the most current data available all from one source Discussions of hundreds of topics and subtopics providing valuable explanations of statistics Tables charts and graphs vividly

McClurg,David B. Kopel,Brannon Denning,2002-06 The benefits of gun ownership The costs of firearms Philosophical roots of the right to arms and of opposition to the right The right to arms in the Second Amendment and state constitutions cases and commentary Guns and identity race gender class and culture *Guns* Anne C. Cunningham,2017-07-15 Nowhere is the gun control debate more heated than in the United States Gun control advocates argue for tighter restrictions on purchasing and licensing in the hopes of reducing incidents of shootings Gun owners fear that their guns will be taken away eliminating their ability to protect their families Carrying a concealed handgun is legal in every state and polls shows that the majority of Americans support conceal and carry The viewpoints in this volume attempt to answer tough questions such as Do concealed handguns deter or increase crime and Do the protections stipulated in the Second Amendment cover today s gun owners **The Right to Bear Arms** Robert J. Spitzer,2001-11-28 An objective examination of the Second Amendment focusing on the intentions of its authors its evolution from America s beginnings to the present and the views expressed by the courts In *The Right to Bear Arms Rights and Liberties under the Law* the first volume in ABC CLIO s America s Freedoms series political scientist Robert J Spitzer combats hysteria and rhetoric with simple facts He takes no position on whether more or fewer gun control laws are needed or whether guns are good or bad Instead he traces the roots of the Second Amendment analyzes the opinions and intentions of its authors follows its application and evolution from its beginnings and explores the views expressed by the courts He then carefully compares the intended and the implied meaning of this amendment with the views expressed by the entire spectrum of groups involved in the gun control issue Armed with the facts readers can decide for themselves *Gun Control; Restricting Rights Or Protecting People?* ,1985 **The Democracy Owners' Manual** Jim Shultz,2002 The Democracy Owners Manual is a unique hands on guide for people who want to change public policy at the local state or

national level A combination of policy and advocacy basics the book offers a clear presentation of the issues and debates activists are likely to encounter as well as a lucid example rich guide to effective strategies and actions **Gun Politics in America** Harry L. Wilson,2025-02-06 This two volume collection brings together 129 essential primary sources for understanding the history and evolution of gun rights and gun control in the USA from the colonial era to the present Every featured document is accompanied by explanatory materials that help readers understand the social and political context in which it appeared Utilizing a blend of important political speeches Supreme Court opinions agency reports and congressional testimony this set provides readers with a front row seat to observe the complex and often surprising evolution of gun ownership gun culture and gun politics in the USA This fascinating history is examined through primary source documents covering centuries of American history from colonial laws regulating firearms through the era of Prohibition and the rise of organized crime to congressional hearings on gun control in the wake of the 2022 mass shooting in Uvalde Texas The set includes 19 new primary sources that shine a spotlight on notable events in the debate over guns since the first edition was published in 2016 including important developments during the first Trump presidency the pandemic and the opening years of the Biden administration *My Life, My Story, As It Happened* Eddie Stewart,2022-12-18
