Homeworkers in Global Perspective documents the lives of homeworkers exploring state policies towards them and describing the innovative ways in which homeworkers organize Moving away from well known already explored cases the essays focus on less known but equally compelling examples organize and covers the major geographic regions of the world and illustrates the diversity of home based work and homeworker organizing **Gender Equality and Responsible**

Business Kate Grosser, Lauren McCarthy, Maureen A. Kilgour, 2017-09-08 Gender Equality and Responsible Business places gender equality at the heart of the responsible business agenda with the aim of contributing to CSR practice as well as research Discussion about gender issues in the field of corporate responsibility has focused on workplace issues and corporate boards which are important areas of work However the great benefit of exploring gender issues through a responsible business lens is that this requires us to also examine the wider gender impacts of business in the marketplace for example with regard to suppliers supply chains and consumers and with respect to the communities where business operates and the wider ecological environment indeed throughout corporate value chains Through contributions from practitioners in business and civil society as well as academia this book broadens the agenda opening the field to new voices and facilitates dialogue among and between practitioners and researchers Contributions within the edited collection elucidate current practice bring new perspectives and help us to expand the field of responsible business with regard to gender equality and beyond *Contemporary Entrepreneurship* Dieter Bögenhold, Jean Bonnet, Marcus Dejardin, Domingo Garcia Pérez de Lema, 2016-03-17
