## **Forced Sexual Intercourse In Intimate Re:**

**Forced Sexual Intercourse in Intimate Relationships** Ida M. Johnson, Robert T. Sigler, 2018-12-18 Published in 1997 Literature is reviewed relating to those behaviours which have traditionally been referenced as date rape acquaintance rape or rape by a friend or someone known to the victim Forced sexual intercourse in intimate relationships is placed in both an historical context and a conceptual context Limited published and unpublished data from the authors research are included in appropriate chapters The theory chapter ends with the presentation of a rudimentary model for examining forced sexual intercourse in intimate relationships developed by the authors The topics of domestic violence courtship violence and forced sexual intercourse are highly controversial and tend to be dominated by those who are promoting specific political agendas Much of the work in this field has been written from the feminist perspective with recent works appearing which oppose the feminist perspective This work is neither feminist nor anti feminist in its approach It is analytical and as much as possible in a politized environment analytical and neutral

**Sexual Violence in Intimacy** M. Gabriela Torres, Kersti Yllö, 2020-11-26 Integrating interdisciplinary and cross cultural analysis this volume advances our understanding of sexual violence in intimacy through the development of more nuanced and evidence based conceptual frameworks Sexual violence in intimacy is a global pandemic that causes individual physical and emotional harm as well as wider social suffering It is also legal and culturally condoned in much of the world Bringing together international and interdisciplinary research the book explores marital rape as individual suffering that is best understood in cultural and institutional context Gendered narratives and large scale surveys from India Ghana and Africa Diasporas Pacific Islands Denmark New Zealand the United States and beyond illuminate cross cultural differences and commonalities Methodological debates concerning etic and emic approaches and de colonial challenges are addressed Finally a range of policy and intervention approaches including art state rhetoric health care and criminal justice are explored This book provides much needed scholarship to guide policymakers practitioners and activists as well as for researchers studying gender based violence marriage and kinship and the legal and public health concerns of women globally It will be relevant for upper level students and scholars in anthropology sociology psychology women s studies social work and public and global health

**Sex in an Old Regime City** Julie Hardwick, 2020 Sex in an Old Regime City is a major reframing of the long history of young people s intimacy It shows how long running problems like out of wedlock pregnancy were handled very differently in Old Regime France than in more recent centuries Abortion infanticide broken hearts and conflict with parents and neighbors were key challenges of young people s lives then as now but young couples efforts to deal with these challenges were supported in pragmatic often sympathetic ways by their communities and institutions like local courts clergy legal officials and social welfare managers

**Violent Intimacy** Tiantian Zheng, 2022-06-30 Winner of the 2022 Research Publication Book Award from the Association of Chinese Professors of Social Sciences in the United States Based on ethnographic research with victims of intimate partner violence since 2014

this book brings to the forefront women's experiences of negotiations about and contestations against violence and men's narratives about the reasons for their violence. Using an innovative methodology online chat groups it foregrounds the role of history structural inequalities and the cultural system of power hierarchy in situating and constructing intimate partner violence. Centering on men and women's narratives about violence this book connects intimate partner violence with invisible structural violence the historical cultural political economic and legal context that gives rise to and perpetuates violence against women. Through examining the ways in which women's lives are constrained by various forms of violence hierarchy and inequality this book shows that violence against women is a structural issue that is historically produced and politically and culturally engaged.

Global Perspectives on Women's Sexual and Reproductive Health Across the Lifecourse Shonali Choudhury, Jennifer Toller Erausquin, Melissa Withers, 2017-09-19 This expansive survey spotlights pervasive issues affecting girls and women's sexual and reproductive health across the lifecourse. In these forceful dispatches a consistent human rights perspective emphasizes women's control autonomy and agency in all stages of their lives. A sampling of topics covered: Girl child marriage a persistent global women's health and human rights violation Investigating challenges and resilience among women living with obstetric fistula in Kenya A qualitative exploration of mainstream and social media reflections on abortion A continuum of severity of sexual intimate partner violence among black women in the United States Economic empowerment to improve sexual and reproductive health among women and girls Summarizing an interdisciplinary field on research and practical levels Global Perspectives on Women's Sexual and Reproductive Health Across the Lifecourse will be an invaluable text for undergraduate and graduate courses in a wide range of fields including public health global health women's studies sociology anthropology gender studies and human rights.

