DuBrin, 2024-08-07 This book deals in depth with an ancient attribute of effective leaders that has in recent years caught the attention of leadership writers and researchers Today's effective leader is expected to demonstrate humility in addition to standard leadership attributes such as self confidence high level cognitive skills creativity charisma and the ability to articulate visions The theme of this book is that leadership and professional effectiveness are enhanced when interspersed with other key leadership attributes including those mentioned above assertiveness a sense of humor and strategic thinking ability Many brash and aggressive successful leaders would be even more successful if they sprinkled their leadership approach with humility This book describes an opinion about the most relevant aspects of humility as it applies to leadership and professional effectiveness yet the emphasis is on leadership Equally important each chapter contains suggestions for making better use of humility Humility as it relates to leadership and professional effectiveness is covered from many angles Among these topics are the many meanings and components of humility and how leadership humility impacts group member performance and behavior We also describe the attributes of humble leaders and professionals and their type of interpersonal relationships Servant leadership because of its tie in with humility receives a separate chapter A description is provided about how narcissism hubris and charisma can be blended with humility to improve leadership effectiveness Two other key topics are developing and enhancing your humility and making effective use of humility in leadership and professional life The major contribution of this book is its systematic presentation of applied information about humility related to leadership effectiveness such as the impact of humility on job performance and employee behavior and how humility is part of servant leadership At the same time the book provides practical guidelines for applying the information to make optimum use of humility in the workplace **The Therapist's Notebook on Positive Psychology** Bill O'Hanlon, William Hudson O'Hanlon, Bob Bertolino, 2012 This newest Therapist's Notebook is a collection of 75 accessible and practical activities exercises and handouts divided into seven chapters that therapists can implement both in sessions and as activities outside the therapeutic milieu My Money My Way Kumiko Love, 2022-02-01 Barnes and Nobles 2022 List of Best Books that Help Does fear and insecurity keep you from looking at your bank account Is your financial anxiety holding you captive You don't have to stress about money anymore YOU can take back control As a newly divorced single mom making 24 000 per year and facing down 77 000 in debt Kumiko Love worried constantly about money She saw what other moms had vacations birthday parties a house full of furniture and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor Worse when her feelings began to exhaust her she binge shopped reasoning that she'd feel better after a

trip to the mall On the day she needed to pay for a McDonald s ice cream cone without her credit card she had an epiphany Money is not the problem Self Doubt is the problem Shame is the problem Guilt is the problem Society s expectations for her are the problem She is the solution Once she reversed the negative thinking patterns pushing her toward decisions that didn t serve her values or goals her financial plan wrote itself Now she s not only living debt free in her dream home which she paid for in cash but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families Now building on the lessons she s taught millions as the founder of The Budget Mom she shares a step by step plan for taking control back over your financial life regardless of your level of income or your credit card balance Through stories from navigating divorce to helping clients thrive through recessions depression eviction layoffs and so much more you will learn foundational practices such as How to use your emotions to your financial advantage instead of letting them control you How to create a budget based on your real life not a life of self denial How to create a motivating debt pay off plan that makes you excited about your future instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health to let go of deprivation and embrace desire Love s paradigm shifting system will teach you how to honor your unique personal values driving emotions and particular needs so that you can stop worrying about money and start living a financially fulfilled life What Did Football Teach Me Emory

Hunt,2015-07-05 **Crazy Christians** Michael B. Curry,2013-08-07 Popular and widely known preacher Bishop of the Diocese of North Carolina Based on his 2012 General Convention homily and video that went viral on the web Includes the acclaimed 2012 General Convention address We need some Christians who are as crazy as the Lord Crazy enough to love like Jesus to give like Jesus to forgive like Jesus to do justice love mercy walk humbly with God like Jesus Crazy enough to dare to change the world from the nightmare it often is into something close to the dream that God dreams for it And for those who would follow him those who would be his disciples those who would live as and be the people of the Way It might come as a shock but they are called to craziness from Bishop Curry s Crazy Christians address to the 2012 General Convention of the Episcopal Church in Indianapolis **Clinical Perspectives on Meaning** Pninit Russo-Netzer,Stefan E.

