with people you least expect it It s a lesson that some of the easiest ways to be happy are to have fun hang out with friends and look at the world with wonder and creativity What Ellie really wanted was for Zuzu to be with her forever This shows how strong Page 9 of 35 friendships are and how amazing normal life can be Being together made them laugh and want to try new things Page 10 of 35 Chapter 1 What They Found On a beautiful Saturday morning in the quiet town of Willowby a little girl named Ellie chose to search for her surroundings The day seemed endless with the sun shining and a light breeze teasing of exciting things to come Her eyes were filled with awe as she walked around town eager to take in all the sights and sounds On this particular day the neighborhood had set up a garage sale which is a beloved Willowby tradition where people put things from their basements and attics on show in the hopes of finding new homes for them Ellie was drawn to these yard sales like a moth to a flame because she liked taking risks She liked the idea of finding lost treasures among lost things As she walked around the stalls she came across something strange among the toys and books After years of not being used an old lamp that was covered in spider webs and dust had lost its brightness Ellie on the other hand was pulled to it like a beacon by its mysteries Ellie was interested so she walked up to the light and ran her fingers over the complicated designs She thought this wasn t normal light because her hands felt heavy She felt a strange need to rub the lamp hoping to get rid of the dust that was covering up its beauty She was shocked to find that as she rubbed a bright whirling cloud of smoke came out of the lamp s spout and lit up the colors around her As Ellie watched with wide eyes a shape started to take shape as it slowly came out of the magical mist It was a genie but not the kind you d think from the story Zuzu this genie was different from all the others He was happy had a kind smile and his eyes flashed in a funny way He was dressed in a lot of bright colors and his cap seemed a little too big for his head which made him look both cute and awkward Zuzu greeted Ellie with a flourish and his speech was nice and interesting He made it clear that even though he was a genie he wasn t like most of them Even more unusual than giving people a lot of money or power Zuzu was great at granting simple funny wishes that made people laugh and smile It was his power to make funny situations that made normal things more fun and surprising Ellie paid close attention as Zuzu talked about how funny he was She was thrilled at the thought of a genie who could use his magic to make everyday life more fun She thought about how much fun it would be to have a friend like that someone who could turn a normal day into an exciting adventure full of laughter and joy After introducing himself Zuzu told Ellie that the first time they met was the start of a great bond He couldn t wait to show her his magic and make her day better with his funny pranks When Ellie thought about the fun things that were coming Page 11 of 35 up she felt very happy They learned that finding the lamp wasn t just a lucky find it was the beginning of a big adventure that would make her life full of laughs and thrills That moment of finding at the garage sale changed Ellie s life for good She knew that genie magic could make anything possible so she was excited to find out what crazy things could happen in everyday life with Zuzu by her side The old lamp which was unused and covered in dust had become the key to a world of friendship and fun It served as a daily

reminder that the most amazing things can come from the strangest places People in Willowby went about their daily lives as usual not knowing what magic had just happened Ellie and Zuzu on the other hand went on their first trip together Ellie on the other hand saw the world as a place with endless opportunities a blank canvas ready to be filled with the bright colors of happiness and laughter She knew that every day would bring a new chance to find the magic in the everyday to find joy in the smallest things and to give everyone around her the gift of laughter especially since Zuzu was her genie *New York Magazine* ,1990-12-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
