Gunslingers In Action:

Gunslingers in Action Lou Drendel, 1974-01-01 **The Ghosts of Langley** John Prados, 2017-11-07

The Ghosts of Langley offers a detail rich often relentless litany of CIA scandals and mini scandals and a prayer that the CIA learn from and publicly admit its mistakes rather than perpetuate them in an atmosphere of denial and impunity The Washington Post From the writer Kai Bird calls a wonderfully accessible historian the first major history of the CIA in a decade published to tie in with the seventieth anniversary of the agency's founding During his first visit to Langley the CIA's Virginia headquarters President Donald Trump told those gathered I am so behind you there's nobody I respect more hinting that he was going to put more CIA operations officers into the field so the CIA could smite its enemies ever more forcefully But while Trump was making these promises behind the scenes the CIA was still reeling from blowback from the very tactics that Trump touted including secret overseas prisons and torture that it had resorted to a decade earlier during President George W Bush's war on terror Under the latest regime it seemed that the CIA was doomed to repeat its past failures rather than put its house in order The Ghosts of Langley is a provocative and panoramic new history of the Central Intelligence Agency that relates the agency's current predicament to its founding and earlier years telling the story of the agency through the eyes of key figures in CIA history including some of its most troubling covert actions around the world It reveals how the agency over seven decades has resisted government accountability going rogue in a series of highly questionable ventures that reach their apotheosis with the secret overseas prisons and torture programs of the war on terror Drawing on mountains of newly declassified documents the celebrated historian of national intelligence John Prados throws fresh light on classic agency operations from Poland to Hungary from Indonesia to Iran Contra and from the Bay of Pigs to Guantánamo Bay The halls of Langley Prados persuasively argues echo with the footsteps of past spymasters to the extent that it resembles a haunted house Indeed every day that the militarization of the CIA increases the agency drifts further away from classic arts of espionage and intelligence analysis and its original mission while pushing dangerously beyond accountability The Ghosts of Langley will be essential reading for anyone who cares about the next phase of American history and the CIA's evolution as its past informs its future and a president of impulsive character prods the agency toward new scandals and failures

Armies & Weapons, 1977 **John Lee Johnson and the Gunslingers** Conn Hamlett, 2013-09-03

John Lee Johnson has a way of getting things done but now he needs to get things done on his own 50 000 acre ranch in Texas Two gangs of rustlers have been slowly draining the cattle from his herd and that could spell the end of his livelihood He begins the journey from Ohio back to Texas outfitted with military holsters around his waist holding Navy Colts and two more stuck in his belt He knows how to use them and use them well Before he can complete the trip however the Union government asks him to arrest two outlaws hiding in the badlands of the nation But Johnson faces more challenges Marilla Urmacher widow of an outland brigand called Indian Melvin concocts a scheme to destroy Johnson She plans to lead the big Texan and his federal deputies

into an abandoned town where she has two gangs ready to take them all down Even worse Marilla has also hired two of the best gunslingers in the Southwest and set them waiting at his ranch ready and eager to send the big man to the Promised Land

Lines and Shadows Joseph Wambaugh,2016-04-20 The true story only Joseph Wambaugh could tell A band of California cops set loose in no man s land to come home heroes Or come home dead Not since Joseph Wambaugh s bestselling The Onion Field has there been a true police story as fascinating as totally gripping as Lines and Shadows The media hailed them as heroes Others denounced them as lawless renegades A squad of tough cops called the Border Crime Task Force A commando team sent to patrol the snake infested no man s land south of San Diego Not to apprehend the thousands of illegal aliens slipping into the U S but to stop the ruthless bandits who preyed on them nightly relentlessly robbing raping and murdering defenseless men women and children The task force plan was simple They would disguise themselves as illegal aliens They would confront the murderous shadows of the night Yet each time they walked into the violent blackness along the border they came closer to another boundary line a fragile line within each man And crossing it meant destroying their sanity and their lives Praise for Lines and Shadows With each book it seems Mr Wambaugh s skill as a writer increases In Lines and Shadows he gives an off trail action packed true account of police work and the intimate lives of policemen that for my money is his best book yet The New York Times Book Review A saga of courage craziness brutality and humor One of his best books comparable to The Onion Field for storytelling and revelatory power Chicago Sun Times

Marber on Markets Brian Marber,2007 This is not your average book on technical analysis

Why Because the author is not your average technical analyst Brian Marber is unique and so as a result is this book Here Marber sets out to write about his approach in a language readers can understand and enjoy telling them why he does what he does and how he came to do it including details of market pitfalls and the occasional Marber pratfall The book does not claim to be comprehensive but instead aims to be honest and to present the reader with the techniques and indicators that Marber himself uses and has used successfully in his fifty one years in the business Although when you make money you can learn something about making it you learn far more by losing it then finding out how to stop doing so This book tells you his methods when positions have gone wrong and what you do about it Sport Aviation and the Experimenter ,1975 **The Cowboy Encyclopedia** Richard W. Slatta,1996 Over 450 entries provide information on cowboy history culture and myth of both North and South America **Toy & Hobby World** ,1980 *Pistols* Jeff Kinard,2004-11-23 The development of the pistol helped bring the age of the armored knight to an end provided the elite with a status symbol of dangerous glamour and inspired both artisans and industrialists to reach new heights of invention Pistols follows the evolution of personal sidearms in Europe the United States and Asia from medieval era hand cannons with their clunky ignition systems to the revolutionary Colt revolvers of the 19th century to the modern semiautomatic weapons of today Full of fascinating insights and details this work shows how pistols brought about the decline of knights in armor and ultimately replaced the sword on the battlefield The book also explores the pistol s astonishing democratization as it moved from being a luxury item of the nobility to standard issue for soldiers to a mass produced commodity and source of intensive corporate competition Along the way readers meet the many colorful characters often eccentric geniuses who devoted themselves to pistol development

The Game of Inches Nigel Collin,2016-03-31 No spin no fuss no gurus get the real secret to business success Game of

Inches dispels the myth that success must come from disruption and provides an actionable blueprint for real world business achievement Entrepreneur Nigel Collin interviewed over 80 successful Australian entrepreneurs and leaders to learn the key factors that make a successful business in this book he distils his findings into a simple process of four actions governed by three behaviours that will guide your path to the top Examples and case studies eschew the limelight in favour of those on the front lines of business doing well illustrating the revolutionary idea that you don't have to make headlines to be a success By shifting your mindset from explosive overnight success to a quieter more consistent more sustainable process you gain the ability to reach the top and stay there You'll discover that innovation is actually in reach doesn't cost too much and is not really all that complex when approached from a growth oriented mindset of making small changes consistently You don't need to be Steve Jobs and you don't need to create the next iPhone to be a success in business What you do need to do is redirect your attention away from who you are and toward what you deliver Learn what really drives sustainable success Discover innovation that's within reach right now Focus on what you do not who you are Work toward a process of constant consistent improvement Business success is not a one off event or a single eureka moment It's a continuous step by step process of becoming better every day Incremental change is the surest route to the top though others may skip the climb in favour of a helicopter those who earn the summit tend to stay longest Game of Inches is your straightforward roadmap to no nonsense long term business success
