**Jacob the Baker** Noah benShea,2013-03-04 Jacob the Baker is the International Best Selling and timeless story about a man whose humble life and profound wisdom are a source of both inspiration and reflection to those around him Eighteen years in the writing this deceptively simple book kindles the human spirit in the manner of a modern classic its gentle message inviting each of us to witness that a miracle is often the willingness to see the common in an uncommon way Jacob is a poor but pious figure who rises anonymously before dawn to light the ovens in the town bakery As the ovens are warming and the first dough rising Jacob turns inward scribbling notes to himself thoughts and observations ringing with the clarity of a soul unencumbered by the weight of its own importance One of Jacob s carefully folded notes is accidentally baked into a loaf of bread When it is discovered and read its impact is overwhelming The secret of Jacob soon becomes a whisper that rides the wind into every ear and the community embraces Jacob as if he were a long ignored human treasure suddenly unearthed Adults and children alike gather at the bakery or stop Jacob on the street With patience and love Jacob the baker finds doors for those locked within themselves and their presumptions and turns the key to their questions Jacob the Baker is a treasury of answers in the form of brief stories and parables told by a baker who is a poet of truth and kindness The questions put to Jacob are as diverse as death and charity eternity and anger but Jacob s responses are always a celebration of rightness a reminder of the purpose and order in life He is a wise and gentle friend who renews our sense of belonging to the world Jacob the Baker can be started on any page as Jacob would say it doesn t matter where you start it matters that you start

**Jacob the Baker** Noah BenShea,1989 A timeless fable about a man whose humble life and plainspoken wisdom are sources of inspiration for those around him Reader s Digest will be featuring excerpts beginning in April *The Miracle Collectors* Joan Luise Hill,Katie Mahon,2021-03-02 This eye opening book will teach you how to step back examine important moments in your life and recognize the miracles that are constantly occurring all around you As part of their own spiritual quest miracle experts Katie Mahon and Joan Luise Hill discovered that when we are truly awake and present miracles abound It started by sharing their own stories which quickly prompted an unexpected outpouring of stories from others Stories that had never been told stories that didn t seem to matter and stories that had been forgotten While some defy explanation others invite us to take a closer look to discover common ground with each other and to seek meaning in a whole new way The stories of courage forgiveness gratitude faith hope and love from *The Miracle Collectors* allow us to notice and appreciate the miracles that are available to each one of us while opening us up to a part of the Divine mystery we can absorb and understand By using Take a Miracle Moment challenge at the end of every chapter you open the path for your own reawakening of the spirit Perhaps you too will become a miracle collector *The Holy Intimacy of Strangers* Sarah York,2002-11-08 In *The Holy Intimacy of Strangers* Sarah York explores our common yearning for deeper and more meaningful connection with one another The book presents the paradox we often observe how our seemingly casual

interactions with strangers can unlock the door to our hearts and help us discover how we need and yet often resist true intimacy in our relationships This provocative book gives us a new way to look at the qualities of our exchanges with strangers Once we begin this journey we can trace the outlines of our lives together in community our expressions of caring and hospitality the costs of prejudice and judgment our fears and defensiveness the tension between being inclusive or exclusive our expectations and assumptions about one another     **Prelude to Eternity** Anne Pennington Grenfell,2013-04 An intimate moving and compelling portrait of a couple s travels through life s greatest challenge preparing for its ending Page 4 of cover     *The Power Principle* Blaine Lee,1998-06-04 A founding vice president of the respected Covey Leadership Center reveals the ten principles of power and explains how to win it and wield it with honor and integrity The Power Principle provides a new standard for how we can build more meaningful relationships John Gray author of *Men Are from Mars Women Are from Venus* *Diagrams*     *Same Old, Same New* Mike Mason,2024-04-23 Why is so much of our existence so ordinary Why this immense tract of stuff in our lives that seems to have no lofty purpose In ninety short devotional chapters Mike Mason meditates on this question concluding that in fact everydayness to the extent we embrace it is a source of deep consolation Far from being meaningless the humdrum and the commonplace may actually hold the secret of life *Same Old Same New* beautifully and provocatively written and full of arresting insights will take your old tired world stand it on end and spin it like a top Mike Mason straddles two worlds the quotidian and the eternal Of course those two worlds aren t separate worlds at all and the reality of that intermingling that co existence of the mundane and the mystical is perhaps the recurrent theme of Mason s writing Ron Reed Founding Artistic Director of Pacific Theatre     **Jews and Christians Together** Christian van Gorder,Gordon Fuller,2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant s appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions *Jews and Christians Together* delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect     **INSPIRED REFLECTIONS ON KNOWLEDGE** FOLORUNSHO MEJABI,2016-01-05 The range of human knowledge today is so great that we re all specialists and the distance between specializations has become so great that anyone who seeks to wander freely between them almost has to forego closeness with the people around him In the word of John Quincy Adams To furnish the means of

acquiring knowledge is the greatest benefit that can be conferred upon mankind It prolongs life itself and enlarges the sphere of existence Only a blind man can easily define what light is When you do not know you are bold Ignorance is always bold knowledge hesitates And the more you know the more you feel that the ground underneath is dissolving The more you know the more you feel how ignorant you are Enjoy the compiled inspired reflections on knowledge from the masters