**Marital Rape** Kersti Yllö, M. Gabriela Torres, 2016-05-09 Rape in marriage is a global problem affecting millions of women it is still legal in many countries and was only criminalized in all U.S. states in 1993. In much of the world marital rape is too often understood as an oxymoron due to the fact that the ideology of permanent consent underlies the legal and cultural definitions of sex in marriage. From Vietnam to Guatemala to South Africa and beyond this volume examines how cultural legal public health and human rights policies and practices impact intimate partner violence. While legal and cultural conceptions of marital rape vary widely from criminal assault to wifely duty this volume offers evidence from different societies that forced sex undermines the physical and psychological well being of the women who experience it regardless of their cultural context. Globally the nature of marriage is changing and so are notions of individual choice love intimacy and

rigid gender roles Marital Rape documents wide ranging and fluid understandings of sex consent and rape in marriage such an array of perspectives demands an international and interdisciplinary approach to the study of sex and gender based violence This text brings together an international group of scholars from the fields of anthropology sociology criminology law public health and human rights their work points to the importance of understanding the lived experience of sexual violence for the design of effective and culturally sensitive public policy and practice **The SAGE Handbook of Domestic Violence** Todd K. Shackelford,2020-12-02

The field of Domestic Violence research has expanded considerably in the past decade and now includes work conducted by researchers in many different disciplines notably political science public health law psychology sociology criminology anthropology family studies and medicine The SAGE Handbook of Domestic Violence provides a rich overview of the most important theoretical and empirical work in the field organized by relationship type The handbook addresses three major areas of research on domestic violence Violence against partners Violence against children Violence against other family members This Handbook is a unique and timely publication and a long awaited valuable resource for the vast amount of Domestic Violence research centres and individual researchers across the globe *The*

*Right to Say No* Melanie Randall,Jennifer Koshan,Patricia Nyaundi,2017-10-19 Marital rape stands at the intersection of the socio legal issues arising from both domestic violence and sexual assault For centuries women who suffered sexual assault perpetrated by their spouses had no legal recourse A man s conjugal rights included his right to have sexual intercourse with his wife regardless of whether she consented This right has been recognised in law and still is in some jurisdictions today This book emerges from the research undertaken by an innovative multi country academic collaborative project dedicated to comparatively analysing the legal treatment of sexual assault in intimate relationships with a view to challenging the legal impunity for and inadequate legal responses to this form of gendered violence **The Sexual Organization of the City**

Edward O. Laumann,Stephen Ellingson,Jenna Mahay,Anthony Paik,2005-11-21 We think of the city as a place where anything goes Take the sensational fantasies and lurid antics of single women on Sex in the City or young men on Queer as Folk and you might imagine the city as some kind of sexual playground a place where you can have any kind of sex you want with whomever you like anytime or anywhere you choose But in The Sexual Organization of the City Edward Laumann and company argue that this idea is a myth Drawing on extensive surveys and interviews with Chicago adults they show that the city is to the contrary a place where sexual choices and options are constrained From Wicker Park and Boys Town to the South Side and Pilsen they observe that sexual behavior and partnering are significantly limited by such factors as which neighborhood you live in your ethnicity what your sexual preference might be or the circle of friends to which you belong In other words the social and institutional networks that city dwellers occupy potentially limit their sexual options by making different types of sexual activities relationships or meeting places less accessible To explain this idea of sex in the city the editors of this work develop a theory of sexual marketplaces the places where people look for sexual partners They then use

this theory to consider a variety of questions about sexuality Why do sexual partnerships rarely cross racial and ethnic lines even in neighborhoods where relatively few same ethnicity partners are available Why do gay men and lesbians have few public meeting spots in some neighborhoods but a wide variety in others Why are African Americans less likely to marry than whites Does having a lot of friends make you less likely to get a sexually transmitted disease And why do public health campaigns promoting safe sex seem to change the behaviors of some but not others Considering vital questions such as these and shedding new light on the city of Chicago this work will profoundly recast our ideas about human sexual behavior

Sexuality in Close Relationships Kathleen McKinney,Susan Sprecher,2014-05-22 This is one of the first volumes to examine the interface between research undertaken in sexuality and that in close relationships from a social psychological perspective Experts from several different disciplines offer chapters that contain theory extant literature and their own original research on such topics as jealousy extradyadic sexuality communication love and sexual coercion Aimed at a fairly wide audience this book will be of interest to students faculty and other professionals in social psychology sociology communication and family and women s studies It is also a valuable source of information for teachers researchers and clinicians working in the areas of human sexuality and or close relationships *Empowering and Healing the Battered Woman* Mary Ann Dutton,2000-09-05 Print CourseSmart *Sex for Life* Laura Carpenter,John DeLamater,2012-02-01 Sexual beliefs behaviors and identities are interwoven throughout our lives from childhood to old age An edited collection of original empirical contributions united through its use of a distinctive cutting edge theoretical framework Sex for Life critically examines sexuality across the entire lifespan Rooted in diverse disciplines and employing a wide range of research methods the chapters explore the sexual and social transitions that typically map to broad life stages as well as key age graded physiological transitions such as puberty and menopause while drawing on the latest developments in gender sexuality and life course studies Sex for Life explores a wide variety of topics including puberty sexual initiation coming out sexual assault marriage life partnering disability onset immigration divorce menopause and widowhood always attending to the social locations including gender race ethnicity and social class that shape and are shaped by sexuality The empirical work collected in Sex for Life ultimately speaks to important public policy issues such as sex education aging societies and the increasing politicization of scientific research Accessibly written the contributions capture the interplay between individual lives and the ever changing social historical context facilitating new insight not only into people s sexual lives but also into ways of studying them ultimately providing a fresh new perspective on sexuality **Morbidity and Mortality Weekly Report** ,2000 Sex Without Consent Shireen J Jejeebhoy,Iqbal Shah,Shyam Thapa,2013-07-04 The pressing need to break the silence on non consensual sex among young people an issue shrouded by denial underreporting and stigma is self evident Despite the growing body of research regarding young people s sexual behaviours the study of coercive sexual experiences has generally been overlooked by both researchers and national programmes Available evidence has been

