James And Peter:

The Letters of James and Peter William Barclay, 1958 *A Theology of James, Peter, and Jude* Peter H.

Dauids, 2014-10-20 In this volume Peter Davids offers a comprehensive study of the General or Catholic Epistles of James 1 2 Peter and Jude which are often insufficiently covered in more general New Testament introductions theologies and surveys Before discussing a theology of each of the four letters Davids first deals with their common aspects their shared background in the Greco Roman world and a similar Christology view of the source of sin and eschatology thus justifying their being treated together In the chapters that follow Davids embarks upon a theological reading of each letter informed by its social rhetorical understanding what they meant in the context of their original cultural settings including a survey of recent scholarship a discussion of relevant introductory issues a thematic commentary a treatment of important theological themes and a discussion of the place of the letter in the biblical canon and its contribution to New Testament theology The Biblical Theology of the New Testament BTNT series provides upper college and seminary level textbooks for students of New Testament theology interpretation and exegesis Pastors and discerning theology readers alike will also benefit from this series Written at the highest level of academic excellence by recognized experts in the field the BTNT series not only offers a comprehensive exploration of the theology of every book of the New Testament including introductory issues and major themes but also shows how each book relates to the broad picture of New Testament theology **Reading the Epistles of**

James, Peter, John & Jude as Scripture David Nienhuis, Robert W. Wall, 2013-12-19 Through a detailed examination of the historical shaping and final canonical shape of seven oft neglected New Testament letters Reading the Epistles of James Peter John and Jude as Scripture introduces readers to the historical literary and theological integrity of this indispensable apostolic witness While most scholars today interpret biblical texts in terms of their individual historical points of composition David Nienhuis and Robert Wall argue that a theological approach to this part of Scripture is better served by attending to these texts historical point of canonization those key moments in the ancient church's life when apostolic writings were grouped together to maximize the Spirit's communication of the apostolic rule of faith to believers everywhere Reading the Epistles of James Peter John and Jude as Scripture is the only treatment of the Catholic Epistles that approaches these seven letters as an intentionally designed and theologically coherent canonical collection *The Missions of James, Peter, and Paul* Bruce D. Chilton, Craig A. Evans, 2005-01-01 The Missions of James Peter and Paul investigates the nature diversity and relationship of three early and important expressions of Judaic Christianity It is the conviction of the contributors that the Judaic origins of the Christian movement have not been sufficiently understood in both ecclesiastical and academic circles Comparison with contemporary Judaism is foundational and leads to the question that guides discussion How did James relate to such prominent figures as Peter and Paul Given James own eminence those relationships must have been hallmarks of his own stance and status and they open the prospect that we might delineate James theological

perspective more precisely than otherwise possible by means of this contrast with Peter and Paul That is the reason for the division of the present volume into two parts The Missions of James Peter and Paul is presented in two parts James and Peter and James Paul Several studies investigate the literary and archaeological evidence that clarifies the world in which James Peter and Paul lived while other studies probe exegetical and theological aspects of the discussion

The Epistles Book Three: Hebrews, James, Peter, John, and Jude Harold Lerch, 2023-07-15 The epistles in this edition were written by two of Jesus's brothers James and Jude and Peter and John each writing their namesake letters The author of Hebrews is believed to be Paul or Peter Hebrews addresses the Priesthood of Christ who fulfilled the Old Testament laws James the brother of Jesus wrote the Epistle of James to address practical Christian living Peter wrote to the Hebrew Christians that their purpose is encouragement and testimony Peter sets forth the doctrines of grace but foresees the departure from the faith that will culminate during the last days The First Epistle of John was written as from the Father to His little children John treats the sins of a Christian like a child's offense against his Father His second epistle is brief but strong in its message which centers round the truth in its relation to Christian living and that Jesus Christ is Himself the Truth alive His third letter is written to his friends Gaius and Demetrius praising them for sound Christian living John rebuked a third church member Diotrephes who was one of the first examples of domineering ambition in the church The Epistle of Jude was written by Jude another brother of Jesus His message was written against apostasies in the early church so threatening that the Spirit caused Jude to write this letter of warning Jude describes how apostasy leads to sinful living A bonus section is included Revelation
