Toms Run Steve Bill Hanshew, 2016-09-21 History is a sequence of events from the past leading us to the present Family History is where we came from and how we got here More often than not those two paths converge and become a composite history we live each and every day interacting with the world around us This history forms and molds us into what we become and when we're gone how we will be remembered however fleeting that may be For a Christian how we interact with the world is defined by Christ and should be a defining feature of our personality Pointedly we are to be both salt and light Salt preserves and light displaces darkness This task has never been more difficult as we are slowly enveloped by a culture that preserves nothing good extols the bad while seeking to snuff out the light As believers we more and more find ourselves as Christ warned hated and reviled just as He was At some nearly subliminal level I think many Americans feel this void as more and more of our culture seeks to eradicate God and replace it with secular Humanism They feel the unnatural movement towards anarchy It can be stopped or at least abated only if we are willing to look at where we were and how we got here This book attempts to retrace those steps leading to this amoral abyss *Yes, You Can Do This! How Women Start Up, Scale Up, and Build The Life They Want* Claudia Reuter, 2020-02-14 How women can lean in to entrepreneurship to create the life they want Claudia Reuter left a promising corporate career to raise her two young children but realized when re entering the workforce that the gap in her resume looked like a gap in ambition not a purposeful plan Instead of leaning into a corporate career and fighting the structures and systems designed by and for men decades ago or leaning out and giving up income Claudia took a different path That decision ultimately led to success in the corporate world and at home In *Yes You Can Do This* Claudia shares her own reasons for starting a business and makes a call to action for women to consider entrepreneurship so that they can create businesses with the rules they want and change the playing field for others making a significant impact in the world More than a how to book on building a business *Yes You Can Do This* provides clear examples and practical resources to help others create the life they want through entrepreneurship In *Yes You Can Do This* you'll learn How to develop and share your vision How to deal with stereotypes and unconscious bias How to leverage
