Homework Without Hassles:

Ending the Homework Hassle John Rosemond, 2011-04-11 Homework can be one of the most frustrating of all problem areas for children and parents. In this helpful guide, Rosemond warns against parental interference and demonstrates ways to help children learn to work on their own and to take responsibility for getting the work done themselves. **Homework Without Hassles** Rod Cameron, 1992 Contains 30 homework activities for upper primary school students designed with the teacher and parent in mind. Covers mechanical maths tasks, basic written language and creative activities. By the author of *TMaths To Munch On*. *The Unmotivated Child* Natalie Rathvon, 2010-06-15 The *Unmotivated Child* offers parents, kids and teachers fast answers and solid solutions. A guide for parents of underachieving youngsters presents five methods for communicating constructively, seven strategies for overcoming the homework trap, seven techniques for working with teachers and guidelines for supporting the student through the change process. Natalie Rathvon solves the mystery of underachievement in children by looking beneath the child's surface behavior. She discloses the beliefs that influence an underachiever's attitude and actions and pinpoints the warning signs to watch out for in elementary, middle and high school students. **The C.A.S.T.L.E. Method** Donna Tetreault, 2022-06-21 While many parenting strategies focus solely on what affects children, the CASTLE Method approaches both parents and children as unique individuals in need of active learning, growth, love and care because the heart of any castle is the entire family. In *The C A S T L E Method*, Dr. Phil's resident parenting expert Donna Tetreault provides her professional and personal experience in raising children along with the seven foundational, evidence-based principles that form the CASTLE Method: compassion, acceptance, security, trust, love, expectations, plus education. This gentle guide simplifies the parent education dilemma by organizing professional research that can be adapted to any circumstance. As you learn the tools you'll need to build a strong foundation, you will be empowered to create the best version of yourself, your children and your family. Your castle will be a place for your children to thrive and feel safe and loved. The journey to build your strong family foundation begins now. **Parent Guide to Hassle-free Homework** Judith Stein, Lynn Meltzer, Kalyani Krishnan, Laura Sales Pollica, 2007 Offers parents strategies for helping their children succeed with homework, including tips on developing an effective homework routine, establishing a positive emotional climate and understanding a child's learning style. **Discipline Survival Guide for the Secondary Teacher** Julia G. Thompson, 2010-11-09 Ideas for creating an orderly classroom where learning can thrive. This unique hands-on book is packed with tested ideas and strategies to help you create a classroom environment where good conduct and high achievement are the norm and where students become self-motivated and take responsibility for their actions. The second edition is fully revised and updated to reflect changes in the past decade. Puts the focus on the teacher as a leader and coach who encourages students to buy into a classroom management approach. Offers information about setting limits, safety issues and protecting student's privacy. Covers topics including technology disruptions in the classroom, iPods and cell phones.

computers in the classroom motivating engaging instructing students and communicating with students and parents This must have resource offers a comprehensive and accessible guide to discipline in the school setting complete with handy forms checklists and self assessments **The ADHD Parenting Handbook** Colleen Alexander-Roberts,2006-08-01 Practical advice for parents from parents and proven techniques for raising hyperactive children without losing your temper
