Dictionary of Eritrea Dan Connell, 2019-07-15 In 1991 Eritrea won a 30 year war for independence from Ethiopia and in 1993 it was recognized as Africa s newest nation after more than a century of conquest and occupation by a succession of external powers that included the Ottomans Egypt Italy Great Britain and Ethiopia Each had left its mark while fostering a deep distrust of outsiders and a fierce commitment to Eritrea s separate political identity Eritrea and Ethiopia slipped into a chronic state of no peace no war that kept the entire Horn of Africa off balance for nearly two decades the standoff ended in 2018 when a newly installed Ethiopian prime minister reached out to Eritrea and set in motion a rapid fire series of talks among the states of the African Horn that broke down long standing barriers and raised hopes for a new era of regional peace and cooperation This third edition of Historical Dictionary of Eritrea contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Eritrea *Historical Dictionary of Eritrea* Tom Killion, 1998-04-16 This book provides

Ethiopia is clearly one of the most important countries in Africa First of all with about 75 million people it is the third most populous country in Africa Second it is very strategically located in the Horn of Africa and bordering Eritrea Sudan Kenya

and Somalia with some of whom it has touchy and sometimes worse relations Yet its capital Addis Ababa is the headquarters of the African Union the prime meeting place for Africa's leaders So if things went poorly in Ethiopia this would not be good for Africa and for a long time this was the case with internal disruption rife until it was literally suppressed under the strong rule of the recently deceased Meles Zenawi The Historical Dictionary of Ethiopia Second Edition covers the history of Ethiopia through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has several hundred cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Ethiopia

Historical Dictionary of Yemen Charles Schmitz, Robert D. Burrowes, 2017-10-25 Yemen has experienced wrenching changes that have transformed the country in yet unknown ways The country exploded in a popular revolution against the long time rule of Ali Abdallah Saleh While the country appeared to slip toward civil war Yemeni political elite rallied with international backers to put together a transitional government with a plan to revise the country's constitution The transitional government began with a cautious sense of optimism and the prospect of substantial change for the better but ended in collapse because of a failure to govern The politics of the street overran an ineffective transitional government that could not address the urgent concerns of Yemeni citizens for security and jobs Instead populist leaders exploited people's dissatisfactions and threw the country into civil war The Houthi organization covertly allied with its former enemy Ali Abdallah Saleh to overthrow the transitional government and declare war on the rest of the country Saleh seems unable to conceive of life outside of the Presidential Palace and his Houthi allies appear to believe they are destined to rule Unfortunately those opposed to Saleh and the Houthis also seem unable to provide effective rule in spite of massive backing

from the Gulf States The incompetence infighting and incoherence of the Hadi government bode equally ill for the future of the country The one hope may be that a new generation of Yemeni leaders emerges to displace the dismal failures of this one This third edition of Historical Dictionary of Yemen contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Yemen *Historical Dictionary of International Organizations in Africa and the Middle East* Terry M.

Mays,2015-06-18 The Historical Dictionary of International Organizations in Africa and the Middle East focuses on international organizations in Africa And the Middle East This makes sense for political cultural and geographical reasons North African countries and many located in the Sahel region are members of not only African but also Middle Eastern international organizations due to their cultural and religious heritage as well as geographic location between Sub Saharan Africa and the Middle East A limited number of global organizations are also included in this book when they have major programs focusing on Africa and or the Middle East This volume emphasizes intergovernmental organizations but many non governmental organizations are also included This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities thematic topics and major international issues affecting the region This book is an excellent access point for students researchers and anyone wanting to know more about this subject *Historical Dictionary of Yemen* Robert D. Burrowes,2010 A small and extremely poor Islamic country Yemen is located on the edge of the Arab world in the southernmost corner of the Arabian Peninsula It was the product of the unification of the Yemen Arab Republic and the People s Democratic Republic of Yemen in May 1990 The location of the two Yemens on the world s busiest sea lane at the southern end of the Red Sea where Asia almost meets Africa gave them strategic significance from the start of the age of imperialism through the Cold War More vital today is the fact that Yemen shares a long border with oil rich Saudi Arabia and is a key to efforts both to spread and to end global revolutionary Islam and its use of terror The second edition of the Historical Dictionary of Yemen has been thoroughly updated and greatly expanded Through its list of acronyms and abbreviations a chronology an introductory essay a bibliography and over 800 cross referenced dictionary entries greater attention has been given to foreign affairs economic institutions and policies social issues religion and politics *Historical Dictionary of Multinational Peacekeeping* Terry M.

Mays,2021-04-10 Conflicts require a process to guide the belligerents from the battle field to mutual cooperation But how does one provide the conflict stabilization for this peace process to operate Peacekeeping emerged as one of these tools and has evolved to become an important element to support the peace process between belligerents in major inter state and intra state conflict This book takes a broad definition of multinational peacekeeping in order to provide a basis for comparison and permit researchers to review operations labeled as peacekeeping by international organizations The goal of this work is to
