How Can We Know:

Yes, But How Do You Know? Stephen Hetherington, 2009-09-01 Yes But How Do You Know is an invitation to think philosophically through the use of sceptical ideas Hetherington challenges our complacency and asks us to reconsider what we think we know How much can we discover about our surroundings What sort of beings are we Can we trust our own reasoning Is science all it is cracked up to be Can we acquire knowledge of God Are even the contents of our own minds transparent In inviting lucid prose Hetherington addresses these questions and more using scepticism to illuminate many perennial philosophical puzzles

How Do We Know the Bible is True Volume 1 Ken Ham, Bodie Hodge, 2011-07-01 Today there are untold voices in print on television and online calling for our attention and so many of these mock or belittle our faith From coworkers to those calling themselves Christians the tone has become one of reproach disparaging the character of God and undermining the authority of the Bible For those who have a heart for God it can be intimidating and discouraging How Do We Know the Bible is True is based on the absolute authority of God's Word not man centered explanations Clearly presented it will help bring clarity in a world filled with increasingly vague notions of truth Over 20 relevant issues are discussed including Is the Bible totally without error Did the resurrection really happen How do we know that the 66 books of the Bible are from God Does the Bible contradict itself How were people saved before Jesus came What is the purpose and meaning of life Did miracles really happen Was Genesis derived from ancient myths How should we interpret the Bible should Genesis be literal Do you have to believe in a young earth to be saved Within these pages you will find responses to those honest questions of faith helping to build a confidence in God's Word and inspiring your daily walk in His grace and peace These powerful biblical insights are soundly presented by more than a dozen respected defenders of the faith including Ken Ham John MacArthur Terry Mortenson Jason Lisle Brian Edwards Tommy Mitchell Jobe Martin Georgia Purdom Bodie Hodge and Roger Patterson

Decision Making in Acts Anti Charismatic Pro Jewish Commentary on Acts In 1980 Garry Friesen wrote Decision Making and the Will of God a book that debunked the traditional view that God leads by inward impressions into His perfect specific will But Bible teachers continue teach prayer is a two way conversation churches continue to question pastoral candidates about their call to the ministry and Christians continue to try to discern God s inner voice to make decisions Maybe it would help if we had more scholarly journal articles on the topic Grudem I categorized the articles published in three refereed evangelical journals for the last five years before 2000 Westminster Theological Journal Trinity Journal and the Journal of the Evangelical Theological Society Not counting book reviews there were 257 scholarly articles on all topics But regarding God s guidance in our daily lives Zero articles Yet some understanding of God s guidance affects every Christian every day of his or her life Either Garry Friesen is right on that topic or he s wrong We should expect to see many more scholars contributing articles and books supporting and developing their viewpoints Christians in the book of Acts made their decisions by the Word and Wisdom not by listening for inward impressions I would love to read an exposition of the Book of Acts that showed Paul the other apostles and their co workers making most of their decisions by listening for inward impressions but it would require reading that doctrine into the text rather than expositing it out of the text Friesen In order to arrive at the conclusion of the traditional approach to decision making it is necessary to water down the biblical examples and spice up the biblical teaching Examples like in Acts are watered down to be less miraculous than they really are so we can think we re doing them too Biblical teaching like in the epistles must be spiced up to be more specific than it really is for example a promise to Israel to guide you continually Is 58 11 doesn t actually say anything about Christians being guided by inward impressions Paul made most of his decisions by the Word and Wisdom not by inward impressions and only rarely by direct revelation even though he was the apostle on the cutting edge of Jesus mission to bring the gospel to the Gentiles Most of Paul s decisions in Acts can be explained 17 principles he followed
