

## PHONOLOGICAL AWARENESS REACHING THE FIRST TIME

**OBJECTIVE: 1.3.1** Recognise rhythms in language.

### Clap Your Hands

Talk with children about firehouses. Ask children what they know about firefighters, what they wear, what they do, what the truck looks like. Ask children to watch your actions closely and to follow what you do. Then demonstrate how to clap once on every syllable as you sing, "hi-ho, the derry-o." Play the song on the audiocassette, and whenever you come to the words *hi-ho, the derry-o*, clap once on each syllable and encourage children to join in. Do this every time those words are sung.

Audiocassette 4

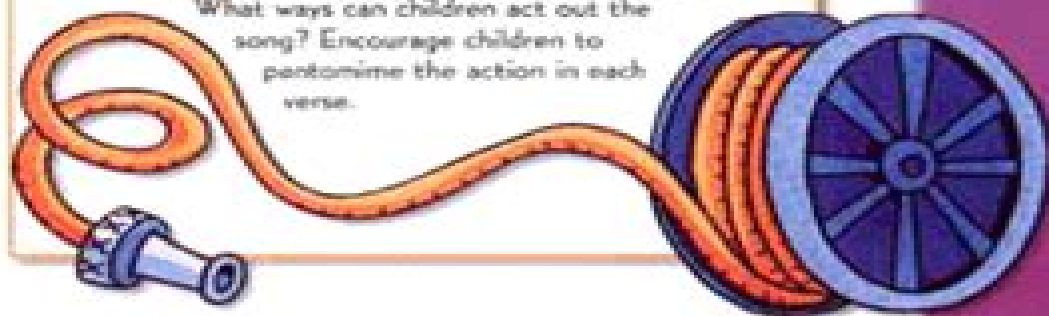

## CONCEPTS OF PRINT REACHING AHEAD

**OBJECTIVE: 1.3.5** Develop some basic print conventions.

### Divide It Up

Ask children to show you where the title of the song is on the chart. Read it together. Then point out where each verse begins and ends. Count the verses aloud from one to five with the children. Then sing the song together.

What ways can children act out the song? Encourage children to pantomime the action in each verse.

## INFORMAL ASSESSMENT

### Drawing and Writing

Help children to make a fire hose by gluing thick pieces of yarn to large sheets of colored paper. Before you begin, remind children of a type of hose they may have seen: a garden hose. Help children to add a bit of glue to one side of the yarn, then press it to the paper in a twisting and turning design. Children can then cut out orange and red construction paper to represent a fire and draw a firefighter using the hose. Ask children to tell you about their collage. Ask, "What is the firefighter doing? What happens next?"

## SECOND-LANGUAGE SUPPORT

Let second-language learners make noise! Once the whole class has pantomimed the song together in "Divide It Up," give second-language learners different types of bells and tambourines and help them provide sound effects in appropriate parts of the song.
