**The Gunman's Ride Across the Prairie** Pasquale De Marco, 2025-04-13 Step into the untamed wilderness of the American frontier in the 19th century, a land of boundless opportunity and endless horizons. From the rolling prairies to the towering mountains, this book takes you on a journey through the heart of the Wild West, exploring its rich history, diverse landscapes, and enduring legacy. Immerse yourself in captivating tales of pioneers, adventurers, and outlaws who dared to venture into the unknown. Meet the Native American tribes who first called this land home and learn about their traditions, beliefs, and struggles. Follow the footsteps of settlers seeking a new life, facing the challenges of a harsh and unforgiving environment. Ride alongside cowboys driving vast herds of cattle across the open range, experiencing the camaraderie and dangers of the trail. Discover the impact of the Wild West on American culture, its influence on literature, art, and music, and its role in shaping the nation's identity. Explore the evolution of the frontier from its early days as a lawless land to its eventual transformation into a settled and civilized region. Gain a deeper understanding of the forces that shaped this iconic era, from the Gold Rush to the building of the transcontinental railroad. Through vivid descriptions and engaging storytelling, this book brings the Wild West to life, capturing the spirit of adventure, resilience, and determination that defined this extraordinary time and place. Whether you're a history buff, a fan of Western lore, or simply someone who enjoys a good story, this book will transport you to a world that is both familiar and utterly foreign, a world where anything was possible and the future was wide open. *Max Brand, Western Giant* William F. Nolan, 1985 Called the King of the Pulps, Frederick Schiller Faust, aka Max Brand, wrote nearly 400 Westerns from *The Untamed* to *Destry Rides Again*, a total of more than 220 books in this genre. Yet Max Brand also created Dr. Kildare, wrote books, films, and television, and wrote under twenty-one pseudonyms in another dozen genres. This book removes the mask with deeply personal memoirs from family, friends, and fellow writers, taking us through his orphaned boyhood on the brutal ranches of California, his frustrating decades in Italy as both a classical poet and a fast-action pulpist, to his heroic death as a war correspondent on the World War II battlefields. Faust's life story is augmented by a complete bibliography of his work over a thousand books, stories, and films, plus the first listing of works about Faust.

**Gunman on Campus** Ben Agger,Timothy W. Luke,2008-03-27 In our media saturated culture momentous events occur quickly as news and images are broadcast around the country and the world We are often riveted by the news and our everyday reality is suddenly changed Yet almost as quickly that critical event is replaced by a new story The old event fades from memory and we move on to the next thing before understanding why it commanded our attention and how our world was changed On April 16 2007 such an event occurred on the Virginia Tech campus in Blacksburg Virginia That day a student killed 32 of his classmates and professors and then turned the gun on himself The media focused their power and our attention on the campus the students and faculty of Virginia Tech and the gunman and his victims But we have yet to understand fully what happened in Blacksburg There is a Gunman on Campus brings our thoughts back to the shocking campus shootings and the public reactions to the event shining needed light on what occurred at the university how American society reacted and how it all fits into contemporary culture The contributors to this insightful and compelling volume preserve and deepen our memory of April 16th Many of the authors are distinguished men and women of letters and some were on the Virginia Tech campus the day when the shots rang out From the psychology of the shooter to the role of media in covering the event to parallels to other American tragedies such as Columbine the chapters constitute an incisive portrait of early 21st century America      **The Targeting of Myron May: Florida State University Gunman : Assistant**
