How To Be A World Clab Christian:

Called Christians Billy B. Dunbar, 2021-07-05 Although it was about ten years after the Church had come into existence before the name Christians was given to the followers of Christ the name must have been in God's divine plan for the title has stood the test of time What a tremendous honor to be named after the anointed Son of God How much more important however is it to be a Christian rather than to just be called one The lives of some who are called Christians leave something to be desired from the standpoint of sound scriptural doctrine Fair weather believers or cotton candy Christians are content only with mountaintop experiences and have problems with valley experiences testing and trials The lazy professors cholesterol Christians are always taking in God's Word but are not diligent in meeting its requirements Fence straddling worldlings are country club Christians Genuine diligent Christians are sold out completely to Christ and are willing to endure cross bearing and self denial to exemplify Him These are consecrated Christians the kind of saints who were in the church at Antioch where the title Christians was first applied to the followers of Christ The Christians of Antioch appropriately demonstrated Christlike qualities in their lifestyle teaching worship direction by the Holy Spirit benevolence and organization What wonderful balance How fitting that those who were first named after Christ would bear the name with such dignity Hopefully all who are called Christians will realize the importance of exemplifying these Christlike characteristics in their lives so the name above every name will be exalted to its rightful place Living a Christlike lifestyle ensures that we will meet Christ at His return which is the hope of every believer 1 The Congregationalist and Christian World ,1904 **Toward an Evangelical Public Policy** Ronald J.
