A. Kornetsky, 2012-11-13 They rely on animal instincts Meet Gin and Tonic She's a dog person He's a cat person But when these two friendly rivals team up to solve a mystery you can bet their pets aren't the only ones getting collared Ginny Mallard and her shar pei Georgie are about to run out of kibble and cash unless she digs up another client for her private concierge business So she heads to her neighborhood Seattle bar Mary's to sniff out an opportunity Or a gimlet or two The bartender Teddy Tonica is usually good for a round of challenging banter and Georgie is oddly fond of his bar cat Mistress Penny Before she can say bottoms up Ginny lands a job tracking down some important business papers that have gone missing along with the customer's uncle If Ginny hopes to track him down she'll need more than her research skills she'll need a partner with people skills like Tonica This is one dangerous case that's about to go to the dogs unless man woman cat and canine can work together as one very unconventional crime solving team

Experiencing Cities Mark Hutter, 2015-12-22 This extraordinary text for undergraduate urban students is a reflection of Mark Hutter's academic interests in urban sociology and his life long passion for experiencing city life His deep academic roots in the Chicago School of Sociology help inform and appreciate the variety of urban structures and processes and their effect on the everyday lives of people living in cities This text however extends the Chicago School perspective by combining its traditions with a social psychological perspective derived from symbolic interaction and also with a macro level

examination of social organization social change stratification and power in the urban context informed by political economy This entirely new 3rd Edition has a global outlook on city life and a visual presentation unmatched among books in this genre

Heritage Planning Harold Kalman, 2014-10-30 Heritage Planning Principles and Process provides a comprehensive overview of heritage planning as an area of professional practice The book first addresses the context and principles of heritage planning including land use law planning practice and international heritage doctrine all set within the framework of larger societal issues such as sustainability and ethics The book then takes readers through the pragmatic processes of heritage practice including collecting data identifying community opinion determining heritage significance the best practices and methods of creating a conservation plan and managing change Heritage Planning recognizes changing approaches to heritage conservation particularly the shift from the conservation of physical fabric to the present emphasis on retaining values associations and stories that historic places hold for their communities The transition has affected the practice of heritage planning and is important for those in the field It is essential reading for both professionals that manage change within the built environment and students of heritage conservation and historic preservation **Verita** Vincent M Vincent, We meet Verita as an old and homeless black woman Her name strikes a chord with the priest that runs the local homeless kitchen setting off his search for her true identity As we go back to her childhood in depression era Missouri we learn that Verita s gifts raise fear and suspicion in her pastor thus setting him on a course that will change the course of Verita s life The town where she lives with her loving and protective parents is rife with hatred deceit and racism And no matter how hard they try Verita s family can t avoid the ugliness and suffering some of the towns people are bent on inflicting From the evilness that arises Verita s life takes a journey through an asylum where she finally meets the one person that can tell her story to the world Her story is one of free will and choices carefully made by men As her significance is finally known to the priest the world and it s leaders are offered a choice that can t be ignored An incredible book the writing is joyful flowing and inspired unique and full of surprises Lyn Morgan Ivyquill Reviews Enjoyable and 3D characters a treat to read Vicki Clark Picapoint Reviews The United States Catalog ,1924 *A Hard Rain Fell* David Barber, 2010-02-17 By the spring of 1969 Students for a Democratic Society SDS had reached its zenith as the largest most radical movement of white youth in American history a genuine New Left Yet less than a year later SDS splintered into warring factions and ceased to exist SDS s development and its dissolution grew directly out of the organization s relations with the black freedom movement the movement against the Vietnam War and the newly emerging struggle for women s liberation For a moment young white people could comprehend their world in new and revolutionary ways But New Leftists did not respond as a tabula rasa On the contrary these young people s consciousnesses their culture their identities had arisen out of a history which for hundreds of years had privileged white over black men over women and America over the rest of the world Such a history could not help but distort the vision and practice of these activists good intentions notwithstanding *A Hard Rain Fell*

SDS and Why It Failed traces these activists in their relation to other movements and demonstrates that the New Left's dissolution flowed directly from SDS's failure to break with traditional American notions of race, sex, and empire. Conversions and Visions in the Writings of African-American Women Kimberly Rae Connor, 1994. The subsequent achievement of selfhood is then based on the interplay of individual and community identities. Connor suggests that the distinctiveness of African American women's experiences and writings can transcend their immediate communities and be brought to bear on women's experiences in general, making their individual stories more accessible and meaningful to the whole of humankind. **Lonely Planet New York City** Lonely Planet,
