How the Catholic Church Built Western Civilization Thomas Woods Jr.,2012-09-18 Written to highlight the Catholic Church's central role in shaping Western Civilization this book shows how the Church gave birth to modern science international law the free market economy and much much more

How Christianity Built Western Civilization Dr. Alex Locay,2022-01-05 Today the voices from the secular left are hard at work removing any trace of religion from government and the law Meanwhile secular historians have successfully limited Christianity's contribution in history to the Crusades and Inquisitions as if that is all Christians have to speak for The real story is quite different primarily that everything good in Western Civilization has its roots in the Christian religion How Christianity Built Western Civilization is the epic tale of how our Christian forefathers stood up to history's darkest forces to forge a new way of life grounded in the biblical worldview Over the centuries it has become evident that Western Civilization has emerged as mankind's greatest achievement It is here where the greatest political and economic systems were born and here that we see the concept of human rights emerge along with the modern scientific process and the greatest discoveries It is in the West that we find the most advanced educational institutions along with the greatest charities artistic masterpieces and architectural innovations Is this a coincidence or the deliberate result of our worldview How Christianity Built Western Civilization answers this question with chapters on human rights modern science universal education charity art and architecture focusing entirely on the revolutionary milestones and individuals that made these achievements possible Each chapter unfolds chronologically starting with the biblical foundation and moving through the work of the early and Medieval Church arriving at modern times The author builds a compelling case demonstrating how Western Civilization would be indistinguishable from India China or Africa today if not for the teachings of Christ and the Bible
