Eisenberg,2007-12 Eisenberg offers a comprehensive work on Daniel focusing particularly on the prophetic passage of Daniel 9 24 27 Christian Dispensational Modernism B. M. Pietsch,2015-07-06 Dispensationalism emerged in the twentieth century as a hugely influential force in American religion and soon became one of America s most significant religious exports By the close of the century it had developed into a global religious phenomenon claiming millions of adherents As the most common form of contemporary prophecy belief dispensationalism has played a major role in transforming religion politics and pop culture in the U S and throughout the world Despite its importance and continuing appeal scholars often reduce dispensationalism to an anti modern apocalyptic and literalist branch of Protestant fundamentalism In Dispensational Modernism B M Pietsch argues that on the contrary the allure of dispensational thinking can best be understood through the

lens of technological modernism Pietsch shows that between 1870 and 1920 dispensationalism grew out of the popular fascination with applying engineering methods such as quantification and classification to the interpretation of texts and time At the heart of this new network of texts scholars institutions and practices was the lightning rod Bible teacher C I Scofield whose best selling Scofield Reference Bible became the canonical formulation of dispensational thought The first book to contextualize dispensationalism in this provocative way Dispensational Modernism shows how mainstream Protestant clergy of this time developed new scientific methods for interpreting the Bible and thus new grounds for confidence in religious understandings of time itself Explosive New Info on Revelation with Never Before Seen Scrolls Joel White, 2021-09-17 The most accurate time line of the end times to date This book contains two time lines that biblically detail what the prophets foretold digital downloads The angel told Daniel that what he saw and heard would be sealed up until the end times now the end times are here Do you want to know the truth One World Order One World Religion The world broken into chunks Is the USA in the Bible What physical characteristics do we know about Antichrist Where will he come from Who is the False Prophet and what does he try to make you take When is the devil really kicked out of the third heaven The 666 have you been using it for decades The truth about the Rapture When do the seals trumpets and bowls happen and what can we expect Are the two witnesses just two people or many The war of Armageddon and the clean up after it Will there be nuclear war Are people going to live almost a thousand years old again Is the Temple Mount the real place of Solomon s Temple Were there giants before and after the flood How about dinosaurs the three heavens When you die where do you go Is there soul sleep Where is the Red Sea crossing The real Mt Sinai Noah s ark Sodom and Gomorrah This book will dive into all these topics and more Finally find out the truth and what you need to prepare for This is a battle over our souls and we need to be well armed and ready
