H. J. Emerson

Jacob And Esau:

Jacob and Esau Penny Frank,1986 Retells the story of Jacob and his brother Esau as found in Genesis Jacob and Esau Mary Auld,2000-09-01 Retells the story of the relationship between two brothers and how one uses trickery to gain their father s blessing meant for the other *Jacob and Esau* Mel L. Piper,1992-04-01 *Jacob Or Esau... Which Brother Are You?* H. J. Emerson,2015-05-29 Jacob and Esau brothers opposites believers adversaries anti types One brother in submission and one in apostasy The bible is so much more than a collection of ancient stories it is the road map which defines our past and declares our future Through the account of Jacob and Esau we are shown in type the events which will be mirrored in the Christian s walk and in the closing days of Earth s history The adversity between spiritual Israel and Spiritual Edom has always been and will be until Jesus returns as King of kings But who are the Spiritual Israelites and who are Spiritual Edomites Jacob and Esau Which Brother Are You is an in depth study of the Genesis account of these two iconic figures and encourages the reader to perform an in depth study of themselves and their own walk with the Lord Which path are you on and which master will you serve *Identity in Conflict* Elie Assis,2016-02-08 No nation has been subjected to a wider range of biblical attitudes and emotions than Edom In some sources Edom is perceived as Israel s brother in many others the animosity toward Edom is tremendous The book of Genesis introduces Isaac his wife Rebecca and their twin sons Esau and Jacob Rivalry between the brothers emerges even before their birth and escalates over the course of their lives The question of which son should be favored also causes tension in the parents relationship and most of the Genesis text concerning Isaac and Rebecca revolves around this issue The narrative describes the fraternal conflict between Jacob and Esau at length and many hold that this description is a reflection of the hostility between Edom and Israel However the relationship between the brothers is not always depicted as strained The twofold relationship between the brothers in Genesis brotherhood and fraternity coupled with hatred and rivalry introduces a dichotomy that is retained throughout the Hebrew Bible In this monograph Assis elucidates the complex relationship between Edom and Israel reflected in the Bible to attempt to clarify the source of this complexity and the function that this relationship serves in the various biblical texts and Israel s early history He shows how this relationship plays an important role in the formation of Israel s identity and how the historical interaction between the nations influenced the people s theological conception as reflected in prophetic literature poetry and biblical narrative Jacob and Esau ,1908 *Jacob and Esau* ,1876 *The History of Jacob and Esau.
