But behind the smiles, the badge, and the suspect command of the native lingo, what really goes on? Are they a happy celibate team working for the benefit of their clients or are they at each other's throats to get their share of backhanders, drugs, and sleeping with holidaymakers or each other? A reluctant necromancer, a man killed before his time, and the crime that brings them together. Felipe

Galvan's life as an investigator for the Paranormal Society has been spent running into danger. Returning home from his latest case, Felipe struggles with the sudden quiet of his life until a mysterious death puts him in the path of the enigmatic Oliver Barlow. Oliver has two secrets: One, he has been in love with the charming Felipe Galvan for years. Two, he is a necromancer. But to keep the sensible life he's built as a medical examiner, he must hide his powers. That is, until Oliver finds Felipe murdered and accidentally brings him back from the dead. But Felipe refuses to die again until he and Oliver catch his killer. Together, Felipe and Oliver embark on an investigation to uncover a plot centuries in the making. As they close in on his killer, one thing is certain: if they don't stop them, Felipe won't be the last to die. **Ramona Jackson, 1885**

Ramona Helen Hunt Jackson, 1885 *As Far As The I Can See* Julie Heifetz, 2021-12-28 *As Far As The I Can See* is a fast-paced memoir set in a top-rated hotel in the Yucatan jungle, Mexico. The crazy year begins after the author heads to help her friends Molly and Luis Felipe, the owners of the property. Out of work and a relationship, Julie is looking to reinvent herself. But the day after arrival, her friends take off and leave Julie to run the hotel with no Spanish-speaking ability and even less knowledge of the hotel business. With a wild international cast of characters working for the hotel and cut off from the world, Julie ricochets from one disturbing encounter to another. Confrontations with violent employees, theft, drunken chefs, and frightening talismans all have their part to play. After a life-changing year in the jungle, can Julie reconcile her feelings and find herself? **Language Hacking Spanish** Benny Lewis, 2017-03-28 It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea: Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, *Language Hacking* shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts, and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks (shortcuts) that make learning simple that Benny mastered while learning his 11 languages, and his speak-from-the-start method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only other people can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The *Method* *Language Hacking* takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking mission that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking missions with other learners, getting and giving feedback, and extending your learning beyond the pages of the book. You don't need to go abroad to learn a language any more. **Dry**
