## How Does God Guide:

*God's Guide to Freedom* Carl Barrett, 2023-04-13 In a society where so many people feel helpless and hopeless they need to grasp onto someone who will release them from the bondage preventing them from attaining the beautiful things God has in store So often we don't know how to fight our spiritual battles leading to a weakened and defeated spirit This state of delusion and confusion is only the work of a dark force that's keeping people shackled in chains and suppressing their glorious life of liberty in Jesus Christ We all long for a life full of peace purpose and a plan that will lead to a glorious journey with the presence of our Lord every step of the way The reality of believing in Jesus obeying his word and knowing the truth brings spiritual freedom And such a privilege includes freedom from the bondage of falsehood For his truth sets us free This forty day devotional guide through Exodus will show us times of being in bondage to a stage of deliverance to wandering in the wilderness and how to rely on the strength and guidance of an Almighty God And that's where spiritual freedom comes to the surface in our intentional lives

**Sovereignty** Ernest L. Easley, 2024-01-24 In the late nineties Pastor Ernest Easley received difficult news from his doctor a throat cancer diagnosis This diagnosis would be enough to cause any individual to fear for one's life and to worry about whether or not tomorrow would be seen But for Pastor Easley this diagnosis though tragic would be an opportunity to learn to rest in the Sovereignty of God Now more than twenty years later the cancer is gone but the lingering effects of forty four radiation treatments have left him with a withering voice His doctors have said the damage that has been done may or may not ever heal He will be a preacher who cannot preach Yet we still find a man whose trust and reliance upon God has allowed him to know that even if he cannot speak or preach about God that does not mean that God has lost his sovereignty He is still Lord And even more so Pastor Easley has Scripture to remind him that he is not the first who has had to come to terms with

**How Then Shall We Guide?** Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition's practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri-perspective of history theology and method that faithfully reflects each tradition's distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work's thesis