scattered and unrepresentative and despite this evidence non consensual sex among young people is perceived to be a rare occurrence This volume dispels any such misconception It presents a disturbing picture of non consensual sex among girls as well as boys and among married as well as unmarried young women in a variety of settings This volume documents moreover the expanse of non consensual experiences that young people face from unwanted touch to forced penetrative sex and gang rape Although the focus is on young females the volume also sheds light on the experience of young males as both victims and perpetrators This pioneering volume highlights key factors placing young people at risk whilst outlining the significant distinctive health and social implications they face Sex Without Consent also documents the unsupportive and sometimes abusive or negligent roles of families teachers health care providers and law enforcement agents outlines promising efforts intended to prevent non consensual sex or support survivors and argues for profound changes in norms and values that tolerate or encourage non consensual sex The editors based at the Population Council New Delhi the World Health Organization Geneva and Family Health International Virginia argue compellingly for a radical review and reform of existing programmes designed to prevent this kind of abuse and to support young survivors of sexual trauma in the developing world Addressing the magnitude determinants and consequences of sex without consent this volume provides evidence based directions for programming

**Report of the Secretary's Task Force on Youth Suicide** United States. Department of Health and Human Services. Secretary's Task Force on Youth Suicide,1989 **Violence and Mental Health** Jutta Lindert,Itzhak Levav,2015-02-25 Violence is one of the most important challenges not only for public health systems but also for public mental health Violence can have immediate as well as long term and even transgenerational effects on the mental health of its victims This book provides a comprehensive and wide ranging assessment of the mental health legacy left by violence It addresses the issues as they affect states communities and families in other words at macro meso and microlevels beginning by describing the impact of violence on neurobiology and mental health as well as the spectrum of syndromes and disorders associated with different forms of violence The work moves on to tackle violence at the international and intranational level before zeroing in on the nature of violence in communities such as villages or city districts It also examines the results of violence in the family Each type of violence has distinct effects on mental health and in each chapter specific groups are explored in depth to demonstrate the heterogeneity of violence as well as the diversity of its outcomes in the realm of public mental health Finally the book addresses the notion of undoing violence by detailing case studies of effective interventions and prevention occurring in countries communities and families These cases give us pause to reflect on the nature of resilience and dignity in the context of violence and mental health All the chapters have been written by leading authors in the field and provide a state of the art perspective The authors from different fields of expertise facilitate interdisciplinary and international insights into the impact of violence on mental health **Intersection of Adolescent Sexual, Reproductive, and Mental Health in Sub-Saharan Africa** Negussie Boti Sidamo,Zacharie Tsala

Dimbuene,Sultan Hussen Hebo,Stephen Chukwudeh,2025-06-18 Adolescence is a crucial stage of development in which young people experience a wide range of emotional social and physical changes One significant aspect of this period is the exploration and emergence of reproductive health and behaviours Alongside this mental health and well being are increasingly recognized as vital components of overall adolescent health and development The intersection of adolescent sexual reproductive and mental health is complex dynamic and multifaceted with numerous social cultural and biological factors influencing these domains Addressing this intersection remains a critical area of research policy and practice to promote healthy adolescent development and empower young people with the knowledge and skills necessary to make informed decisions about their sexual reproductive and mental health In sub Saharan Africa adolescents have greater risk factors and low access to health services that make them prone to such problems This underscores the need to consider an integrated approach to address the sexual reproductive and mental health problems of adolescents living in sub Saharan Africa These insights are pivotal for identifying novel approaches that are highly effective and well tolerated for integrated services to improve the relief of adolescents living in sub Saharan Africa from sexual reproductive and mental health problems

*Just Sex?* Nicola Gavey,2018-10-26 In the award winning *Just Sex* The Cultural Scaffolding of Rape Nicola Gavey provides an extensive commentary on the existing literature on rape analysing recent research to examine the psychological and cultural conditions of possibility for contemporary sexual violence *Just Sex* argues that feminist theory on sexual victimization has gone both too far and not far enough It presents the reader with a challenging and original perspective on the issues of rape sex and the body incorporating new material on sexism misogyny and digital culture as well as debates over gendered analyses of sexual violence The second edition has been updated and expanded to be extremely timely and relevant with the most recent high profile rape cases the Stanford rape case and the Belfast rape case being tried in the media and online The rise of the Hollywood Harvey Weinstein scandal and the MeToo movement makes this book incredibly useful and necessary to those who are working within the area of sexual violence This will appeal to academic readers studying psychology sociology and criminology as well as those looking into cultural influences on society It will also be very useful to those working in the professional sector on prevention and with people who have been subjected to sexual violence
