A complete Body of practical Divinity; being a new improvement of the Assembly's Catechism ... To which are prefix'd some memoirs of the Author's life; with his solemn form of covenanting with God. [With a preface by J. Smith.] Thomas DOOLITTLE,1723 *Being a Good Husband and Father* Lexington Nyama,2017-12-08 This is an educational book for those who are in a relationship whether they are married or not As long as they are in a relationship they need to know about these things also it is not only for men but also for females because some women have no idea what to expect from their man This will help them find a basic foundation of what to expect from their man as this also helps man to know what to do for their woman If relationships are not solved and if people are not educated about relationships this world will never be at peace because it is all because of relationships We have all these problems we are facing nowadays as the worlds problem started with two people who were in a relationship which was written in the Bible If they both knew what their responsibilities were in their relationship the woman would have not gone and searched for food while the man was home sitting I believe that if couples could know what they are supposed to do and what they are not supposed to do in relationship we will make the world a better place to live