Schulenberg,Alexander Batthyany,2016-12-30 Clinical Perspectives on Meaning Positive and Existential Psychotherapy is an outstanding collection of new contributions that build thoughtfully on the past while at the same time take the uniquely human capacity for meaning making to important new places From the preface by Carol D Ryff and Chiara Ruini This unique theory to practice volume presents far reaching advances in positive and existential therapy with emphasis on meaning making as central to coping and resilience growth and positive change Innovative meaning based strategies are presented with clients facing medical and mental health challenges such as spinal cord injury depression and cancer Diverse populations and settings are considered including substance abuse disasters group therapy and at risk youth Contributors demonstrate the versatility and effectiveness of meaning making interventions by addressing novel findings in this rapidly

growing and promising area By providing broad international and interdisciplinary perspectives it enhances empirical findings and offers valuable practical insights Such a diverse and varied examination of meaning encourages the reader to integrate his or her thoughts from both existential and positive psychology perspectives as well as from clinical and empirical approaches and guides the theoretical convergence to a unique point of understanding and appreciation for the value of meaning and its pursuit Included in the coverage The proper aim of therapy Subjective well being objective goodness or a meaningful life Character strengths and mindfulness as core pathways to meaning in life The significance of meaning to conceptualizations of resilience and posttraumatic growth Practices of meaning making interventions A comprehensive matrix Working with meaning in life in chronic or life threatening disease Strategies for cultivating purpose among adolescents in clinical settings Integrative meaning therapy From logotherapy to existential positive interventions Multiculturalism and meaning in existential and positive psychology Nostalgia as an existential intervention Using the past to secure meaning in the present and the future The spiritual dimension of meaning Clinical Perspectives on Meaning redefines these core healing objectives for researchers students caregivers and practitioners from the fields of existential psychology logotherapy and positive psychology as well as for the interested public **Cultural Competence Now** Vernita

Mayfield,2020-02-18 What will it take to create equitable educational opportunities for all students According to veteran educator Vernita Mayfield teachers and school leaders need to learn how to recognize culturally embedded narratives about racial hierarchy and dismantle the systems of privilege and the institutions that perpetuate them with knowledge action and advocacy Cultural Competence Now provides a structure to begin meaningful conversations about race culture bias privilege and power within the time constraints of an ordinary school The 56 exercises include activities discussions and readings in which to engage during each of the four quarters of the school year School leaders will discover how to facilitate learning through the four steps awaken and assess apply and act analyze and align advocate and lead as you and your colleagues Increase your awareness of privilege and bias Adapt your professional practices to meet the needs of all students Examine policies and practices that inhibit opportunities for marginalized populations Align resources to eradicate inequity in your school Mayfield offers advice on establishing a safe environment for professional conversations setting goals for cultural competency overcoming resistance reviewing school data and the school s vision and mission through the lens of race and culture and strategically managing what can be a transformative yet uncomfortable change process Cultural Competence Now responds to the urgent need to build the cultural competency of educators for the sake of children and in the interest of supporting and retaining all educators Entrepreneurship George Vozikis,Timothy Mescon,Howard Feldman,Eric W

Liguori,2014-12-18 The authors present core concepts of entrepreneurship in an easy to follow logical sequence Starting with basic definitions and an overarching conceptual framework in Part I the book then addresses topics pertaining to Venture Initiation Part II Venture Management Part III and Venture Development Part IV Each chapter contains a case study in which

a real life entrepreneur who confronts the issues of growth and competition is followed Venture initiation and development are key components of this book Entrepreneurship has all the standard features that entrepreneurs in training need The book's strength however lies in the clear straightforward and logical manner in which the various topics within this complex subject are presented The book also includes learning objectives outlines terms and review questions

Faith Greater than Our Challenges Tom Edmondson, 2021-11-12 The year 2020 brought about a totally unprecedented experience for humanity a worldwide pandemic Life as we knew it changed almost instantly We found ourselves quarantining at home wearing masks in public and using large amounts of hand sanitizer and disinfectant As the months dragged on and the search for a COVID 19 vaccine continued social distancing began to feel like solitary confinement the rising death toll from the virus made the future feel very uncertain and the US Presidential campaign made us feel more divided than ever Was there hope to be found In Faith Greater Than Our Challenges Rev Tom Edmondson offers a message of hope based on the apostle Paul's letter to the Philippians and the writings of Viktor Frankl Though separated by nearly two thousand years both faced certain death Paul in prison Frankl in concentration camps Despite such dire circumstances each one in his own way affirmed that life even under the most extreme difficulties has meaning More than this both Viktor Frankl's and Paul the apostle's words of encouragement have the power to inspire hope and patience to us during this time of pandemic
