Love is a choice that creates feelings not feelings that makes you choose Dc This book is created from an account of how I experienced a time in my life Were a woman knowing how to get along with a man It is not normal today for relationships to just work out without working it out Most women are told even before their teenager to enjoy their singlehood focus on their career spend money travel and enjoy hanging out with their friends before getting serious with a man Many women are told not to focus on a man just their 5 year plan This book is for the woman who choose to find her way back to her true femininity and self love thru her expression of self This type of journey is with the interaction with others showing yourself separate from a man As men and women we have an innate fundamental desire for connecting with one another by design My experience has awarded me the privilege to share with a woman in her natural state as she brought me to mine I experienced a proud woman embracing her femininity her softness and kind nature Always expressing her feminine energy thru her words touch and environment She didn't find her feminine nature in things but in her enter self When she expressed I made her feel safe and secure She respected and accepted me I made her comfortable and feel cherished She was loyal and presented herself with kindness and grace among the public Which made me want to carry myself to be responsible in my actions so she would have the emotional security she needed And she regularly expressed acts of service to show her appreciation and need for me While all the time never exchanging hurtful words or injuring one another's feeling I would naturally give to her and give to her This is when I knew a woman can get what she wants from a man Darrell Canty stands out with this surprising content with informative and impressionable information This dynamic content provides the emotional and intellectual influence to engage this target audience As an author he feels compelled to share this information with others Many if not most people in their entire life will never experience one day of what he had for the most of nine years Darrell Canty says he will be forever grateful and honored for the rest of his life The author can only hope to help one person find a true connection as he did The time we spend here on earth means very little without an experience such as this Once you have experienced this type of experience it will become a lifelong yearning He can only imagine it to be like a drug attic experience that first high and forever chasing that high time and time again The author believes because of this experience he has become an author given a voice with something to say I say thank you If a woman is giving a man everything but respect she has given him nothing at all Dc [How To Get A Man](#) Urban Mathews,2024-06-11 Are you tired of the dating game and ready to find true love How To Get A Man by Urban Mathews is your ultimate guide to navigating the complex world of modern relationships Packed with insightful tips and strategies this book will transform your dating life and help you attract the man of your dreams Unlock the Secrets to Finding Mr Right Discover proven techniques to identify and

How to Remodel a Man W. Bruce Cameron, 2005-09-29 Current research suggests there is a large group of people who have been trying to change men For want of a better term let's call these people women Their urge is understandable We've all had to take measures to accommodate men because they are involved in nearly every aspect of modern life except maybe housework and they like to run things like corporate meetings and the planet The only other alternative has been to try to avoid men altogether which is pretty hard to do if you are interested in stuff like reproduction or having your oil changed That's why *How to Remodel a Man* is so indispensable it is a clear step by step guide for anyone who wants to alter the character and behavior of a man written by an actual man Author W Bruce Cameron provides startling insight into male pattern thinking explaining why men can open a refrigerator and not see the mayonnaise or how it is that they can throw dirty clothes at the hamper or in front of the hamper or even on top of the hamper and yet not seem capable of getting any of it in the hamper Normally changing a man has certain obstacles including but not limited to the fact that it is impossible But Cameron is able to overcome this hindrance because he himself has been remodeled In a move so bold it may be shocking to people unaccustomed to such personal courage Cameron turned himself over to the women in his life and asked them to change him It started with a list of his flaws Cameron came up with four the women came up with one hundred seventy eight and ended with him writing *How to Remodel a Man* so that others could learn from his experience If you're a woman you'll be amazed to learn that men can be trained to perform all sorts of tricks like using the instruments on the sides of their heads the ears to listen to you and the space between those instruments to think about you If you're a man you've been given this book so that you'll see that it's possible to watch television without holding the remote or to ask for directions from strangers without suffering a catastrophic loss of testosterone Cameron changed and you can too *How to Remodel a Man* is the essential guide for anyone in the awkward position of having to interact with a person of the male gender
